Michael Ouellette woke up after three of the five days spent in ICU at the Hospital of Yellowknife. On the third of the five days spent in ICU at the hospital in Yellowknife, Michael Ouellette woke up with little to no memory of what happened, that shocked even his wife who sat right by his bedside. Through the efficient efforts of the Medevac team, he was flown 190 miles out of the isolated mine site north of Yellowknife, Northwest Territories. The next 28 days under the care of the skilled team of medical professionals was just the beginning of a roller coaster ride of challenges as he worked through reorientation to a life altogether different from what he was used to. As life hands him lemons and lemons, he looks at the new meaning of adventure in his life with humor and insight, just thankful to be alive. Death snatched him away, but he managed to slip through its fingers like grains of sand. His second chance at life proves that the Great Spirit is more powerful than death. An acquired brain injury poses a twist to this new beginning as Ouellette pulls you into his world.
