

SLAVES SAILORS CITIZENS

AFRICAN AMERICANS
IN THE UNION NAVY

Steven J. Ramold

Slaves Sailors Citizens African American

M Planty

Slaves Sailors Citizens African American:

Slaves, Sailors, Citizens Steven J. Ramold, 2002 As many as one in six Union navy sailors was African American many of them former slaves This richly detailed history shows that the free blacks and contraband slaves who joined the U S Navy during the Civil War were essential to Northern victories at sea Through their role in preserving the Union they helped to win recognition for African Americans as full citizens African Americans joined the U S Navy from the first days of the war and soon demonstrated to a skeptical Northern population that they would fight for their freedom Faced with the hazards of battle African American sailors performed with great heroism and several earned the nation s highest military tribute the Medal of Honor Their service in the navy paved the way for their wider employment in the U S Army Despite the lack of official records on the subject Ramold has combed through mountains of memoirs court documents pension reports and other sources to discover the true magnitude of African Americans contribution to the naval effort The book presents a vivid description of the lives of these sailors from enlistment to discharge telling the story as much as possible in the words of the sailors themselves A dozen rare photographs illustrate the range of African American service Ramold demonstrates that the navy from necessity and from tradition treated African Americans in its ranks far more equitably than did the army or any other public institution in antebellum America Decades later black sailors would be consigned to work in the mess hall but in the Civil War era they fought side by side with white sailors were treated equally in courts martial and received the same pay and benefits **Slaves Sailors Citizens** allows us to rediscover these largely forgotten heroes whose story can now take its rightful place in the history of the war and in the struggle of slaves and free blacks to become citizens **African**

Canadians in Union Blue Richard M. Reid, 2014-05-13 Before Abraham Lincoln issued the Emancipation Proclamation he added a paragraph authorizing the army to recruit black soldiers Nearly 200 000 men answered the call Several thousand of them came from Canada What compelled these men to leave the relative comfort of their homes to face death on the battlefield loss of income and legal sanctions for participating in a foreign war Drawing on newspapers autobiographies and military and census records Richard Reid pieces together a portrait of a group of men who served the Union in disparate ways as soldiers sailors or doctors but who all believed that liberty justice and equality were worth fighting for By bringing the courage and contributions of these men to light **African Canadians in Union Blue** opens a window on the changing nature of the Civil War and the ties that held black communities together even as the borders around them shifted or were torn asunder **Encyclopedia of African American History, 1619-1895** Paul Finkelman, 2006-04-06 It is impossible to

understand America without understanding the history of African Americans In nearly seven hundred entries the **Encyclopedia of African American History 1619 1895** documents the full range of the African American experience during that period from the arrival of the first slave ship to the death of Frederick Douglass and shows how all aspects of American culture history and national identity have been profoundly influenced by the experience of African Americans The

Encyclopedia covers an extraordinary range of subjects Major topics such as Abolitionism Black Nationalism the Civil War the Dred Scott case Reconstruction Slave Rebellions and Insurrections the Underground Railroad and Voting Rights are given the in depth treatment one would expect But the encyclopedia also contains hundreds of fascinating entries on less obvious subjects such as the African Grove Theatre Black Seafarers Buffalo Soldiers the Catholic Church and African Americans Cemeteries and Burials Gender Midwifery New York African Free Schools Oratory and Verbal Arts Religion and Slavery the Secret Six and much more In addition the Encyclopedia offers brief biographies of important African Americans as well as white Americans who have played a significant role in African American history from Crispus Attucks John Brown and Henry Ward Beecher to Olaudah Equiano Frederick Douglass Sarah Grimke Sojourner Truth Nat Turner Phillis Wheatley and many others All of the Encyclopedia s alphabetically arranged entries are accessibly written and free of jargon and technical terms To facilitate ease of use many composite entries gather similar topics under one headword The entry for Slave Narratives for example includes three subentries The Slave Narrative in America from the Colonial Period to the Civil War Interpreting Slave Narratives and African and British Slave Narratives A headnote detailing the various subentries introduces each composite entry Selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the Encyclopedia and to primary sources and scholarly works beyond it A topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work s usefulness

