**Configuring Memory in Czech Family Sagas** Marcin Filipowicz, 2021-11-09 Configuring Memory in Czech Family Sagas The Art of Forgetting in Generic Tradition explores how literature may configure family memory Family sagas can be viewed as a structure helping us to share our memories Special attention will be paid to crucial generic motifs within family sagas as well as to elements of the narrative structure which hold powerful memory forming potential The book proves that this potential can be fulfilled in two ways The genre under analysis tends to strengthen the bad family memory and consider it as a burden and to encourage one to forget their family past Despite the prevalence of the saga as a cultural form right across mass media the literary genre of the family saga has not attracted intensive critical acclaim Readers of this book will not only learn more about the genre of family saga but also be encouraged to reflect on their own family memories **The Local Preachers' Magazine and Christian Family Record** ,1853 **The Last Member of the Family** Lois A. **Knowledge and the Family Business** Manlio Del Giudice,Maria Rosaria Della Peruta,Elias G. Carayannis,2010-12-06 Family businesses the predominant form of business organization around the world can make numerous critical contributions to the economy and family well being in both financial and qualitative terms But dysfunctional family businesses can be difficult to manage painful experiences at best and they can destroy family wealth and personal relationships This book explores the dynamics of family business management in the context of constantly changing market conditions and the role that knowledge management plays in strategic planning and adaptation Integrating the literature from family business entrepreneurship industrial psychology and knowledge management and with illustrative examples from a variety of enterprises the authors address such topics as How family businesses can compete in the new knowledge economy How to manage a family business when knowledge is its main asset How to transfer knowledge and how to keep it alive through family generations Within this framework the authors argue that effective resource management especially intangible resources is central to enabling a family run organization to maintain a sustainable competitive advantage over time They note that families often develop systemic intuitive or tacit knowledge that transcends rational decision making and needs to be recognized and nurtured as a distinctive asset The authors demonstrate that trans generational value is achieved when the family firm innovates and adapts itself to changing external and internal conditions This kind of entrepreneurial performance requires dynamic

capabilities and processes designed to acquire exchange combine and even shed knowledge and practices and in turn dynamic capabilities result from mechanisms of knowledge sharing collective learning experience accumulation and transfer
