## So Long Grandpa:

Grandpa's Backstory Larry Taliaferro, 2015-05-18 After facing the realization I was going to become a grandfather to a great little boy it seemed important to tell him something about his family history that occurred before he was born With as busy as he is now in college it may be awhile before he slows down long enough to inquire I simply started at the beginning with the first memory I ever had and chronicled many of the meaningful things in my life as I remembered them I documented grade school high school and college experiences I then moved on to my time in the military and in the working world all the while starting a family with a special woman Trudy my wife of nearly forty seven years The highlights in my life get a treatment including my travels and the events that affected me deeply enough to shape my thinking because I also share my many opinions Here then is Grandpa's Backstory Because Somebody Might Need to Know **Christian Register and Boston Observer...** ,1898 **Grandpa's Book** Frank Beck, 2014-05-23 This book was written for my Grandchildren but may be of general interest It describes the experiences of a child refugee and his education and subsequent integration in society as a husband and father with a career Friends Intelligencer ,1865 **The Toynbee Convector** Ray Bradbury, 2019-07-30 From one of science fiction's grand masters Library Journal a new reissue of Ray Bradbury's The Toynbee Convector a collection of twenty two stories including the continuing saga of H G Wells time traveler and his Toynbee Convector a ghost on the Orient Express and a bored man who creates his own genuine Egyptian mummy The world's only time traveler finally reveals his secret An old man's memory of World War I conjures ghostly parachutists An Egyptian mummy turns up in an Illinois cornfield A lonely Martian prepares to face his doom From the iconic author of Fahrenheit 451 Something Wicked This Way Comes The Martian Chronicles and The Illustrated Man The Toynbee Convector is a true cause for celebration The twenty two classic tales in this special Ray Bradbury collection begin in the familiar rooms and landscapes of our lives in common thoughts and memories and then take off into the farthest reaches of the imagination The fiction creates the truth in this lovely exercise in utopian dreaming Publishers Weekly stunning stories that could only come from the brilliant mind of Ray Bradbury Grandpa's Angry Chickens Jay Hodge, 2024-12-18 Parenting can only be described as an endless adventure but in reality it is so much more Whether you are raising young toddlers teenagers or those on the brink of adulting parenting can be terrifying overwhelming and yes even exhausting at times Every stage of their growth and development becomes a new journey Each time we think we have it figured out they grow up a little more We are left feeling unprepared lost and out of date like a stubby armed tyrannosaurus rex trapped in a world filled with push button start cars and touch screen cell phones As strange as it sounds this is actually one of the best parts of being a parent We don't really know what we are getting into and there are no all inclusive instruction manuals available to download on Audible.com and listen to in our cars on the way to work While nobody gets a gold medal for it being a good parent will be one of our greatest accomplishments as we someday quietly reflect on the ultimate meaning of our short lives Join Jay as he

takes you back through the years on a journey filled with wonder humor and insight maybe even to those places in your own childhood that have been long forgotten Grandpa s Angry Chickens is a wonderful and enjoyable resource for parents and grandparents of all ages Jay does a masterful job of helping us recall those distant days with our parents and grandparents when the world was an endless open book just waiting to be written in the ink of imagination skinned knees tree climbing and sometimes a little mischief Jay then helps us recognize the lessons hidden inside those moments that enable us to enrich the lives of our kids and grandkids I highly recommend this touching and emotional book to parents grandparents aunts uncles and special friends Stephen D Williford Author *Grandpa's Little Girls' House-boat Party* Alice Turner Curtis,1923

**Christian Advocate** ,1897      **The Best of Two Lives** Doris R. Ayyoub,2016-09-12 The Best of Two Lives is a love story as well as family history It is shaped as a journey beginning with the cultural foundations of Jordan and the United States Weaving threads of family stories Doris introduces us to compelling characters and describes ways of life that might be forgotten if not for projects such as this Ibrahim s early years are detailed as he lived in a mixed Muslim Christian community in Jordan and Doris tells of growing up as a small town conservative Christian in Oregon One of the fundamental messages is that despite superficial differences at the root Arab lives and concerns in the Middle East are relatable just as those of Americans in the United States Doris never shrinks from showing negative attributes that she couldn t be blamed for wanting to hide and that differentiates her book from a purely family history There s something here to help us see our own families more clearly and honestly and to understand them with compassion      Grandpa's Beard Has Disappeared Diana Levine,2008-06-17 A special man in my life had a beard One day it was gone This inspired me to write the poem Grandpa s Beard Has Disappeared This in turn grew into this collection of stories and poems for children All are biographic or autobiographic      My Grandpa's Secret Gracie Jayne,2021-07-14 My Grandpa s Secret is a piercing memoir of innocence shattered and resilience reclaimed Told through the eyes of a young girl with an old soul this is the story of a home that wore the mask of family but held the weight of a thousand unspoken screams In a world where silence was survival and love was weaponized Gracie became the protector of her brothers the keeper of secrets and the witness to the darkness no child should ever face But within the ache there is defiance Within the ruin a seed of hope My Grandpa s Secret is not just a story of what was taken it s a revelation of what could never be stolen her voice      **Where Grandpa's Been...** Dr. Donald Huard,2015-04-15 As a 115 lb teenager drafted into the United States Army during the Korean conflict Donald Huard was laughed at taunted and bullied by other recruits He met his military responsibilities effectively however facing the potential for a military court martial during one tour of duty before his honorable discharge in 1954 His is an interesting soldier s story Determined to get a college education Don used his G I Bill to get his associate s and bachelor s degrees Then with the firm support of his wife and four children over a very long period of seventeen years he managed to meet the requirements for his master s and Ph D degrees in psychology with minors in criminology and business His is a very successful story of constructive determination How does one recover at the age of 50 as the loving father of four teenagers grieving the loss of their mother How does he rebuild his own life following such sadness Eventually Don met and married Margie the wonderful lady who enabled him to live again Theirs is an interesting story of true love In his early eighties now Dr Huard tells his story in this his own personal autobiography written slowly over the last 25 years      Grandpa's Adventures Veda Taylor Strong,2005-04-04 This novel is based on fact Though it is based on fact this novel uses fictional events places and characters Parts of the novel are humorous while other parts are exciting and interesting I am attempting to follow the lives of my father s parents John and Elizabeth Taylor from the time of the Civil War their marriage their lives and adventures in different

states their travels across the country by wagon train and their lives in Tacoma Washington My dear aunt told me stories many years ago Some I remember and some I remember only parts of She was a very young girl at the time and experienced many of these things I learned many things by asking questions When relatives and people learned that I was interested in writing a book of this nature they came forward with letters and stories of their own that I was able to use Grandpa John was a tailor and made his living this way Later in years he became fascinated with the railroads and became an engineer I found this book to be fascinating to write and wishing that I could have been there and lived in such times before the machine revolution changed the world      **Christian Treasury** ,1860      *The Christian Treasury* ,1860
