A Serious Proposal to the Ladies, part II: wherein a method is offer'd for the improvement of their minds. By Mary Astell ,1697 *A Serious Proposal to the Ladies* Mary Astell,2002-03-21 Mary Astell s *A Serious Proposal to the Ladies* is one of

the most important and neglected works advocating the establishment of women s academies Its reception was so controversial that Astell responded with a lengthy sequel also in this volume The cause of great notoriety Astell s Proposal was imitated by Defoe in his *An Academy for Women* parodied in the *Tatler* satirized on the stage plagiarized by Bishop Berkeley and later mocked by Gilbert and Sullivan in *Princess Ida* **A Serious Proposal to the Ladies, part II: wherein a method is offer'd for the improvement of their minds.** By Mary Astell ,1697 *A Serious Proposal to the Ladies*

[By Mary Astell.]** ,1695 *A Modest Proposal in the Context of Swift's Irish Tracts* Maria-Angeles Ruiz Moneva,2020-06-12 Swift s *A Modest Proposal* has always aroused the interest not just of literary critics but also of linguists and pragmatists Within the latter approaches the study of irony and more concretely the intentions and attitudes that must have guided the production of such an intricate work have always been paramount However it seems that within pragmatics the analysis has been restricted so far to the 1729 work itself In the present author s view it is interesting to contextualise this masterpiece of irony and satire within Swift s wider writing on Ireland an approach that remains to be carried out Accordingly this work sets out to analyse a selection of Swift s Irish Tracts with a view to tracing the evolution within Swift s literary production of his views and attitudes towards the situation of his homeland Although different pragmatic approaches are applied the emphasis is laid upon the contributions that the relevance theoretical framework and its studies on irony may bring to the understanding of this particular Tract The works selected are meant to cover and also be representative of the main phases currently distinguished within Swift s writing on the Irish Question It is therefore hoped that a deeper analysis of the former works by Swift on this topic will provide new insights for a better understanding of *A Modest Proposal* **Plots and Proposals** Karen

Tracey,2000 Boy meets girl Boy proposes to girl Girl refuses proposal Then what This provocative scenario provides the frame for a significant countertradition in popular nineteenth century women s novels the double proposal plot in which the heroine rejects and later accepts proposals from the same suitor Exploring the American wing of this movement through the novels of Carolyn Hentz Augusta Evans Laura J Curtis Bullard E D E N Southworth and Elizabeth Stuart Phelps Karen Tracey investigates how each of these writers is constrained by her historical circumstances and how she uses her fiction to critique those circumstances Pioneered in Britain by Jane Austen Charlotte Bront and Elizabeth Barrett Browning the double proposal plot dislodges the myth of Mr Right and questions the all powerful notions of true love and happily ever after When the heroine rejects her suitor s initial proposal she opens up the possibility of renegotiating the terms of the relationship and exploring alternative roles By considering two possible marriages between the same set of partners the double proposal plot

interrogates the role of middle class women in courtship and in public life as well as the quality of married life and the influence a woman potentially brings to it Tracey charts the genre's evolution from novels that seek answers within renegotiated marriages to those that challenge the efficacy of marriage itself Reconstructing some of the cultural circumstances that would have influenced the writing publishing and reading of the novels Plots and Proposals examines how changing notions of love and romance both inform and are critiqued by this renegade fiction

Romantic letters are central to understanding queer history Debates about letters of romantic friendship however too often reduce them to unstudied expressions of heartfelt feeling In *Queering Romantic Engagement in the Postal Age* Pamela VanHaitsma shows how the genre should be understood as a learned form of rhetoric VanHaitsma argues that epistolary instruction in the nineteenth century United States shaped civic engagement in predictably heteronormative ways even as it opened up possibilities for queer rhetorical practices Her archival study draws on writings whose authors diverse by gender race class and education all developed ways of queering cultural norms and generic conventions in their same sex relationships VanHaitsma theorizes a new concept of rhetorical education for romantic engagement to account for the significant yet understudied role of such training in inventing both civic and romantic life
