The Killeen:

Killeen Annette S. Lucksinger, Gerald D. Skidmore Sr., Gerald D. Skidmore, 2013 The story of Killeen is aptly called a tale of two cities Killeen was founded on May 15 1882 when the first Gulf Colorado Santa Fe Railway Company GC SF locomotive arrived from east Bell County The original town contained 360 acres purchased from Susan Spofford for 960 GC SF honored its assistant general manager Frank Patrick Killeen by naming the new town for him although he probably never visited his namesake During its first 60 years Killeen developed into a busy agricultural center specializing in cotton and wool It remained a town of approximately 1 200 until 1942 when a tank destroyer center was opened nearby and became Killeen s close neighbor physically economically and socially displacing farms and ranches and converting the town from an agricultural to a military based economy That conversion and Killeen s boomtown future were sealed in 1950 when Camp Hood the tank destroyer center named for Confederate general John Bell Hood became a permanent military installation and was renamed Fort Hood New Perspectives on the Old Red Sandstone Geological Society of London, 2000 *Historic Killeen* Gerald D.