American Founders Christina Proenza-Coles,2019-03-01 2019 Foreword INDIES Finalist American Founders reveals men and women of African descent as key protagonists in the story of American democracy It chronicles how black people developed and defended New World settlements undermined slavery and championed freedom throughout the hemisphere from the sixteenth through the twentieth centuries While conventional history tends to reduce the roles of African Americans to antebellum slavery and the civil rights movement in reality African residents preceded the English by a century and arrived in the Americas in numbers that far exceeded European migrants up until 1820 Afro Americans were omnipresent in the founding and advancement of the Americas and recurrently outnumbered Europeans at many times and places from colonial Peru to antebellum Virginia African descended people contributed to every facet of American history as explorers conquistadores settlers soldiers sailors servants slaves rebels leaders lawyers litigants laborers artisans artists activists translators teachers doctors nurses inventors investors merchants mathematicians scientists scholars engineers entrepreneurs generals cowboys pirates professors politicians priests poets and presidents The multitude of events and mixed race individuals included in the book underscores that black and white Americans share the same history and in many cases the same ancestry American Founders is meant to celebrate this shared heritage and strengthen these bonds

Bluejackets in the Blubber Room Peter Kurtz,2013-01-10 Explores key events in US maritime history from the 1820s to the end of the Civil War through the biography of the sailing ship William Badger Taking a biographical approach to his

subject Peter Kurtz describes three phases of the life of the William Badger a sailing ship with a long and exemplary life on the sea first as a merchant ship carrying raw materials and goods between New England the US South and Europe second as a whaling ship and finally as a supply ship providing coal and stores for the North Atlantic Blockading Squadron in Beaufort North Carolina during the Civil War Kurtz begins Bluejackets in the Blubber Room by exploring early American shipbuilding and shipbuilders in the Piscataqua region of Maine and New Hampshire and the kinds of raw materials harvested and used in making the wooden sailing ships of the time After its construction the Badger became part of the key economic trade between New England the US South and Europe The ship carried raw materials such as timber from New England to New Orleans and subsequently cotton from New Orleans to Spain and Liverpool England Using ship logs sailors accounts and other primary sources Kurtz delves into both the people and the economics of this critical cotton triangle trade Following service as a merchant ship the Badger became a whaling ship carrying its New England based crew as far as the South Pacific Kurtz presents a colorful story of life aboard a whaling ship and in the whaling towns ranging from Lynn Massachusetts to Cape Leeuwin Australia Finally Kurtz describes the last phase of the Badger s life as a key player as a supply ship in the Union Navy s blockade effort Although not the most dramatic duty a sailor could have blockade supply nevertheless was critical to the United States prosecution of the Civil War and eventual victory Kurtz examines the decision making involved in procuring such ships and their crew notably refugees and escaped slaves known as contrabands

The Won Cause Barbara A. Gannon,2011-05-30 In the years after the Civil War black and white Union soldiers who survived the horrific struggle joined the Grand Army of the Republic GAR the Union army s largest veterans organization In this thoroughly researched and groundbreaking study Barbara Gannon chronicles black and white veterans efforts to create and sustain the nation s first interracial organization According to the conventional view the freedoms and interests of African American veterans were not defended by white Union veterans after the war despite the shared tradition of sacrifice among both black and white soldiers In *The Won Cause* however Gannon challenges this scholarship arguing that although black veterans still suffered under the contemporary racial mores the GAR honored its black members in many instances and ascribed them a greater equality than previous studies have shown Using evidence of integrated posts and veterans thoughts on their comradeship and the cause Gannon reveals that white veterans embraced black veterans because their membership in the GAR demonstrated that their wartime suffering created a transcendent bond comradeship that overcame even the most pernicious social barrier race based separation By upholding a more inclusive memory of a war fought for liberty as well as union the GAR s Won Cause challenged the Lost Cause version of Civil War memory

