The Holy Bible Covenant Christian Coalition, 2020-02-02

THE LSV IS FINALLY HERE! A BRAND NEW LITERAL EASY TO READ TRANSLATION OF THE COMPLETE HOLY BIBLE BOTH OLD AND NEW TESTAMENTS. This is the first edition of the LSV available for Google Play. The LSV is published by Covenant Press, the publishing arm of the Covenant Christian Coalition. A modern literal word for word formal equivalence English translation of the Holy Scriptures utilizing English word rearrangement when necessitated for readability. The LSV is the most literal translation of The Holy Bible with significant improvement over previous literal translations including Robert Young's excellent Young's Literal Translation. Preservation of verb tenses wherever possible. Utilization of the transliterated Tetragrammaton in the Old Testament. All uppercase LORD is used in the New Testament when a reference to YHWH is likely. Removal of many Hebrew and Greek transliterations; remember transliterations are generally not translations. Unlike most translations, justified typographic alignment consistent with the style of the original Hebrew, Aramaic, and Greek biblical autographs. The ancient caesura mark is used for easy readability of poetic literature such as the Psalms. Inclusion of the verses found in older English translations such as the King James Version KJV that are not found in many modern translations and inclusion of the alternative LXX Genesis chronology set next to the MT. These are contained within bolded double brackets for distinction. Capitalized pronouns and other nounal forms when referring to God, Christ, or the Holy Spirit. References to the Messenger of the LORD are also capitalized when the subject appears to be a clear reference to God or the Messiah as found in translations such as the NKJV. The goal of any good translation is to produce a readable text that preserves the original autographic meaning and comes as close as possible to translating word for word manuscripts that accurately represent the original writings. It's with this goal in mind that the Literal Standard Version LSV was written: a modern yet literal English translation based upon the most prolific texts: the Masoretic Text MT for the Old Testament and the Textus Receptus TR and Majority Text M for the New. However, in certain specific instances, other manuscript versions and text types are used where the evidence seems incontrovertible, e.g., the LXX and DSS in the Hebrew and Aramaic, the Alexandrian in the Greek. ANOTHER TRANSLATION WHY? There have been a slew of

new English translations in the past half century which may cause some to wonder why the need for another The translators agree with the premise that different translations can serve different demographics and different reading levels to maximize exposure to God's word In this sense the LSV is not a competitor to other excellent translations but is complimentary As the most literal modern English translation the LSV is an excellent resource for deep and thoughtful Bible study and research essentially an interlinear in terms of word for word translation but arranged with English sentence structure

The Good News of the Return of the King Michael T. Jahosky, 2020-09-15 Although many people today reject Christianity for intellectual reasons greater numbers of people are rejecting Christianity because it does not engage their imagination Christians must not only demonstrate that the Christian worldview is true but that it is also good beautiful and relevant The Good News of the Return of the King The Gospel in Middle earth is a book that endeavors to show the truth goodness and beauty of Jesus Christ the gospel and the biblical metanarrative by engaging the imagination through J R R Tolkien's The Lord of the Rings as well as The Hobbit and The Silmarillion In this book I propose that J R R Tolkien's The Lord of the Rings is a story about what Jesus parables are about the good news about the return of the king As a work of imaginative fiction similar to Jesus parables The Lord of the Rings can bypass both intellectual and imaginative objections to the gospel and pull back the veil of familiarity that obscures the gospel for many
