The Kings And Their Hawks Falconry In Medieval England:

The Kings and Their Hawks Robin S. Oggins, 2004-01-01 Perhaps the equivalent of polo playing today the sport of falconry was the preserve of the wealthy and royalty regarded as both a suitable and enjoyable leisure activity and as a source of status and prestige

The English Kings and Their Hawks Robin Simon Oggins, 1967 *The Kings and Their Hawks* Robin S. Oggins, 2004-01-01 Hunting with birds of prey was a popular sport in medieval England in both the royal household amongst the nobility who had the money to afford to retain falconers buy the birds This book offers a detailed history of royal falconry from the 11th to the 14th century

The Art of Medieval Falconry Yannis Hadjinicolaou, 2024-08-12 A beautifully illustrated tour of the visual culture of medieval falconry in Europe and beyond Medieval falconry was not just about hunting the practice also signified sovereignty power and diplomacy In *The Art of Medieval Falconry* Yannis Hadjinicolaou describes the visual culture that sprang up around these practices tracking how imagery equipment and even the birds themselves moved through the medieval world Indeed Hadjinicolaou shows that falconry has been a global phenomenon since at least the thirteenth century This beautifully illustrated book offers a unique glimpse at how cultures across the globe adopted and adapted the visual culture of medieval falconry

Falconry and Game Hawking Corona Brezina, 2012-12-15 This book examines the resources required for using falconry in hunting wild game as well as how falconers must attend to a falcon's needs how to hunt and the sport's regulations and responsibilities

The Hawk of the Castle Danna Smith, 2017-04-11 A young girl and her father a medieval castle's falconer spend the day taking their goshawk out for a training flight introducing readers to the preparations and equipment used in the sport

The Archaeology of Wild Birds in Britain and Ireland Dale Serjeantson, 2023-06-29 *The Archaeology of Wild Birds in Britain and Ireland* tells the story of human engagement with birds from the end of the last Ice Age to about AD 1650 It is based on archaeological bird remains integrated with ethnography and the history of birds and avian biology In addition to their food value the book examines birds in ritual activities and their capture and role in falconry and as companion animals It is an essential guide for archaeologists and zooarchaeologists and will interest historians and naturalists concerned with the history and former distribution of birds

A Brief History of Britain 1066 - 1485 Nicholas Vincent, 2011-06-23 From the Battle of Hastings to the Battle of Bosworth Field Nicholas Vincent tells the story of how Britain was born When William Duke of Normandy killed King Harold and seized the throne of England England's language culture politics and law were transformed Over the next four hundred years under royal dynasties that looked principally to France for inspiration and ideas an English identity was born based in part upon struggle for control over the other parts of the British Isles Scotland Wales and Ireland in part upon rivalry with the kings of France From these struggles emerged English law and an English Parliament the English language English humour and England's first overseas empires In this thrilling and accessible account Nicholas Vincent not only tells the story of the rise and fall of dynasties but investigates the lives and obsessions of a host of lesser men and

women from archbishops to peasants and from soldiers to scholars upon whose enterprise the social and intellectual foundations of Englishness now rest This the first book in the four volume Brief History of Britain which brings together some of the leading historians to tell our nation s story from the Norman Conquest of 1066 to the present day Combining the latest research with accessible and entertaining story telling it is the ideal introduction for students and general readers

Humans and Other Animals in the Middle Ages Philip Line,2025-03-10 This sourcebook serves both as an introduction and a wide ranging reference work for human attitudes to nonhuman animals in Latin Europe during the Middle Ages Under twelve headings it includes numerous translated passages from Latin and vernacular texts that reflect human conceptions and uses of other animals during the period 300 1520 Theologians philosophers encyclopaedists bestiarists hagiographers chroniclers huntsmen and writers of agricultural manuals cookbooks and plague treatises all had something to say about the place of nonhuman animals in their world and their interaction with humans or simply recorded incidentally what they did in their writings All are represented here , *The Oxford Chaucer* Christopher Cannon,James Simpson,2025-10-02 This authoritative edition of the complete works of Geoffrey Chaucer presents Chaucer s works for a new generation of students and for a wide range of general readers It provides all that undergraduates and graduate students will need to understand and appreciate Chaucer in his original Middle English as well as an extensive scholarly apparatus A detailed introduction situates Chaucer s works in his life and culture and offers a guide on how to read and enjoy his language and verse forms The edition contains all of Chaucer s surviving poetry and prose edited using a coherent editorial practice that is explained to the reader detailed glosses on each line to aid reading literary introductions to each text extensive explanatory notes designed both to help the beginner with the text and to guide the scholar and textual introductions and notes to every text providing a detailed rationale and all of the empirical evidence for the editing practice by which the texts have been presented **Special Bibliography Series** United States Air Force Academy. Library,1990

