Passion for Truth Rev. Fr. Juan R. Velez, 2011-12 In *Passion for Truth* author and scholar Fr Juan R V lez painstakingly uncovers the life and work of Blessed John Henry Newman In the story of his early years his family upbringing and university education and through his vast correspondence with family friends and colleagues V lez acquaints us with Newman the loyal friend profound thinker prolific writer and holy priest A true Catholic gentleman who can be admired and loved by all who love the Truth Newman was a talented but timid young man who often doubted his own competence but was to become one of the most influential teachers and writers of the 19th Century Starting life as a devout and promising Anglican scholar he

finished the race a faithful and unwavering Catholic priest and Cardinal to the disappointment of some of his closest friends and the great joy of many others His prominent position as an Anglican clergyman and Oxford don made his long anticipated conversion the subject of great interest to many of his contemporaries and once he crossed over to Rome many Anglicans followed his lead His clarity of thought as a scholar was such as is hardly seen in contemporary society and was even growing rare in his own day A relentless pursuit of wisdom did not allow him to simply store away his knowledge but urged him to conform his life to what was true wherever and whenever he discovered it This passion for Truth did not always gain him friends but it ultimately gained him what he valued above all else a home in the True Church of Christ **Letters and**

Saint John Henry Newman, 1920 *The Dream of Gerontius* John Henry Newman, 1914 **Prayers, Verses, Devotions**

John Henry Newman, 2010-06-23 Introduction by Louis Bouyer A beautifully bound Bible paper volume of Newman's most profound devotional writings His meditations on the Litany of Loreto for the month of May and on the Stations of the Cross are already recognized as classics of Catholic spirituality And in his meditations on Christian doctrine Newman shows that the source of true piety is sound teaching His verses on various occasions are profoundly inspiring as are the spiritual hymns and canticles which distill the wisdom of the incomparable Newman In addition also included are the devotions of Bishop Lancelot Andrewes translated by Newman himself and used by him as the primary source of his own spiritual life Louis Bouyer the greatest living Newman scholar says of these Newman quite believed that in these exercises of Andrewes he had discovered that form of prayer which springs directly from the word of God and leads to a life fully lived in Christ Not only as a priest but later on as a cardinal of the Roman church he would keep the *Preces privatae* on his kneeler for his daily preparation and thanksgiving before and after Mass and for his most personal meditations [The Dream of Gerontius and](#)
