character of Lew Archer Macdonald redefined the private eye as a roving conscience who walks the treacherous frontier between criminal guilt and human sin **Eudora Welty and Mystery** Jacob Agner, Harriet Pollack, 2022-12-28

Contributions by Jacob Agner Sarah Gilbreath Ford Katie Berry Frye Michael Kreyling Andrew B Leiter Rebecca Mark Suzanne Marrs Tom Nolan Michael Pickard Harriet Pollack and Victoria Richard Eudora Welty's ingenious play with readers' expectations made her a cunning writer, a paramount modernist, a short story artist of the first rank and a remarkable literary innovator. In her signature puzzle texts she habitually engages with familiar genres and then delights readers with her transformations and nonfulfillment of conventions. *Eudora Welty and Mystery: Hidden in Plain Sight* reveals how often that play is with mystery, crime and detective fiction, genres popular fiction forms often condescended to in literary studies but unabashedly beloved by Welty throughout her lifetime. Put another way, Welty often creates her stories' secrets by both evoking and displacing crime fiction conventions. Instead of restoring order with a culminating reveal, her story puzzles characteristically allow mystery to linger and thicken. The mystery pursued becomes mystery elsewhere. The essays in this collection shift attention from narratives, characters and plots as they have previously been understood by unearthing enigmas hidden within those constructions. Some of these new readings continue Welty's investigation of hegemonic whiteness and southern narratives of race, outlining these in chalk as outright crime stories. Other essays show how Welty anticipated the regendering of the form, now so characteristic of contemporary women mystery writers. Her tender and widely ranging personal correspondence with the hard-boiled American crime writer Ross Macdonald is also discussed. Together, these essays make the case that across her career Eudora Welty was arguably one of the genre's greatest double agents and to apply the titles of Macdonald's novels to her inventiveness with the form, she is its underground woman, its unexpected sleeping beauty. **The Ivory Grin** Ross Macdonald, 2010-12-29

Traveling from sleazy motels to stately seaside manors, *The Ivory Grin* is one of Lew Archer's most violent and macabre cases ever. A hard-faced woman clad in a blue mink stole and dripping with diamonds hires Lew Archer to track down her former maid, who she claims has stolen her jewelry. Archer can tell he's being fed a line, but curiosity gets the better of him, and he accepts the case. He tracks the wayward maid to a ramshackle motel in a seedy run-down small town but finds her dead in her tiny room, with her throat slit from ear to ear. Archer digs deeper into the case and discovers a web of deceit and intrigue with crazed number runners from Detroit, gorgeous triple-crossing molls and a golden boy shipping heir who's gone mysteriously missing. *Hard-boiled Heretic* Mary

A HISTORY OF AMERICAN LITERATURE 1950 TO THE PRESENT Featuring works from notable authors as varied as Salinger and the Beats to Vonnegut, Capote, Morrison, Rich, Walker, Eggers and DeLillo. *A History of American Literature 1950 to the Present* offers a

comprehensive analysis of the wide range of literary works produced in the United States over the last six decades and a fascinating survey of the dramatic changes during America's transition from the innocence of the fifties to the harsh realities of the first decade of the new millennium. Author Linda Wagner Martin, a highly acclaimed authority on all facets of modern American literature, covers major works of drama, poetry, fiction, non-fiction, memoirs, and popular genres such as science fiction and detective novels. Viewing works produced during this fertile literary period from a wide-ranging perspective, Wagner Martin considers literature in relation to such issues as the politics of civil rights, feminism, sexual preferences, and race and gender-based marketing. She also places a special emphasis on works produced during the twenty-first century and writings influenced by recent historic events such as the 9/11 terrorist attacks, Hurricane Katrina, and the global financial crisis. With its careful balance of scholarly precision and accessibility, *A History of American Literature 1950 to the Present* provides readers of all levels with rich and revealing insights into the diversity of literary forms and influences that characterize postmodern America. A monumental distillation of an enormous range of material, Wagner Martin's rich book should be required reading for anyone grappling with making sense of the prolific broad spectrum and diverse writing in the US since 1950. Thadious M. Davis, University of Pennsylvania. Linda Wagner Martin's history impressively and judiciously surveys all fields of American writing over the past sixty years, taking full account of significant cultural and historical contexts and the major critical commentaries that have helped shape our understanding of developments in the second half of the last century and the dozen years following the millennium. Balanced, informative, and always highly readable, there is much here for general readers, students, and specialists alike. Christopher MacGowan, the College of William and Mary.