Special Bibliography Series ,1957 **An Environmental History of the Middle Ages** John Aberth,2013 The Middle Ages was a critical and formative time for Western approaches to our natural surroundings eeAn Environmental History of the Middle Ages is a unique and unprecedented cultural survey of attitudes towards the environment during this period Humankind e tm s relationship with the environment shifted gradually over time from a predominantly adversarial approach to something more overtly collaborative until a series of ecological crises in the late Middle Ages With the advent of shattering events such as the Great Famine and the Black Death considered efflorescences of the climate downturn known as the Little Ice Age that is comparable to our present global warming predicament medieval people began to think of and relate to their natural environment in new and more nuanced ways They now were made to be acutely aware of the consequences of human impacts upon the environment anticipating the cyclical new ecology approach of the modern world Exploring the entire medieval period from 500 to 1500 and ranging across the whole of Europe from England and Spain to

the Baltic and Eastern Europe John Aberth focuses his study on three key areas the natural elements of air water and earth the forest and wild and domestic animals Through this multi faceted lens An Environmental History of the Middle Ages sheds fascinating new light on the medieval environmental mindset It will be essential reading for students scholars and all those interested in the Middle Ages

The Oxford Handbook of Anglo-Saxon Archaeology Helena Hamerow, David A. Hinton, Sally Crawford, 2011-03-31 Written by a team of experts and presenting the results of the most up to date research The Handbook of Anglo Saxon Archaeology will both stimulate and support further investigation into a society poised at the interface between prehistory and history

An Archaeological Study of the Bayeux Tapestry Trevor Rowley, 2016-12-19 An analysis of the famed medieval English tapestry through examination of the depicted landscapes towns castles and other structures An Archaeological Study of the Bayeux Tapestry provides a unique re examination of this famous piece of work through the historical geography and archaeology of the tapestry Trevor Rowley is the first author to have analyzed the tapestry through the landscapes buildings and structures shown such as towns and castles while comparing them to the landscapes buildings ruins and earthworks which can be seen today By comparing illustrated extracts from the tapestry to historical and contemporary illustrations maps and reconstructions Rowley is able to provide the reader with a unique visual setting against which they are able to place the events on the tapestry This approach allows Rowley to challenge a number of generally accepted assumptions regarding the location of several scenes in the tapestry most controversially suggesting that William may never have gone to Hastings at all Finally Rowley tackles the missing end of the tapestry suggesting the places and events which would have been depicted on this portion of William s journey to Westminster Praise for An Archaeological Study of the Bayeux Tapestry We all know what the Bayeux Tapestry celebrates in its iconic artwork but Trevor Rowley goes one step further and looks at the buildings and characters with a view actually identifying them Absolutely fascinating brings a whole new dimension to the study of this amazing artefact Books Monthly Rowley s arguments are copiously illustrated with details from the tapestry photographs and plans It results in very densely packed chapters well worth reading and you certainly will never look at that tea towel in the same way again Hexham Local History Society

Zöopedagogies Bonnie J. Erwin, 2018-12-07 The human protagonists of medieval romance are works in progress They are learners taught by an unexpected set of teachers non human animals including horses hawks lions and the various quarry of the hunt These creature teachers show humans how to be more perfectly human how to love fight survive and live according to medieval culture s highest ideals Z oopedagogies explores the pedagogical role of animals in medieval romance a genre whose fantastical elements enable animal characters to behave in ways inspired by but not limited to their real world actions Situated at the intersection of animal studies and medieval studies Z oopedagogies claims medieval roots for posthumanism by telling a new story about the role of animals in constructing Western culture Bonnie Erwin brings together a diverse array of texts including chivalric romances like Sir Gawain and the Green Knight and popular romances like Bevis of Hampton and

