The Lamb and the Elephant Steadman,1974 *Shakespeare and the Classical Tradition* Lewis Walker,2019-05-24

This bibliography will give comprehensive coverage to published commentary in English on Shakespeare and the Classical Tradition during the period from 1961 1985 Doctoral dissertations will also be included Each entry will provide a clear and detailed summary of an item s contents For pomes and plays based directly on classical sources like Antony and Cleopatra and The Rape of Lucrece virtually all significant scholarly work during the period covered will be annotated For other works such as Hamlet any scholarship that deals with classical connotations will be annotated Any other bibliographies used in the compiling of this volume will be described with emphasis on their value to a student of Shakespeare and the Classics John G. Demaray,1999-06-01 In this analysis of Milton s artistry as an epic poet John G Demaray offers a fresh perspective on one of the world s great epic poems Placing Paradise Lost against the background of Renaissance theatrical and literary formspageants baroque spectacles masques musical dramas and Continental heroic worksDemaray offers the first extended critical reading of the poem as a unique theatrical epic incorporating heroic conventions theological materials and elements of visual pageantry He examines Milton s early experiments in prophetic verse and theatrical forms the poet s exposure to Italian theater and art during travels in 163839 and the influence of classical Continental and British works upon evolving drafts of Paradise Lost He relates the epic in new ways to the writings of Jonson Dryden and others Readers interested in seventeenth century literature Renaissance and baroque theater the epic religious writings and the creative processes of Milton s imagination will all find many original insights in Milton s Theatrical Epic **The Revival of Antique Philosophy in the Renaissance** John L. Lepage,2012-12-05 This book examines the revival of antique philosophy in the Renaissance as a literary preoccupation informed by wit Humanists were more inspired by the fictionalized characters of certain wise fools including Diogenes the Cynic Socrates Aesop Democritus and Heraclitus than by codified systems of thought Rich in detail this study offers a systematic treatment of wide ranging Renaissance imagery and metaphors and presents a detailed iconography of certain classical philosophers Ultimately the problems of Renaissance humanism are revealed to reflect the concerns of humanists in the twenty first century **Historicizing Theory** Peter C. Herman,2012-02-01 Historicizing Theory provides the first serious examination of contemporary theory in relation to the various twentieth century historical and political contexts out of which it emerged Theory a broad category that is often used to encompass theoretical approaches as varied as deconstruction New Historicism and postcolonialism has often been derided as a mere relic of the 1960s In order to move beyond such a simplistic assessment the essays in this volume examine such important figures as Harold Bloom Paul de Man Jacques Derrida Michel Foucault Stephen Greenblatt and Edward Said situating their work in a variety of contexts inside and outside of the 1960s including World War II the Holocaust the Algerian civil war and the canon wars of the 1980s In bringing us face to face with the history of theory Historicizing Theory recuperates history for theory

