K. Reeves, Sandra Leslie Peacock, 2001 A Region of Astonishing Beauty Roger L. Williams, 2003-05-07 As we approach the bicentennial of the Lewis and Clark Expedition in 2004 attention will inevitably turn to the nineteenth century explorers who risked life and limb to interpret the natural history of the American West Beginning with Meriwether Lewis and his discovery of the bitterroot the goal of most explorers was not merely to find an adequate route to the Pacific but also to comment on the state of the region s ecology and its suitability for agriculture and of course to collect plant specimens In this book Williams follows the trail of over a dozen explorers who botanized the Rocky Mountains

and who by the end of the nineteenth century became increasingly convinced that the flora of the American West was distinctive. The sheer wonder of discovery which is not lost on Williams or his subjects was best captured by botanist Edwin James in 1820 as he emerged above timberline in Colorado to come upon a region of astonishing beauty.

Black Robes Enter Coyote's World

Sally Thompson, 2024-12-05

Black Robes Enter Coyote's World brings to life the complicated history of Jesuit missionaries among Montana's Native peoples, a saga of encounter, accommodation, and resistance during the transformative decades of the mid to late nineteenth century. Sally Thompson tells the story of how Jesuit values played out in the lives of the Bitterroot Salish people. The famous Black Robe Jesuit Father Pierre Jean De Smet actually spent little time among his beloved Flatheads. Instead, he traveled extensively between the Pacific and the Rockies, mapping the pathways and noting the valuable resources. His popular writings helped spark the westward movement of white settlers. Thompson picks up the story of the Salish peoples and black-robed missionaries at a Potawatomi mission on the Missouri in 1839 and follows their intertwined experiences throughout the lifetime of Salish chief Charlo, who eventually cursed the day white immigrants came into his country. Chief Charlo attributed the missionaries' disconnected beliefs and exploitative actions to their status as orphans, rejected from their place of creation, as he had learned from the story of Eden. Despite Charlo's valiant efforts to protect his homeland, the Salish endured a forced removal from their beloved Bitterroot Valley to the Flathead Reservation in 1891. Charlo died in 1910, just before the massive giveaway of more than half of the Salish's treaty-guaranteed lands through implementation of the Allotment Act. Despite it all, his people endure. In this up-close account of the Bitterroot Salish people during the lifetime of Chief Charlo, Thompson examines the fundamental differences in the ways Euro-Americans and Native Americans related to land and nature.
