How Did Poetry Survive? John Timberman Newcomb, 2012-03-20 How Did Poetry Survive traces the emergence of modern American poetry at the turn of the nineteenth century American poetry had stalled a small group of recently deceased New England poets still held sway and few outlets existed for living poets However the United States quickly accelerating urbanization in the early twentieth century opened new opportunities as it allowed the rise of publications focused on promoting the work of living writers of all kinds The urban scene also influenced the work of poets shifting away from traditional subjects and forms to reflect the rise of buildings and the increasingly busy bustle of the city Change was everywhere new forms of architecture and transportation new immigrants new professions new tastes new worries This urbanized world called for a new poetry and a group of new magazines entirely or chiefly devoted to exploring modern themes and forms led the way Avant garde little magazines succeeded not by ignoring or rejecting the busy commercial world that surrounded them but by adapting its technologies of production and strategies of marketing for their own purposes

Raymond Jonson and the Spiritual in Modernist and Abstract Painting Herbert R. Hartel, Jr., 2018-02-21 This is the most thorough and detailed monograph on the artwork of Raymond Jonson He is one of many artists of the first half of the twentieth century who demonstrate the richness and diversity of an under appreciated period in the history of American art Visualizing the spiritual was one of the fundamental goals of early abstract painting in the years before and during World War I Artists turned to alternative spirituality the occult and mysticism believing that the pure use of line shape color light and texture could convey spiritual insight Jonson was steadfastly dedicated to this goal for most of his career and he always believed that modernist and abstract styles were the most effective and compelling means of achieving it

The Apartment Complex Pamela Robertson Wojcik, 2018-09-13 From the bachelor pad that Jack Lemmon's C. C. Baxter loans out to his superiors in Billy Wilder's *The Apartment* 1960 to the crumbling tenement in a dystopian Taipei in Tsai Ming-liang's *The Hole* 1998 the apartment in films and television series is often more than just a setting it can motivate or shape the narrative in key ways Such works belong to a critical genre identified by Pamela Robertson Wojcik as the apartment plot which comprises specific thematic visual and narrative conventions that explore modern urbanism's various forms and possibilities In *The Apartment Complex* a diverse group of international scholars discuss the apartment plot in a global context examining films made both within and beyond the Hollywood studios The contributors consider the apartment plot's intersections with film noir horror comedy and the musical addressing how different national or historical contexts modify the apartment plot and how the genre's framework allows us to rethink the work of auteurs and identify productive connections and tensions between otherwise disparate texts Contributors Steven Cohan Michael DeAngelis Veronica Fitzpatrick Annamarie Jagose Paula J. Cinematic Starchitecture Merrill Schleier, Paul Newland, 2025-11-03 *Cinematic Starchitecture* explores how examples of famous architecture have circulated throughout

cinema history across diverse genres Building on the term starchitecture coined in 1997 for dramatic monumental structures designed to gain international attention and economic advantage the authors demonstrate that a crucial part of an architectural structure s iconic star status emerges through its engagement with and codification by the media and with cinema in particular This book explores how iconic architectural structures have performed a myriad of roles and functions that exceed buildings everyday uses or identities as aesthetic objects location markers or spatial settings to show that countless films globally have featured famous buildings as inimitable components of narrative exposition character development and or identity construction This volume will appeal to students scholars and researchers of film studies media studies and architecture and architectural history as well as those in the areas of media and cultural studies history popular culture and urban geography