and asks us to confront some of the central issues and problems in literary studies today *Art, Allegory and the Rise of Shi'ism in Iran, 1487-1565* Kia Chad Kia, 2019-06-03 Transforming our understanding of Persian art this impressive interdisciplinary book decodes some of the world's most exquisite medieval paintings It reveals the hidden meaning behind enigmatic figures and scenes that have puzzled modern scholars focusing on five miniature paintings Chad Kia shows how the cryptic elements in these works of art from Timurid Persia conveyed the mystical teachings of Sufi poets like Rumi Attar and Jami and heralded one of the most significant events in the history of Islam the takeover by the Safavids in 1501 and the conversion of Iran to Shiism **Sir Thomas Wyatt and the Rhetoric of Rewriting** Chris Stamatakis, 2012-03-15 This study reappraises Sir Thomas Wyatt c 1504 1542 as a poetic innovator It discusses Wyatt's reflections on the writing process and his awareness of how words can be turned in new directions that is rewritten amended transformed manipulated even performed over the course of a text's production transmission and reception **Allegory in Enlightenment Britain** Jason J. Gulya, 2022-12-02 This Palgrave Pivot argues for the significance of allegory in Enlightenment writing While eighteenth century allegory has often been dismissed as an inadequate form both in its time and in later scholarship this short book reveals how Enlightenment writers adapted allegory to the cultural changes of the time It examines how these writers analyzed earlier allegories with scientific precision and broke up allegory into parts to combine it with other genres These experimentations in allegory reflected the effects of empiricism secularization and a modern aesthetic that were transforming Enlightenment culture Using a broad range of examples including classics of the genre eighteenth century texts and periodicals this book argues that the eighteenth century helped make allegory the flexible protean literary form it is today **Allegorical Poetics and the Epic** Mindele Anne Treip, 2021-10-21 Literary allegory has deep roots in early reading and interpretation of Scripture and classical epic and myth In this substantial study Mindele Treip presents an overview of the history and theory of allegorical exegesis upon Scripture poetry and especially the epic from antiquity to the seventeenth and early eighteenth centuries with close focus on the Renaissance and on the triangular literary relationship of Tasso Spenser and Milton Exploring the different ways in which the term allegory has been understood Treip finds significant continuities within differences in a wide range of critical writings including texts of postclassical patristic and rabbinical writers medieval writers notably Dante Renaissance theorists such as Coluccio Salutati Bacon Sidney John Harrington and rhetoricians and mythographers and the neoclassical critics of Italy England and France including Le Bossu In particular she traces the evolving theories on allegory and the epic of Torquato Tasso through a wide spectrum of his major discourses shorter tracts and letters giving full translations Treip argues that Milton wrote as in part did Spenser within the definitive framework of the mixed historical allegorical epic erected by Tasso and she shows Spenser's and Milton's epics as significantly shaped by Tasso's formulations as well as by his allegorical structures and images in the *Gerusalemme liberata* In the last part of her study Treip addresses the complex problematics of reading *Paradise Lost* as both a consciously

Reformation poem and one written within the older epic allegorical tradition and she also illustrates Milton's innovative use of biblical Accommodation theory so as to create a variety of radical allegorical metaphors in his poem This study brings together a wide range of critical issues the Homeric Virgilian tradition of allegorical reading of epic early Renaissance theory of all poetry as translation or allegorical metaphor midrashic linguistic techniques in the representation of the Word Milton's God neoclassical strictures on Milton's allegory and allegory in general all of these are brought together in new and comprehensive perspective **A Handbook to the Reception of Classical Mythology** Vanda Zajko, Helena

Hoyle, 2017-03-16 A Handbook to the Reception of Classical Mythology presents a collection of essays that explore a wide variety of aspects of Greek and Roman myths and their critical reception from antiquity to the present day Reveals the importance of mythography to the survival dissemination and popularization of classical myth from the ancient world to the present day Features chronologically organized essays that address different sets of myths that were important in each historical era along with their thematic relevance Features chronologically organized essays that address different sets of myths that were important in each historical era along with their thematic relevance Offers a series of carefully selected in depth readings including both popular and less well known examples Language and Meaning in the Renaissance Richard

English Renaissance rhetoric and poetics It is arranged in four sections A bibliographies B primary sources C secondary sources D indices Section B lists more than 500 books on rhetoric and poetics published in the British Isles and abroad between 1479 and 1660 Detailed information is provided on each of them transcription of the title page of the editio princeps call number of the library copy consulted further historical and modern editions together with the relevant secondary literature Section C covers the whole range of applied rhetoric and poetics totalling some 2 000 titles between 1900 and 1994 It deals systematically with such topics a General Studies Rhetorical Genres and Rhetoric Poetics and Individual Authors An introductory essay outlines the principles of the bibliography The Poetics of Personification James J. Paxson, 1994-02-25 Literary personification has long been taken for granted as an important aspect of Western narrative Paul de Man has given it still greater prominence as the master trope of poetic discourse James Paxson here offers a much needed critical and theoretical appraisal of personification in the light of poststructuralist thought and theory The poetics of personification provides a historical reassessment of early theories together with a sustained account of how literary personification works through an examination of narratological and semiotic codes and structures in the allegorical texts of Prudentius Chaucer Langland and Spenser The device turns out to be anything but an aberration oddity or barbarism from ancient medieval or early modern literature Rather it works as a complex artistic tool for revealing and advertising the problems and limits inherent in narration in particular and poetic or verbal creation in general
