*Good Every Day* Mikael Von Matérn, 2015-03-19 After a few hectic but wonderful years I woke up in a hospital close to my hometown in Sweden What had happened Only yesterday I felt like a champion Maybe it was my eagerness to explore the world around me that had put me here Or maybe it was my fear of missing out on some potentially rewarding experience Maybe I had been just a little bit too eager trying to make my dreams come true or could my brush with death simply be a case of bad luck There was a severe inflammation in my brain which at times made it hard for me even to recognize my loved ones To me questions like 2 + 2 seemed more fitting for a rocket scientist The doctors were deeply concerned and told me that my prognosis was very uncertain Things certainly looked bleak but surviving this whole ordeal was still in the cards At the time it made more sense to me to simply see my situation as a case of bad luck Nonetheless six months later and completely recovered I realized that this was the result of something completely different My love for life and my desire to experience as much as possible had blocked my inner signals It was like an inner voice telling me to Relax Don't try to do everything at once Stop and smell the roses Unfortunately I ignored this worried voice that was trying to look out for me As I took my first stumbling steps leaving the hospital I can still clearly remember how alert my senses truly were Children's laughter made me feel all warm inside The simple beauty of the sky shifting color made me stop all of a sudden in awe Smelling the first spring flowers gave me goose bumps The taste of fresh air being sucked into my lungs made me feel deeply relaxed and the sensation of once again experiencing life made me somewhat euphoric I was completely present in the moment and my senses were sharper than ever before This was the beginning of a new journey for me I started to examine exactly what is needed to create the best possible conditions for feeling good and how we are to create the best possible lives for ourselves Eight years later I have now compiled my research and theories in this book My research has led me to conclude that it is possible for each and every one of us to feel good every day throughout our whole lives [The Wild Soccer Bunch Collection - 5 Books Set](#) Joachim Masannek , 2014-12 All five books in the bestselling The Wild Soccer Bunch series are now available together for the first time Included are Book 1 Kevin the Star Striker Book 2 Diego the Tornado Book 3 Zoe the Fearless Book 4 Julian the Mighty and Book 5 Max the Golden Boot Book 1 Kevin the Star Striker Kevin and his friends challenge the Unbeatables in the biggest game of their lives Book 2 Diego the Tornado Diego turns the Wild Soccer Bunch into a club team and challenges the Furies the best team in the state to a game Book 3 Zoe the Fearless Zoe wants to be the first girl to ever play on the U S Men's National Soccer Team But first she challenges the Wild Soccer Bunch Book 4 Julian the Mighty Julian the all in one defender is looking for his dad who left home years ago What happens next tests Julian's character and the resolve and friendship of the Wild Soccer Bunch Book 5 Max the Golden Boot Max an amazing striker is the new player on the team A power struggle ensues and threatens to break up and destroy the Wild Soccer Bunch who are on the top of their game *Soccer's Dynamic Short-sided Games* Andy Caruso, Caruso, 1997 The ultimate competitive games approach The favorite small sided games of some of the nation's top coaches These games give players practical insights into attack

### **The Black Man in Brazilian Soccer** Mario

Filho, 2021-02-10 At turns lyrical ironic and sympathetic Mario Filho's chronicle of the beautiful game is a classic of Brazilian sports writing Filho 1908-1966 a famous Brazilian journalist after whom Rio's Maracan stadium is officially named tells the Brazilian soccer story as a boundary busting one of race relations popular culture and national identity Now in English for the first time the book highlights national debates about the inclusion of African descended people in the body politic and situates early black footballers as key creators of Brazilian culture When first introduced to Brazil by British expatriots at the end of the nineteenth century the game was reserved for elites excluding poor working class and black Brazilians Filho drawing on lively in depth interviews with coaches players and fans points to the 1920s and 1930s as watershed decades when the gates cracked open The poor players and players of color entered the game despite virulent discrimination By the mid 1960s Brazil had established itself as a global soccer powerhouse winning two World Cups with the help of star Afro Brazilians such as Pelé and Garrincha As a story of sport and racism in the world's most popular sport this book could not be more relevant today

The Wild Soccer Bunch, Book 5, Max the Golden Boot Joachim Masannek, 2014-05-15 The championship game pits Max the Golden Boot and his team against the Wild Soccer Bunch Max is so hooked by their attacking game that he dreams of being one of them Although he is an amazing player Danny and Kevin don't want him on the team A power struggle ensues and threatens to break up and destroy the Wild Soccer Bunch who are on the top of their game
