It is a constitutional monarchy with a parliamentary system of government and a welfare state. The country is located on the Jutland Peninsula and consists of over 400 islands with the largest being Zealand and Funen. Denmark has a highly developed economy which is characterized by a high level of technological development and low levels of corruption. It is a member of the European Union, NATO, and the United Nations and is often ranked highly in global indices of happiness, social welfare, and human development. The country is known for its cultural contributions including design, architecture, and cinema, and has a rich history and heritage that can be traced back to the Vikings. Denmark is also known for its social safety net which provides universal healthcare, education, and unemployment benefits and has a reputation as a progressive and tolerant society. **Denmark in Pictures** Tom Streissguth, 2010-08-01 The smallest Scandinavian country Denmark was once home to Vikings who used the country's abundant coastline to raid nearby lands. Today Danes enjoy one of the highest standards of living in the world. **A History of Denmark from the Viking Age to the 21st Century** Mary Hilson, Bjørn Poulsen, Thorsten Borring Olesen, 2023-11-30 Beginning with the emergence of a Danish kingdom during the Viking Age, this book provides an introduction to the history of Denmark as a political entity from the eighth century to the present day. It shows how what we know as Denmark has evolved from Cnut the Great's North Sea empire in the eleventh century through disintegration and civil war in the Middle Ages, the Kalmar Union of 1397-1523, and the establishment of the absolutist state and its overseas colonies in the seventeenth century to the emergence of the modern nation state during the nineteenth century. The book also deals with significant developments in the economic, social, and cultural history of Denmark and sheds light on complex problems such as the

country's relationship with its Nordic neighbours the origins of the current border with Germany and the historical development of the Danish welfare state Parliamentary Debates New Zealand. Parliament, 1907
