**STYLISTICS OF POETRY** Dr. D. GNANASEKARAN, 2018-02-28 Stylistics is a branch of Applied Linguistics and deals with the various levels of language graphological phonological lexical syntactic and semantic discourse In this book each level is lucidly explained with relevant theoretical concepts and they are practically applied to two poems as model exercises With the evidences explicitly available and insinuations implicitly conveyed in the text each poem is insightfully examined through a linguistics lens to explore the stylistic nuances embedded in it It can be exciting and interesting to anyone interested in the English language and poetic style in addition to students of literature **The Written Poem** Rosemary

Huisman, 1998-09-01 This text discusses the visual and graphic conventions in contemporary poetry in English It defines contemporary poetry and its historical construction as a seen object and uses literary and social theory of the 1990s to facilitate the study In examining how a poem is recognized the interpretive conventions for reading it and how the spacial arrangement on the page is meaningful for contemporary poetry the text takes examples from individual poems There is also a focus on changes in manuscript conventions from Old to Middle English poetry and the change from a social to a personal understanding of poetic meaning from the late 18th through the 19th century **The Linguistics Encyclopedia** Kirsten

Malmkjær, 2002 This thoroughly revised and updated volume offers comprehensive coverage of the major and subsidiary fields of linguistic study **THE WAYS OF THE WORD** GÓMEZ LARA, MANUEL J., PRIETO PABLOS, JUAN A., 2017-09-18 The Ways of the Word es un libro de apoyo a la ense anza y aprendizaje del comentario de textos en ingl s para estudiantes universitarios En la primera parte se exponen los procedimientos de lectura y comprensi n textual La segunda y tercera se centran en t cnicas de an lisis ling stico y de discurso respectivamente organizadas de modo que cada nivel sirva de apoyo en la progresi n hacia el siguiente Se ofrece as un extenso sistema de recursos para el an lisis de todo tipo de textos literarios en ingl s **An Introduction to the Study of Language** Leonard Bloomfield, 1914 **The Bloomsbury Companion to**

**Stylistics** Violeta Sotirova, 2015-11-19 This Bloomsbury Companion provides an overview of stylistics with a detailed outline of the scope and history of the discipline as well as its key areas of research The main research methods and approaches within the field are presented with a detailed overview and then illustrated with a chapter of unique new research by a leading scholar in the field The Companion also features in depth explorations of current research areas in stylistics in the

form of new studies by established researchers in the field The broad interdisciplinary scope of stylistics is reflected in the wide array of approaches taken to the linguistic study of texts drawing on traditions from linguistics literary theory literary criticism critical theory and narratology and in the diverse group of internationally recognised contributors The Literary-Linguistic Analysis of the Bible, 2024-09-16 This collection of essays explores the rich intellectual heritage of Russian Formalism and the Prague School of Linguistics to illuminate their influence on the field of biblical studies and apply their constructive and creative potential for advancing linguistic theory discourse analysis and literary interpretation of the texts of the Old and New Testaments in their original languages **Concise Encyclopedia of Pragmatics** J.L. Mey, 2009-08-07 Concise Encyclopedia of Pragmatics Second Edition COPE is an authoritative single volume reference resource comprehensively describing the discipline of pragmatics an important branch of natural language study dealing with the study of language in its entire user related theoretical and practical complexity As a derivative volume from Encyclopedia of Language and Linguistics Second Edition it comprises contributions from the foremost scholars of semantics in their various specializations and draws on 20 years of development in the parent work in a compact and affordable format Principally intended for tertiary level inquiry and research this will be invaluable as a reference work for undergraduate and postgraduate students as well as academics inquiring into the study of meaning and meaning relations within languages As pragmatics is a centrally important and inherently cross cutting area within linguistics it will therefore be relevant not just for meaning specialists but for most linguistic audiences Edited by Jacob Mey a leading pragmatics specialist and authored by experts The latest trends in the field authoritatively reviewed and interpreted in context of related disciplines Drawn from the richest most authoritative comprehensive and internationally acclaimed reference resource in the linguistics area Compact and affordable single volume reference format *Stylistics* Paul Simpson, 2025-10-28 Written in a clear and accessible style *Stylistics* Third Edition is a comprehensive resource which covers all the major theories concepts and methods required for the investigation of language in literature From metre to metaphor dialogue to discourse the main topics are introduced and fully elaborated as are the key research paradigms of this important and exciting field of study *Stylistics* is richly illustrated with many examples from literary texts including writing from the established literary canon alongside more contemporary work in poetry prose and drama Each of the book's 12 chapters contains clearly framed suggestions for practical work and is accompanied by an original reading on the relevant topic by a world renowned scholar This exciting new third edition builds on the strengths of the first and second by adding fresh exercises and worked examples It captures the major developments in stylistics from earlier work that draws on syntax semantics and phonology to more recent approaches such as corpus cognitive and multimodal approaches to the study of style The accompanying online materials feature amongst other things useful links worked examples and a strand on style and humour This third edition brings in more texts from contemporary women writers and from writing in more diverse Englishes In addition to the classic

essays in stylistics contained in previous editions this edition includes three new Section D readings to reflect more recent innovations in the field Written by an experienced teacher and researcher this accessible textbook is an essential resource for all students of English language linguistics and literature     Stylistic Approaches to Nigerian Fiction D.

Tunca,2014-08-07 Drawing on the discipline of stylistics this book introduces a series of methodological tools and applies them to works by well known Nigerian writers including Abani Adichie and Okri In doing so it demonstrates how attention to form fosters understanding of content in their work as well as in African and postcolonial literatures more widely

Investigating Dickens' Style M. Hori,2016-05-20 This new corpus driven approach to the study of language and style of literary texts makes use of the Dickens 4 6 million word corpus for a detailed examination of patterns of lexical collocations It offers new insights into Dickens linguistic innovation together with a nuanced understanding of his use of language to achieve stylistic ends At the centre of the study is a close analysis of the two narratives in Bleak House read as a focal point for consideration of Dickens stylistic development through his whole writing life     **Telecinematic Stylistics** Christian Hoffmann,Monika Kirner-Ludwig,2020-05-14 Over the last two decades the study of discourse in film and television has become one of the most promising research avenues in stylistics and pragmatics due to the dazzling variety of source material and the huge pragmatic range within it Meanwhile with the advent of streaming and the box set film and television themselves are becoming separated by an increasingly blurred line This volume closes a long standing gap in stylistics research bringing together a book level pragmastylistic showcase It presents current developments from the field from two complementary perspectives looking stylistically at the discourse in film and the discourse of and around film This latter phrase comes to mean the approaches which try to account for the pragmatic effects induced by cinematography This might be the camera work or the lighting or the mise en scene or montage The volume takes a multimodal approach looking at word movement and gesture in keeping with modern stylistics The volume shows how pragmatic themes and methods are adapted and applied to films including speech acts im politeness implicature and context In this way it provides systematic insights into how meanings are displayed enhanced suppressed and negotiated in both film and televisual arts
