*The Faith Journey Series* Robin D. D. Holstein,2017-08-09 There is no pit deep enough where God cannot reach you snatch you out plant your feet back on solid ground and redirect your steps back into His loving care Robin thought there was such a pit and that she had certainly found it Falling headfirst to the bottom of the pit of sin driven by the deep wounds of betrayal and her sudden onset of rebellion she thought she had fallen far past the grips of her Heavenly Father Riding bulls and battling a brain tumor paled in comparison to the upcoming battles Robin would soon face while in

the pit Those trials did little to prepare her for the evasive subtle enemy awaiting her lurking in the dark shadows of her deep despair planning her demise and threatening to destroy her testimony her future and even her life The strength she would need to face the battles ahead were no match for what little strength she had on her own It would be not by her own might or power but only through the grace of God His unfailing love and mercy and the power of the sweet Holy Spirit working through her that she could face endure and overcome the battles that lie ahead and the enemy that was determined to destroy her Tim spends his lonely days abiding in the supernatural love and care of Almighty God while it took chastening through harsher circumstances for God to get Robin to turn away from her prodigal living and back to Him God s unfailing love and relentless pursuit of one of His own finally wins out in the end proving that not even the most heinous acts that any of His children can commit can thrust them outside of His loving reach and tender mercies Only then could God unite the two broken hearts for His divine plan

**The Justified Tight B\*\*\*\*rd's Guide to Life** P.J. Moore, 2014-05-28 The Justified Tight B rd s Guide to Life is a book of down to earth no nonsense everyday financial advice written and presented with curmudgeonly black humour in the style of Victor Meldrew from One Foot in the Grave Taking a lateral and

critically reflective look at some of our modern consumer and lifestyle choices it aims to provide all readers regardless of income with the key to modest financial wellbeing The book challenges the arguments of those who claim that we are on the brink of a financial abyss akin to the great 1930s depression P J suggests that for all our difficulties we all have enough money either from employment or social welfare to live at the very least in modest comfort P J examines some of our perceived financial woes from an holistic rather than a purely economic viewpoint and demonstrates how these problems may be dealt with by a simple shift in perspective The book also suggests that many purchases we make every day are not only unnecessary but actually counterproductive or damaging in some way therefore offering the reader a justified reason for not purchasing many of the items we often consider to be essential The Justified Tight Budget's Guide to Life is presented in four separate sections containing over 300 points Each point is a self contained money saving tip linked to the others in the section Dispensing with political correctness and urging a return to independent thinking the book challenges the population to take an honest rounded responsible and wholesome approach to the problems they encounter and how they resolve them The book will be of help to anyone who would like to cut their expenses or household outgoings It is also a self help book that challenges the reader to ask themselves what they really want from life and what their priorities are It should spark critical reflection of our spending habits in all
