

# ***Sledge Hammer!***

A script reader for a production company wrote on their coverage: "One must seriously wonder about the state of mind of this writer."

Some saw Sledge as this goofy crimefighter, while others saw the series as a rebuke of law enforcement, but some agreed with Sledge and took him pretty seriously.

# Sledge Hammerunder The Gun

**John Frederick Smith**

## **Sledge Hammerunder The Gun:**

*Dirty Harry's America* Joe Street, 2018-03-01 Street provides a crucial critical and cultural service by not only studying Eastwood's individual films in sharp detail but also by providing a close and serious analysis of the cultural and historic times of the films. Sam B. Girgus, author of *Clint Eastwood's America*, by far the most comprehensive sustained and detailed discussion of the Dirty Harry phenomenon. A thorough and engaging account of how a fictitious renegade cop became an enduring icon of the angry conservative backlash that sought to halt 1960s liberalism in its tracks. Nick Heffernan, author of *Culture Environment and Ecopolitics*. Clint Eastwood's Dirty Harry became the prototype for a new kind of movie cop: an antihero in pursuit of his own vision of justice. The Dirty Harry series helped cement Eastwood and his character Harry Callahan as central figures in 1970s and 1980s Hollywood cinema. In *Dirty Harry's America*, Joe Street argues that the movies shed critical light on the culture and politics of the post-1960s era and locates San Francisco as the symbolic cultural battleground of the time. Across the entire series, conservative anger and moral outrage confront elitist liberalism and moral relativism. Paying particular attention to the films' representation of crime, family, and community, sexuality, and race, Street maintains that through referencing real events and political struggles, the films themselves became active participants in the culture wars. Unapologetic carrier of right and might, Harry Callahan becomes America's Ur conservative: unbending, moral, incorruptible, and most important, always right. Long after the series, Callahan's legacy remains strong in American political discourse, cinema, and pop culture, and he continues to shape Eastwood's later political and cinematic career. *Single Season Sitcoms of the 1980s* Bob Leszczak, 2016-05-31 As the cable TV industry exploded in the 1980s, offering viewers dozens of channels, an unprecedented number of series were produced. For every successful sitcom, *The Golden Girls*, *Family Ties*, *Newhart*, there were flops such as *Take Five* with George Segal, *Annie McGuire* with Mary Tyler Moore, *One Big Family* with Danny Thomas, and *Life with Lucy* starring Lucille Ball, proving that a big name does not a hit show make. Other short-lived series were springboards for future stars like *Day by Day*, *Julia*, *Louis Dreyfus*, *The Duck Factory*, *Jim Carrey*, *Raising Miranda*, *Bryan Cranston*, and *Square Pegs*, *Sarah Jessica Parker*. This book unearths many single-season sitcoms of the 80s, providing behind-the-scenes stories from cast members, guest stars, writers, producers, and directors. **Video Source Book** Gale Group, 1999-10-28 A guide to programs currently available on video in the areas of movies, entertainment, general interest, education, sports, recreation, fine arts, health, science, business, industry, children, juvenile, how-to, instruction. **The Video Source Book** David J. WEINER, 1990 *Field Gun Jack Versus The Boers* Tony Bridgland, 1997-09-05 War broke out in 1899 between the British and South African settlers of Dutch descent, the Boers or Afrikaners, as they are usually called today. Despite previous clashes, the British seriously underestimated their opponents. Although dressed in battered civilian clothes and made up entirely of volunteers, Boer troops were all mounted on horses and had very up-to-date German rifles. An even more unpleasant surprise than the mounted riflemen were the Boer artillery units. They were the only Boer troops to

wear uniforms were organized on a full time basis and were equipped with excellent German field pieces The British artillery soon found itself out gunned and out ranged Some British officers however were capable of adapting to the new conditions in South Africa Royal Naval vessels anchored off the Cape had powerful long range cannons It was decided to try bringing these guns ashore and mounting them on improvised carriages for field use Naval infantry brigades had served in some previous campaigns and proved capable of accompanying the army as gun crews their straw hats and naval leggings identifiable in many wartime photographs Although they were depicted in many wartime drawings and photographs no serious study of the naval artillery has ever been done Tony Bridgland has spent many years researching the topic and has produced a study of the technical problems involved in this unique operation as well as a colourful narrative of naval personnel pressed into hazardous service far from the sea

*Never a Straight Path* Frank Kolondra, 2004 No book takes both sides of the story as this one does with such a healthy conviction The story itself is unique It flows with uninterrupted zeal full of healthy satire and heartfelt drama A highly entertaining sequence of events covers the span of time years before the Second World War and up to the Korean War The main character referring to himself as Yours Truly and his grandmother live in the fairytale land of Silesia which at this time was split between Germany Poland and Czechoslovakia A long time ago it was governed by Queen Maria Theresa The Grandmother teaches the main character how to stay young in appearance physical condition and spirit and that the long sought Fountain of Youth is found by a simple wash in cold water with a little twist of time and place The world goes topsy turvy for Yours Truly who stumbles from one adventure to another with a battery of uncommon but distinctive stories and style The writer's sentence structure does imply his European background The entire story is a convocation of light prose and follows a honest path diverting only in cases of self defense Then those intent on harm better beware The author doesn't let the reader read about the innumerable hardships the way most novels are written and only on the last page does the hero achieve the happiness he deserves The uniqueness comes from the approach to the book The author lets the story alternate with the hardships and happiness with success making the story much more enjoyable until the story ends with a positive outcome Who wants to read a book where for 499 pages the hero gets beat up suffers unbelievable tortures and on the last page when by some unforeseeable luck the hero is victorious the book ends The highly informative and resourceful story is written for readers who care for the trials and tribulations of an individual who stumbles but always confronts the realities of life and finds his way The story is at once humorous then changes to dramatically desperate but always flows interestingly from one adventure to another as the scenario changes from one encounter to the next This book is not filled with incalculable crimes and murders but clings to hope for the Straight Path As life deals Yours Truly some serious blows he bends like a willow in a storm to come out on top World War II finds him in High School from the freedom of the old Czechoslovak Republic through the occupation by the medieval horse drawn Polish army to the attacks by the German Stuka bombers He spends the war on a German Kriegsmarine ship of war sailing from the Bay of Helgoland to

Norway's Arctic Circle He describes the seamy hovels of Hamburg's Reperbahn and the attacks of the English Spitfires on the warship with equal zeal His mandate is survival and he does live to tell about it After the war he returns home and finds his homeland changed beyond recognition He fights with the Czech youth by resisting the Communists indoctrination but the forces of the new ideology overpower him and many others with him He escapes the horrors of the socialist system by risking the crossing of mine fields the bullets of the border guards prison or outright deportation to the Gulags in Siberia The search for his soul and new life forces him to explore many countries He strives to find his place and even schemes with considerable luck until he finds his final destination This novel follows the life of the young man from childhood to young adulthood It is a very interesting story with numerous exciting adventures These take the reader from Europe to Brazil to the United States It can also be considered a social historical and political study as well as an adventure and search for an anchor where he can find safe heaven Many facets of European life and culture a *John Cassell's illustrated history of England. The text, to the reign of Edward I by J.F. Smith; and from that period by W. Howitt* Cassell, Ltd, 1865 The Unchained: Powerful Life Stories of Former Slaves Aphra Behn, Thomas Clarkson, Daniel Drayton, Louis Hughes, Austin Steward, Ida B.
