Alabama, One Big Front Porch Kathryn Tucker Windham, 2007-01-01 Many of Alabama's finest stories used to begin with a reference to the night the stars fell and even now there is an inclination among some residents to divide local history into two segments before the stars fell and after the stars fell That would make November 13 1833 the dividing line Thousands of Alabamians thinking the end of the world was at hand when they saw the heavenly spectacle fall to their knees to plead for mercy and forgiveness Others promised eternal renunciation of sin card playing dancing whiskey drinking cursing and associated vices if they were spared whatever catastrophes were in the offing Still others jumped upon horses and tried to outrace the fearful menace they believed was pursuing them

Preacher's Kill William W. Johnstone, J.A. Johnstone, 2017-12-26 The Preacher dispenses some American made justice in this avalanche of Western adventure from the national bestselling authors of the Sidewinders series A fur trapper by trade Preacher can smell a bad deal from any direction no matter how well it's disguised It wasn't always that way he's got the scars to prove it Now he's ready to pass on his deadly survival skills to a boy named Hawk who just might be his son Preacher and Hawk ride out of the Rockies and into St Louis loaded with furs It's Hawk's first trip to civilization and the moment he lays eyes on young Chessie Dayton he's lost in more ways than one When Chessie unwisely signs on for a gold hungry expedition into the lawless mountains Hawk convinces Preacher to trail the outfit because they're all headed straight to the sacred Indian grounds known as the Black Hills a land of no return To come out of it alive a lot of people will have to die And Preacher's going to need a heap of bullets for this journey into hell Praise for the novels of William W Johnstone A rousing two fisted saga of the growing American frontier Publishers Weekly on *Eyes of Eagles* There's plenty of gunplay and fast paced action as this old time hero proves again that a steady eye and quick reflexes are the keys to survival on the Western frontier Curled Up with a Good Book on *Dead Before Sundown*
