The Kindness Of Healing:

The Healing Power of Kindness Kenneth Wapnick, 2004-10-01 The idea for this book originated with a talk given at the end of a week long class on sickness and healing at our Center The teaching staff was struck by the paradox of students on the one hand spending a week discussing healing in terms of forgiveness and undoing separation and on the other fervently practicing judgment and condemnation of each other directly opposite to the kind gentle tone of Jesus words in A Course in Miracles This talk thus was devoted to the kindness of healing in hopes of reinforcing Jesus message of undoing separation Kindness reflects our inherent oneness with each other while attack drives us still further apart in our awareness In reviewing the principles of sickness and healing and some common misapplications the discussion in this book helps us undo the sources of unkindness so that in all our interactions we would reflect the Source of kindness It is hoped that this little book will serve to remind us all of the need to be kind the spiritual principle par excellence Kindness created me kind

The Healing Power of Kindness Jean Maalouf, 2003-09 Each of us has the power to make the world a better place with simple acts of kindness The author shows how we all benefit from kindness and how it draws us closer to God and to one another Contrary to the popular belief that kindness is weakness kindness is a true strength precisely because it is a manifestation of God's love in us The nurturing and healing power of kindness is an ideal antidote for today's often restless and violent world
