*The Last Letter* Rebecca Yarros, 2020-01-28 A soldier falls in love with his battle buddy's sister through their letters and returns home from Afghanistan with a secret that could destroy their fragile relationship *The Last Letter* Margaret Pemberton, 1998 Now in their twenties childhood friends Sally and Miranda share a London flat When Miranda announces she is going to the remote island of Islay for a rest Sally knows she is keeping something from her When her body is washed up in Saligo Bay Sally is convinced that her death was no accident *The Last Letter Home* Vilhelm Moberg, 2008-10-14

Considered one of Sweden's greatest 20th century writers Vilhelm Moberg created Karl Oskar and Kristina Nilsson to portray the joys and tragedies of daily life for early Swedish pioneers in America His consistently faithful depiction of these humble people's lives is a major strength of the Emigrant Novels Moberg's extensive research in the papers of Swedish emigrants in archival collections including the Minnesota Historical Society enabled him to incorporate many details of pioneer life First published between 1949 and 1959 in Swedish these four books were considered a single work by Moberg who intended that they be read as documentary novels These editions contain introductions written by Roger McKnight Gustavus Adolphus College and restore Moberg's bibliography not included in earlier English editions Book 4 portrays the Nilsson family during the turmoil of living through the era of the Civil War and Dakota Conflict and their prospering in the midst of Minnesota's growing Swedish community of the 1860s 90s It's important to have Moberg's Emigrant Novels available for another generation of readers Bruce Karstadt American Swedish Institute *His Last Letter* Tanya

Sweetnam, 2024-05-30 The Second Epistle to Timothy is by any standard a remarkable document Even as the apostle urges his friend and coworker hasten to Rome for a final meeting the intimacy and urgency of Paul's words make clear his awareness that Timothy might not arrive in time to say goodbye This makes the epistle deeply personal But Paul has a much larger purpose in view than just Timothy's consolation The epistle vibrates with Paul's concern for Timothy's endurance in the apostle's mission after Paul's death Paul is at pains to emphasize for Timothy the seriousness of his responsibility the difficulty of the context in which that duty will be discharged and the divine assistance that will allow him to preserve and

transmit the apostolic deposit to faithful men Even as he addresses Timothy Paul is deliberately speaking beyond him to everyone who remains faithful to the apostolic gospel in the last days following the apostle's departure This commentary provides a detailed but nontechnical treatment of 2 Timothy which interacts with contemporary scholarship on the epistle while providing a literary rhetorical and parenetic analysis of Paul's last letter *The Last Letter from Juliet* Arnold Washington, 2025-02-20 This book is dedicated to the unsung heroines of history the women whose stories remain untold whose voices have been silenced yet whose legacies linger in the shadows of time It is for those women like my fictional Juliet Carter who possessed strength and resilience in the face of adversity who dared to dream and love even when the world tried to confine them Their quiet acts of defiance their whispered secrets their enduring spirits these are the echoes that inspire me that breathe life into the pages of this story This dedication is also a tribute to the countless women who have challenged societal norms broken barriers and forged their own paths They are the ones who like Emma Carter possess an innate curiosity an unwavering determination and a courageous heart that drives them to seek truth even when it leads them down dark and dangerous roads It is to their unwavering spirits their fierce independence and their ability to find strength in vulnerability that I offer this work Their stories often hidden in plain sight deserve to be heard and it is my hope that this novel will resonate with their quiet power Further this dedication extends to the women who have supported me throughout my life my mother whose strength and wisdom have been a constant source of inspiration my sisters whose unwavering belief in me has fueled my ambition and my friends whose camaraderie and encouragement have lifted me during moments of doubt This journey of writing this novel would not have been possible without their unwavering love patience and understanding It is to these women who have shaped me into the person I am today that I dedicate this work a testament to the enduring power of female connection and the boundless capacity of the human spirit to overcome obstacles and find strength within adversity May their examples continue to inspire generations to come *The Last Letter* Kathleen Shoop, 2011
