[A Mighty Baptism](#) Susan Juster, Lisa MacFarlane, 1996 Follows the influences of race and

gender on the Protestant tradition in America from the late eighteenth to the early twentieth century **Southern Shepherds, Savage Wolves** Otis Westbrook Pickett Sr.,2025-10-23 Presbyterian Church missionaries and the theology of race enslavement and Native American removal In *Southern Shepherds Savage Wolves* Otis Westbrook Pickett Sr examines Presbyterian missionaries attempts to live up to their understood calling from their God to serve as shepherds for their congregations These missionaries Pickett finds faltered in this duty when faced with the racial hierarchy of an enslaved society He focuses on individual missionaries most prominently John Lafayette Girardeau and T C Stuart who attempted to integrate enslaved and later freed men and women into the church By examining these missionaries and mission churches Pickett sheds new light not only on the complicated role that religion played in shaping slavery and Native American removal in the US South but also the fate of these ideas in the crucible of the Civil War and its aftermath **Down by the Riverside** Charles Joyner,2022-08-15 Charles Joyner takes readers on a journey back in time up the Waccamaw River through the Lowcountry of South Carolina past abandoned rice fields once made productive by the labor of enslaved Africans past rice mills and forest clearings into the antebellum world of All Saints Parish In this community and many others like it enslaved people created a new language a new religion indeed a new culture from African traditions and American circumstances Joyner recovers an entire lost society and way of life from the letters diaries and memoirs of the plantation whites and their guests from quantitative analysis of census and probate records and above all from the folklore and oral history of the enslaved Americans His classic reconstruction of daily life in All Saints Parish is an inspiring testimony to the ingenuity and solidarity of a people This anniversary edition of Joyner s landmark study includes a new introduction in which the author recounts his process of writing the book reflects on its critical and popular reception and surveys the past three decades of scholarship on the history of enslaved people in the United States *Intimate Bonds* Jennifer L. Palmer,2016-08-31 Following the stories of families who built their lives and fortunes across the Atlantic Ocean *Intimate Bonds* explores how households anchored the French empire and shaped the meanings of race slavery and gender in the early modern period As race based slavery became entrenched in French laws all household members in the French Atlantic world regardless of their status gender or race negotiated increasingly stratified legal understandings of race and gender Through her focus on household relationships Jennifer L Palmer reveals how intimacy not only led to the seemingly immutable hierarchies of the plantation system but also caused these hierarchies to collapse even before the age of Atlantic revolutions Placing families at the center of the French Atlantic world Palmer uses the concept of intimacy to illustrate how race gender and the law intersected to form a new worldview Through analysis of personal mercantile and legal relationships *Intimate Bonds* demonstrates that even in an era of intensifying racial stratification slave owners and slaves whites and people of color men and women all adapted creatively to growing barriers thus challenging the emerging paradigm of the nuclear family This engagingly written history reveals that personal choices and family strategies shaped larger cultural and legal shifts in the

meanings of race slavery family patriarchy and colonialism itself *Becoming America* Jon Butler, 2001-12-28 Butler's panoramic view of the American colonies after 1680 transforms the customary picture of pre revolutionary America revealing a strikingly modern character that belies the 18th century quaintness fixed in history 21 halftones
