Slaying The Dragon Mythmaking In The Biblical Tradition

Bernard Frank Batto

Slaying The Dragon Mythmaking In The Biblical Tradition:

Slaying the Dragon Bernard Frank Batto, 1992-01-01 Batto argues persuasively that biblical authors like other ancient Near Eastern authors used mythic traditions in composing their new syntheses His bold argument is impressive Richard J Clifford Professor of Old Testament Weston School of Theology Cambridge Massachusetts **Dictionary of the Old Testament: Pentateuch** T. Desmond Alexander, David W. Baker, 2002-12-13 Exploring the major themes and issues of the Pentateuch this encyclopedic work offers authoritative overviews detailed examinations and new insights from the world of the ancient Near East Edited by T Desmond Alexander and David W Baker *Creation in the Biblical Traditions* Richard J. Clifford SJ, John J. Collins, 2023-10-17 This book brings together a series of informative essays on the theme of Creation in various Biblical traditions They include Bernard Batto's Creation Theology in Genesis Robert Di Vito's The Demarcation of Divine and Human Realms in Genesis 2:1-11 Richard Clifford's Creation in Psalms James Crenshaw's When Form and Content Clash The Theology of Job 38:1-40:5 Gale Yee's The Theology of Creation in Proverbs 8:22-31 and Michael Kolarcik's Creation and Salvation in the Book of Wisdom **THE EVIL VERSES OF THE BIBLE AND WHY THE BIBLICAL GOD IS WORSE THAN HITLER** Maximilien de Lafayette, 2018-11-04 THE EVIL VERSES OF THE BIBLE AND WHY THE BIBLICAL GOD IS WORSE THAN HITLER The evil nature of Yahweh 5th Edition Revised and Expanded Published by Times Square Press New York The Evil And Bloody Nature Of Our Biblical God This is exactly the delicate fragile and controversial topic we will be exploring discussing and explaining in this treatise Jewish Christians Rabbis priests bishops missionaries vicars pastors reverends theologians preachers imams televangelists and your honorable religion's teacher don't want you to read this book *The Origin of Biblical Traditions* Albert T. Clay, 2007-05-01 Many scholars during the late nineteenth and early twentieth centuries argued that ancient Israel simply borrowed most of its culture and religion from Babylonia In this volume Clay counters that West Semitic cultures the Amorites were already a developed civilization before Israel came under Babylonian influence Writing a decade before the discoveries of Ugarit and Mari Clay noted that there were numerous clues to West Semitic cultures While some of his arguments and conclusion are no longer tenable this work retains its interest for its place in the discussion Without directly referring to Clay George Mendenhall affirms Clay's fundamental point in this volume from the MB Age on there was no region of the Levant that had not been influenced by the Amorite language and culture in various ways and various degrees Their cultural and linguistic influence was a lasting one that is gradually coming to light especially in the areas of religion and law The Amorites in Anchor Bible Dictionary **The 3 most evil, savage and deceptive inventions in history: God, the Bible and organized religions** Maximilien De Lafayette, 2016-05-22 Published by Times Square Press New York www.timessquarepress.com This book will change forever your perception of and belief in God the Bible and organized religions The arguments findings and conclusions are solely based upon the Old Testament Jewish Bible and what God Yahweh said about himself in the Bible word for word and what he did to children to the elderly to

women and innocent helpless people and nations according to the Bible Old Testament and the Torah and how God Yahweh negatively influenced the nature structure and logic of the Holy Scriptures the Torah the Talmud and the Mishnah arguments and findings we are presenting to you without personal interpretation and free from biased and subjective analyses What you are about to read in this book is directly taken from the Bible Old Testament and word for word

Egypt as a Monster in the Book of Ezekiel Safwat Marzouk, 2015-06-05 Appealing to Monster Theory and the ancient Near Eastern motif of Chaotkampf Safwat Marzouk argues that the paradoxical character of the category of the monster is what prompts the portrayal of Egypt as a monster in the book of Ezekiel While on the surface the monster seems to embody utter difference underlying its otherness there is a disturbing sameness Though the monster may be defeated and its body dismembered it is never completely annihilated Egypt is portrayed as a monster in the book of Ezekiel because Egypt represents the threat of religious assimilation Although initially the monstrosity of Egypt is constructed because of the shared elements of identity between Egypt and Israel the prophet flips this imagery of monster in order to embody Egypt as a monstrous Other In a combat myth YHWH defeats the monster and dismembers its body Despite its near annihilation Egypt in Ezekiel's rhetoric is not entirely obliterated Rather it is kept at bay hovering at the periphery questioning Israel's identity

A Comparative Study of the Literatures of Egypt, Palestine, and Mesopotamia T. Eric Peet, 2007-06-01 During the last hundred years scholarship has revealed the existence of two other eastern literatures which are not only as old as that of the Hebrews but very much older namely those of Egypt and Babylonia Although much of Babylonian literature is known to us mainly from the Assyrian versions found in Assurbanipal's library recent discoveries have shown that many of its best epic and lyric productions go back at least two thousand years further and have their roots in the Sumerian civilization In Egypt too religious literature is found in a highly developed state as early as the Pyramid Texts which in the form in which we have them are as old as 2500 B C and possibly go back in part to much earlier originals These discoveries make it no longer possible to regard the literature of the Hebrews as an isolated phenomenon in the ancient East and they furnish a host of new criteria which must be applied to any attempt to explain and to appraise the Old Testament from the Preface

Second Wave Intertextuality and the Hebrew Bible Marianne Grohmann, Hyun Chul Paul Kim, 2019-06-14 An innovative collection of inner biblical intertextual and intercontextual dialogues Essays from a diverse group of scholars offer new approaches to biblical intertextuality that examine the relationship between the Hebrew Bible art literature sociology and postcolonialism Eight essays in part 1 cover inner biblical intertextuality including studies of Genesis Judges and Qoheleth among others The eight postbiblical intertextuality essays in part 2 explore Bakhtinian and dialogical approaches intertextuality in the Dead Sea Scrolls canonical criticism reception history and BlackLivesMatter These essays on various genres and portions of the Hebrew Bible showcase how why and what intertextuality has been and presents possible potential directions for future research and application Features Diverse methods and cases of intertextuality Rich examples of hermeneutical theory and

interpretive applications Readings of biblical texts as mutual dialogues among the authors traditions themes contexts and lived worlds **Divine Conflict and the Divine Warrior** Scott C. Ryan, 2020-03-17 Scott C Ryan investigates divine conflict motifs in select Jewish literature and places the findings in dialogue with Paul s Letter to the Romans Paul emerges as a writer who participates in Jewish divine conflict traditions even as he modifies the motifs in light of the Christ event back cover

Decoding **Slaying The Dragon Mythmaking In The Biblical Tradition**: Revealing the Captivating Potential of Verbal Expression
