

The background of the entire image is a deep space scene. It features a dense field of small, distant stars. Overlaid on this are several long, thin, and wispy filaments of reddish-pink gas or dust, which appear to be part of a larger cosmic structure. In the lower right quadrant, there are a few more prominent, bright blue star clusters or nebulae. The overall color palette is dominated by the black of space, the reds of the filaments, and the blues of the star clusters.
