**Becoming a Grand Champion Church** Dale Heinold,2012-03 There are many ideas about how to increase the size of a church But what if our vision is upside down What if God s desire is that we focus on being a quality church instead of simply a large church The Bible envisions the church as a spotless bride a vision of quality Today s church seems far from God s vision of perfection but that does not change the goals God has for His flock Using Psalm 23 as a blueprint Becoming a Grand Champion Church explores how Christ is shepherding His church toward maturity A gap exists between this age s knowledge of sheep and shepherding that makes it difficult to grasp the fullness of Christ s shepherding work in the church The author seeks to fill that gap with homespun remembrances of raising sheep to be shown at the county fair He then ties the shepherd s duties with practical suggestions of how the whole body can work alongside the Good Shepherd toward Christ s vision for His bride The result of following God s plan is a Grand Champion Church that reflects the qualities of Christ to the world
