The Kings Highway El Cannino Real Gods Highway To Peace And Happiness:

The King's Highway, El Camino Real Kenneth R. Guindon,1996 The King's Highway Kenneth R. Guindon,1996

This is the compelling story of a man born as a cradle Catholic who left the Church at an early age to join the Jehovah s Witnesses the recounting of his 16 years with that sect and its inner workings his being born again as a Baptist minister for another 12 years and the conclusion of his incredible spiritual journey along the King s Highway back to the Catholic faith Ken Guindon uses the metaphor of the Royal Road the El Camino Real that Spaniards have historically called their most important routes to describe the road that the Heavenly King has led him on and all seekers of the truth to the Catholic Church Travel along this amazing spiritual odyssey as Guindon describes why he left the Church how the Jehovah s Witnesses so effectively proselytize for new members how they train and control their members their false teachings and promises and how Catholics can counter the methods and doctrines of the Witnesses He also gives a detailed account of his experiences as a Baptist minister and missionary why they are so zealous and so anti Catholic and how he came back to Catholicism through a closer look at the Bible An unusual educational and powerful modern conversion story
