Bon Jovi (Musical group)

Slippery When Wet:

Let It Rock Neil Daniels, 2014-05-26 This book is an unashamed celebration of the landmark album Slippery When Wet Bon Jovi's most successful album to date with sales of over 28 million copies since its 1986 release and one of the most toe tappingly gleeful albums to ever ring out from a pair of speakers Everyone knows the rock classics Livin' On A Prayer or You Give Love A Bad Name but there isn't a bum track on the record This is more than a making of type book because to put Slippery When Wet into context you need to understand what came before and after It is also a handy fans guide to the band's career with a track by track review current thoughts on the album from top rock writers plus bits and pieces that relate directly or indirectly to the legacy of a record which spent eight straight weeks at the top of the Billboard charts The band of course are still with us and released an album in the spring of 2013 along with tour dates which will heighten interest in the book Their fan base is seriously loyal Includes a foreword by former Kerrang journalist and rock expert Paul Suter and an afterword by A.R. Supremo Derek Shulman Simon Dupree And The Big Sound and Gentle Giant who had the foresight to sign the band *Soil Survey*, 1968 *What every woman and girl should know about herself* Rod Quentin, 1997 The book gives women and girls an abundance of knowledge and understanding about their bodies and sex The monthly menstrual cycle and how a woman can recognise her natural signs that tell her the few days when conception can happen and the numerous days in the month when conception is not possible are explained The book fills the need for better and fuller sex education

American Highway & Transportation Monthly, 1927 **Records & Briefs**, *It's Raining Uber* Jasmine Jean-Pierre, 2013-12-04 Rain or shine they will always be best friends and since one loves the rain and the other loves the sun the friends agree for one day that they will try to enjoy what the other loves to do most Cloudy Rain loves to do cartwheels backflips and splash puddles in the rain But not Rain Forrest he hates the rain He doesn't want to play in it nor go outside when it pours down from the highest clouds in the sky and he certainly doesn't want his soggy friend close by when he's been soaked by the rain Yet on any sunny day it's Rain Forrest whose brightness shines He doesn't want a shady old oak tree a big beach umbrella or creamy creams He simply wants to bake in the sun until he glows like Saturn because according to him the sun is the mother who tans me Cloudy Rain fulfills his part of the agreement While the best friends have many exciting and life changing adventures that will test just how strong their friendship really is Rain Forrest hasn't stepped up to fulfill his end of the agreement When the best friends are separated by one of their adventures and there's a possibility they will never reunite Rain Forrest steps up and he takes the biggest of leaps to search for his best friend **DeSmit v.
