The Kiss Of The Unborn And Other Stories:

The Kiss of the Unborn, and Other Stories Fyodor Sologub, 1977 To the Stars and Other Stories Fyodor Sologub, 2023-02-28 A boy who feels persecuted by the banality of everyday life yearns to ascend to the cold and majestic plane of the stars A seamstress finds liberation of a sort in becoming a dog and howling at the moon A club of young girls masquerade as the grieving fianc es of strange men This book brings together these and other remarkable short stories by the Russian Symbolist Fyodor Sologub that explore the lengths to which people will go to transcend the mundane Renowned as one of late imperial Russia's finest stylists Sologub bridges the great nineteenth century novel and the fin de si cle avant garde He stands out for his masterful command of both realist and fantastic storytelling his play with language evinces a belief in its capacity to access other worlds and other levels of meaning Many of Sologub's stories are set among children whose alienation from the adult world has lent them imagination and curiosity enabling them to create an alternative reality At the same time he bluntly examines the sordid realities of late imperial Russian society and frankly presents sometimes unconventional sexuality The book also features a selection of Sologub's little fairy tales ambiguous parables couched in childlike language whose ingenuity anticipates the miniatures and incidents of Daniil Kharms Susanne Fusso's elegant translation offers these artful tales to an English speaking audience The Kiss of the Unborn, and Other Stories Fedor Reference Guide to Russian Literature Neil Cornwell, 2013-12-02 First Published in 1998 This volume will Sologub, 1977 surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public Catalog of Copyright Entries. Third **Series** Library of Congress. Copyright Office, 1978 Within the Tides & Typhoon and Other Stories Conrad J., Joseph Conrad was a Polish British writer regarded as one of the greatest novelists to write in the English language Written at various times under various influences these short stories are linked by Conrad's treatment of loyalty and betrayal Typhoon is the story of one unremarkable steamship captain pitted against a storm of incredible fury Captain MacWhirr has a reputation as a solid steadfast man who having just enough imagination to carry him through each successive day and no more cannot fully believe any storm would be a match for his powerful ship When the barometer and other clues begin to hint at trouble ahead he is only moderately concerned and unwilling to change course and lose precious time a decision that may prove more costly than he could ever have imagined The tone of other stories in the volume shifts from the pathos of Because of the Dollars to the gothic The Inn of the Two Witches and the grim humour of The Partner The Evolution of Space in Russian Literature Katharina Hansen Löve, 2023-07-31 This book is concerned with the literary development of the narrative category of space in Russian literature from Romanticism until Modernism It consists of two parts The theoretical introduction renders a survey of some major 20 th century theories on literary development in the tradition of Russian Formalism and Czech Structuralism A critical discussion is given of the cultural and stylistic typologies of the soviet scholar D Lichacev and the

semiotician I Smirnov Furthermore the ideas on literary space as they were developed by two important representatives of the Moscow Tartu School of Semiotics Iu Lotman and V Toporov are described together with the method of literary analysis they offer The contents of the second part of the book are analyses of the structure of space in the following narrative works Mcyri by M Ju Lermontov Nevskij prospekt by N V Gogol Oblomov by I A Goncarov V tolpe by F Sologub and Kotlovan by A Platonov The analyses are accompanied by an interpretation of the story based on the spatial details in the text It appears that both continuity and change characterize the development of literary space This two fold nature of the evolutionary proces comes to the fore through recurrence of spatial archetypes in all the periods under discussion and through ambivalence of meaning as a result of the semiotization of literary space in each literary work Symbolism Ronald E. Peterson, 1993-07-09 The era of Russian Symbolism 1892 1917 has been called the Silver Age of Russian culture and even the Second Golden Age Symbolist authors are among the greatest Russian authors of this century and their activities helped to foster one of the most significant advances in cultural life in poetry prose music theater and painting that has ever been seen there This book is designed to serve as an introduction to Symbolism in Russia as a movement an artistic method and a world view The primary emphasis is on the history of the movement itself Attention is devoted to what the Symbolists wrote said and thought and on how they interacted In this context the main actors are the authors of poetry prose drama and criticism but space is also devoted to the important connections between literary figures and artists philosophers and the intelligentsia in general This broad detailed and balanced account of this period will serve as a standard reference work an encourage further research among scholars and students of literature The Petty Demon Fyodor Sologub, 2009-01-16 The Petty Demon is one of the funniest Russian novels It is also the most decadent of the great Russian classics replete with naked boys sinuous girls and a strange mixture of beauty and perversity The main hero Peredonov is as comical as he is disgusting He is at once a victim a monster a silly hypocrite and a sadistic dullard The plot moves from Peredonov's petty quest for a promotion to arson and murder via one of the most incredible and uproarious scandal scenes in world literature the masquerade ball which the boy Sasha attends as a beautiful geisha Even in its censored form it is one of the most provocative and sexually open of Russian books Sologub removed many passages which would have been unacceptable at the time of publication In this edition these censored sections are appended and all are keyed so that the reader can place them in the novel as it was written Intrusion and Other Stories Shashi Deshpande, 1993 A Haunting New Collection Of Short Stories From One Of India S Most Acclaimed Writers Shashi Deshpande In Her New Collection Of Short Stories Explores A World Darkened By The Despair And Unhappiness Of Women Trying To Break Out Of Pre Defined Roles There Is The Newly Married Protagonist Of The Title Story Whose Self Respect And Sense Of Self Are Violated By Her Crass And Insensitive Husband The Wife Who Finds Herself Involved In An Affair Because Of Her Husband S Indifference The Mother Who Tries To Forge A Relationship With A Hostile Daughter These And

The hated son, and other stories Honoré de Balzac, 1899 For a Song's Sake and Other Stories Philip Bourke Marston, 1887 To Kiss Or to Kill Jean Lorrah, 2011-01-01 In the distant future mankind has mutated into Sime and Gen Jonmair is a Gen and Baird is Sime and when Baird rescues Jonmair from the Last Kill she suddenly has a life to live and someone with whom to share But can Baird one of the wealthiest men in Norlea also be the life partner that Jonmair longs for Can love indeed conquer all Or will death finally triumph over love An original Sime Gen novel Number Eleven in the series and never before Chinese Fiction of the Nineteenth and Early Twentieth Centuries Patrick published Русский Язык ,1986 Hanan, 2004-11-03 It has often been said that the nineteenth century was a relatively stagnant period for Chinese fiction but preeminent scholar Patrick Hanan shows that the opposite is true the finest novels of the nineteenth century show a constant experimentation and evolution In this collection of detailed and insightful essays Hanan examines Chinese fiction before and during the period in which Chinese writers first came into contact with western fiction Hanan explores the uses made of fiction by westerners in China the adaptation and integration of western methods in Chinese fiction and the continued vitality of the Chinese fictional tradition Some western missionaries for example wrote religious novels in Chinese almost always with the aid of native assistants who tended to change aspects of the work to fit Chinese taste Later such works as Washington Irving s Rip Van Winkle Jonathan Swift s A Voyage to Lilliput the novels of Jules Verne and French detective stories were translated into Chinese These interventions and their effects are explored here for virtually the first time