The Civil War Naval Encyclopedia Spencer C. Tucker,2010-12-09 Long overlooked in favor of land engagements this is the first encyclopedia to analyze the naval aspects of the American Civil War The brilliance of both sides secretaries of the navy Stephen Mallory and Gideon Welles The Dahlgren guns of the Union forces and the Brooke guns that were essential in battles

involving ironclad ships The significant contributions of African Americans in the ship crews of the U S Navy during the Civil War These are examples of the fascinating details contained in The Civil War Naval Encyclopedia that provide readers with a complete understanding of the naval aspects of the American Civil War The entries in this sweeping text provide comprehensive treatment of overall strategies on each side the role of diplomacy leading naval officers and other personalities battles and important engagements ship types well known individual warships naval ordnance and weapons systems and new developments such as mines and submarines Topics such as shipboard life major waterways prominent seaports and the role of logistics in determining the outcome of the war are also covered

Enduring Controversies in Military History Spencer C. Tucker, 2017-09-21 This provocative examination of major controversies in military history enables readers to learn how scholars approach controversial topics and provides a model for students in the study and discussion of other historical events Why did Alexander the Great's empire fall apart so soon after his death How did France win the Hundred Years War despite England winning its major battles Was slavery the primary cause of the American Civil War Would it have benefited the Allies militarily to have gone to war against Germany in 1938 rather than in 1939 Should women be allowed to serve in combat positions in the U S military All of these questions and many other historical controversies are addressed in this thought provoking reference book By exploring every angle of some of the most contentious debates involving military history this book builds students critical thinking skills by supplying a complete background of the controversial topic to provide context and also by providing multiple perspective essays written by top scholars in the field The perspective essays present arguments for different positions on the controversy Readers will consider the cases for and against whether Hannibal should have marched on Rome after his momentous victory at Cannae whether the United States was justified in using the atomic bomb in Japan whether Adolf Hitler was primarily responsible for the Holocaust and whether torturing prisoners during the War on Terror is warranted among many other historical military debates

The Oxford Handbook of the American Civil War Lorie Foote, Earl J. Hess, 2021-10-12 The Oxford Handbook of the American Civil War offers a wide ranging multi perspective account of how military campaigns disrupted lives and changed the social and political history of America It is the first book to combine campaign histories with an understanding of how those military operations affected the local population the regions in which they occurred and the national strategic political context

New Men John A. Casey, 2015-04-01 Scholars of the Civil War era have commonly assumed that veterans of the Union and Confederate armies effortlessly melted back into society and that they adjusted to the demands of peacetime with little or no difficulty Yet the path these soldiers followed on the road to reintegration was far more tangled New Men unravels the narrative of veteran reentry into civilian life and exposes the growing gap between how former soldiers saw themselves and the representations of them created by late nineteenth century American society In the early years following the Civil War the concept of the veteran functioned as a marker for what was assumed by soldiers and

civilians alike to be a temporary social status that ended definitively with army demobilization and the successful attainment of civilian employment But in later postwar years this term was reconceptualized as a new identity that is still influential today It came to be understood that former soldiers had crossed a threshold through their experience in the war and they would never be the same They had become new men Uncovering the tension between veterans and civilians in the postwar era adds a new dimension to our understanding of the legacy of the Civil War Reconstruction involved more than simply the road to reunion and its attendant conflicts over race relations in the United States It also pointed toward the frustrating search for a proper metaphor to explain what soldiers had endured A provocative engagement with literary history and historiography New Men challenges the notion of the Civil War as unwritten and alters our conception of the classics of Civil War literature Organized chronologically and thematically New Men coherently blends an analysis of a wide variety of fictional and nonfictional narratives Writings are discussed in revelatory pairings that illustrate various aspects of veteran reintegration with a chapter dedicated to literature describing the reintegration experiences of African Americans in the Union Army New Men is at once essential reading for anyone who wants to understand the origins of our concept of the veteran and a book for our times It is an invitation to build on the rich lessons of the Civil War veterans experiences to develop scholarship in the area of veterans studies and to realize the dream of full social integration for soldiers returning home

If you ally dependence such a referred **Slaves Sailors Citizens African American** ebook that will come up with the money for you worth, get the certainly best seller from us currently from several preferred authors. If you want to droll books, lots of novels, tale, jokes, and more fictions collections are then launched, from best seller to one of the most current released.

You may not be perplexed to enjoy all books collections Slaves Sailors Citizens African American that we will entirely offer. It is not in relation to the costs. Its about what you infatuation currently. This Slaves Sailors Citizens African American, as one of the most practicing sellers here will extremely be along with the best options to review.