Richard Coer de Lyon She puts these into conversation with medieval texts on natural science horsemanship hawking and hunting that inform the representation of creatures who teach In so doing she reveals a rich and nuanced sense of animals as participants in interspecies collaborative culture making

Reengaging History Paul Maurice Clogan, 2005 Since its founding in 1943 *Medievalia et Humanistica* has won worldwide recognition as the first scholarly publication in America to devote itself entirely to medieval and Renaissance studies Since 1970 a new series sponsored by the Modern Language Association of America and edited by an international board of distinguished scholars and critics has published interdisciplinary articles In yearly hardbound volumes the new series publishes significant scholarship criticism and reviews treating all facets of medieval and Renaissance culture history art literature music science law economics and philosophy Volume thirty one in the new series contains six original and refereed articles that represent a reengagement with history They focus on a variety of topics ranging from reception theory in Andreas Capellanus and the ideal sovereign in Christine de Pizan to peasant rebel leaders in late medieval and early modern Europe Don Monson's article makes good usage of Jauss's reception theory and analyzes the third Dialogue of Book I Chapter 6 of *De Amore* in a thorough and intelligent way Important aspects of the relationship between scientific Latin treatises and Provençal courtly poetry are neatly demonstrated Karen Gross examines structural and thematic resemblances between the *Aeneid* and *De Casibus* arguing that Anchises' pageant of future Roman worthies *Aen VI* is connected to the frame structure of *De casibus* The author is interested in global similarities not local verbal echoes and believes that the structure resonances have implications for how Boccaccio understood the interaction between history and poetry between the living and the dead Especially thought provoking and original are the discussion of the motif of father son piety and commemoration and the contrast of Virgil's fortuna in Roman history and Boccaccio's in world history Daisy Delogu's article on Christine de Pizan is a timely one and also represents reengagement with history

A New Companion to Chaucer Peter Brown, 2019-03-19 The extensively revised and expanded version of the acclaimed *Companion to Chaucer* An essential text for both established scholars and those seeking to expand their knowledge of Chaucer studies *A New Companion to Chaucer* is an authoritative and up to date survey of Chaucer scholarship Rigorous yet accessible this book helps readers to identify current debates recognize historical and literary context and to understand how particular concepts and theories affect the interpretation of Chaucer's texts Chaucer specialists from around the globe offer contributions that range from updates of long standing scholarship on biography language women and social structures to original research in new areas such as ideology the afterlife patronage and sexuality In presenting conflicting perspectives and ideological differences this stimulating volume encourages readers to explore additional paths of inquiry and engage in lively and informed debate Each chapter of the *Companion* organized by issues and themes balances textual analysis and cultural context by grounding the reader in existing scholarship Key issues from specific passages are discussed with an annotated bibliography provided for reference and further reading Compiled

with all students of Chaucer in mind this important volume Presents contributions from both established and emerging specialists Explores the circumstances in which Chaucer wrote such as the political and religious issues of his time Includes numerous close readings of selected poems Provides points of entry to a wide range of approaches to Chaucer s works Incorporates original research fresh perspectives and updated additions to Chaucer scholarship A New Companion to Chaucer is a valuable and enduring resource for scholars teachers and students of medieval literature and medieval studies as well as the general reader interested in interpretations and historical contexts of Chaucer s writings The Cuckoo's Lea Michael J. Warren,2025-06-05 Birds have long inspired our emotional and imaginative connections to physical environments but where did it all begin Hidden in the names of English towns and villages in copses fields lanes and hills are the ghostly traces of birds conjuring powerful identities for people in ancient landscapes What are their stories and secrets How did people encounter birds over a thousand years ago In The Cuckoo s Lea Michael J Warren sets out on the trail of these ghosts Captivated and guided by the secrets of place names he finds their stories entangled with his own explorations of places through birds all across England The past is hauntingly and movingly present on timeless marshes where curlews cry where goshawks are breeding again for the first time in centuries through silent cuckoo woods lost under concrete sprawl in the winter roosts of corvids and an owl village that vanished centuries ago Weaving together early literature history and ornithology this book takes readers on a journey far into the past to contemplate the nature of place and to discover a fascinating heritage that matters deeply to us now when so many places and their birds are threatened or already gone
