Taxing Choices Rebecca Johnson, 2002 In the early 1990s lawyer Beth Symes brought an equality challenge against the Canadian Income Tax Act arguing that her childcare costs were a business expense The case ignited public controversy Was Symes disadvantaged on the basis of gender or unfairly privileged on the basis of class This book seeks answers to those questions through close attention to the Symes case where class and gender interests clashed over the tax treatment of childcare It looks at the history of legislative and litigative struggles the dynamics of courtroom discourse and the influence of broad social debates about children and the public private divide It reveals how frequently the rhetoric of choice responsibility and selfishness is

invoked in response to women's attempts to place issues of childcare on the public agenda Taxing Choices will interest all those who seek to use the law as a tool of social justice but are troubled by the perils posed by competing interests and conflicts involving race class gender and ability *Courage and Calling* Gordon T. Smith, 2024-05-28 What is my calling How do I best live it out Will my vocation change In this third edition of his popular book Gordon Smith addresses these questions and more providing rich insight for all who long to courageously follow God's call This is your invitation to discover your calling by listening to God and becoming a coworker with him **Women Take Care** Katie Hogan, 2018-08-06 Self sacrificing mothers and forgiving wives caretaking lesbians and vigilant maternal surrogates these good women are all familiar figures in the visual and print culture relating to AIDS In a probing critique of that culture Katie Hogan demonstrates ways in which literary and popular works use the classic image of the nurturing female to render queer AIDS more acceptable while consigning women to conventional roles and reinforcing the idea that everyone with this disease is somehow suspect In times of crisis the figure of the idealized woman who is modest and selfless has repeatedly surfaced in Western culture as a balm and a source of comfort and as a means of mediating controversial issues Drawing on examples from journalism medical discourse fiction drama film television and documentaries Hogan describes how texts on AIDS reproduce this historically entrenched paradigm of sacrifice and care a paradigm that reinforces biases about race and sexuality Hogan believes that the growing nostalgia for women's traditional roles has deflected attention away from women's own health needs Throughout her book she depicts caretaking as a fundamental human obligation but one that currently falls primarily to those members of society with the least power Only by rejecting the stereotype of the good woman she says can Americans begin to view caretaking as the responsibility of the entire society **Yoga Journal** , 1998-11 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty What Women Want Next Susan Maushart, 2008-12-17 With all the choices available to today's women why don't they more feel fulfilled What Women Want Next is Susan Maushart's meditation by turns profound and laugh out loud funny on that central dilemma of postfeminist life At one point she had it all so why wasn't she happy With What Women Want Next Maushart combines research with personal history in a dynamic attempt to answer this question Feminism may have led women to life's banquet table but the meal they make of it is up to them How to balance life and work sex and sleep child care and self care And why has women's guilt that glass ceiling of the soul become the biggest barrier they face What Women Want Next is the first book to look at the spectrum of a woman's life and attempt to demonstrate how she can shape her own destiny throughout all its stages **Sister Circle** Sharon Harley, 2002 Sister Circle Black Women and Work is the end product of almost a decade's commitment made to each other by a small group of
