Chaudhari, 2009-07-30 Wireless sensor networks are set to play a key role in a wide range of civilian and military applications with tiny sensors connected through wireless links performing various sensing computing communication and control tasks in highly distributed systems This book presents a critical element in the deployment of wireless sensor networks the process of synchronization It summarizes the most important clock synchronization protocols proposed for wireless sensor networks with special emphasis placed on deriving efficient clock offset estimation schemes and performance benchmarks Graduate students of electrical and computer engineering and computer science will find this a valuable resource as will engineers who are interested in designing efficient clock synchronization algorithms and improving the performance of existing synchronization protocols Counter-Terrorism for Emergency Responders Robert A. Burke, 2017-10-31 Using the authors many years of experience in emergency services and his skills as a hazardous materials consultant prepares the first responder to handle everything from re establishing control and on scene triage to investigating the crime Including information on pre incident and avoidance tactics the author also discusses monitoring and detection techniques protective equipment and decontamination and an extensive list of resource organizations and training opportunities This up to date 3rd edition is written to provide

concise information for emergency responders who might be called upon to confront explosive chemical nuclear biological or incendiary acts of terrorism

Bodies in the Making Nancy N. Chen, 2006 In the twenty first century the body is experienced less as a fixed entity than it is as a protean product and a project of technological medical and artistic invention The essays in *Bodies in the Making* Transgressions and Transformations address the proliferation of such transformative practices as tattooing piercing self cutting cosmetic and transsexual surgery prosthetics organ transplants and life extension technologies Establishing links among these varied practices the contributors illuminate the dramatic and widespread changes that have taken place across generations in attitudes towards the relation of the body to the mind to agency and to subjectivity *Bodies in the Making* also addresses a paradox that has shaped recent body modification debates Although physical transformations are usually experienced as self expressive and liberatory they are frequently understood to be socially determined economically driven and culturally enmeshed Contributors to the volume engage this contradiction directly exploring ways in which diverse body practices are capable of subverting power while also at times reinscribing it

Gun Control Legislation William J. Krouse, 2010 Congress has continued to debate the efficacy and constitutionality of federal regulation of firearms and ammunition with strong advocates arguing for and against greater gun control Past legislative proposals have raised the following questions What restrictions on firearms are permissible under the Constitution Does gun control help reduce violent crime Would household street corner and schoolyard disputes be less lethal if firearms were more difficult to acquire Or would more restrictive gun control policies diminish an individual's ability to defend himself Speaking to these questions either in whole or part on June 26 2008 the Supreme Court issued its decision in *District of Columbia v Heller* and found that the District of Columbia DC handgun ban violated an individual's right under the Second Amendment to possess lawfully a firearm in his home for self defense In the 110th Congress pro gun Members of the House of Representatives who were dissatisfied with the District's response to the *Heller* decision passed a bill that would have further overturned provisions of the District's gun laws In the 111th Congress pro gun Members of the Senate amended the DC voting rights bill S 160 with language similar to the House bill described above and passed that bill on February 26 2009 Although the House leadership attempted to negotiate an end to the impasse over the District's gun laws and bring its version of the DC voting rights bill H R 157 to the floor this proposal has been tabled for the time being
