## **The Last Of The Oforms Other Stories:**

**The Last of the O-Forms & Other Stories** James Van Pelt, 2005-08 Van Pelt's first collection *Strangers and Beggars* was voted one of the Best Books of 2003 by the American Library Association. This new collection continues to explore the ever-changing boundaries of science fiction, fantasy, and horror.

**The Turn of the Screw and Other Stories** Henry James, 2008-04-17 A young inexperienced governess is charged with the care of Miles and Flora, two small children abandoned by their uncle at his grand country house. She sees the figure of an unknown man on the tower and his face at the window. It is Peter Quint, the master's dissolute valet, and he has come for little Miles. But Peter Quint is dead. Like the other tales collected here, *Sir Edmund Orme*, *Owen Wingrave*, and *The Friends of the Friends*, *The Turn of the Screw* is to all immediate appearances a ghost story. But are the appearances what they seem? Is what appears to the governess a ghost or a hallucination? Who else sees what she sees? The reader may wonder whether the children are victims of corruption from beyond the grave or victims of the governess's infernal imagination, which torments but also entrals her. *The Turn of the Screw* is probably the most famous, certainly the most eerily equivocal of all ghostly tales. Is it a subtle self-conscious exploration of the haunted house of Victorian culture filled with echoes of sexual and social unease? Or is it simply the most hopelessly evil story that we have ever read? The texts are those of the New York Edition, with a new Introduction and Notes.

**The Writing on the Wall and Other Stories** Penny Edwards, 2016-05-12  
Peter Bayer was seventy-three. He'd taught at the school just up the road for most of his life, and when the wall came down, saw no reason to move. Nobody could say life had been easy, and when it was built, he'd lost contact with many friends, but he'd learnt to enjoy life as best he could, and had had the good fortune of a happy marriage to Elsa. It's 2006. Peter Bayer and his wife Elsa live on the East side of Berlin, as they've always done, even when that wasn't an attractive proposition. What limits Peter's freedom nowadays isn't a concrete wall, but often feels like one. Elsa has dementia and barely recognises him, so his life is not only hard work, but it's lonely. What makes it lonelier is that his wife's illness has given her a distorted view of the past, and one that would horrify the woman he married. When Helen, a recently widowed English woman, rents the flat Peter owns nearby, he experiences the kinds of conversations that used to be normal for him, which makes his current reality all the more painful. Helen's come to Berlin to find out more about her husband's past in the city and learns things from their

German friends that she was unaware of when he was alive During her struggle to come to terms with her present life Helen sees that the terrible demands on Peter's life are almost impossible to endure Other stories in the book show the toll of war as fear is passed from one generation to another and we see how the power of secrecy never disappears They also reveal how gratitude can take various forms and how intergenerational friendships really are all they're cracked up to be *The Writing on the Wall* and *Other Stories* is a collection of tales spanning the 1980s to the present day that will appeal to fans of Anne Tyler Alan Bennett and Alice Munro whom Penny Edwards takes inspiration from *The Golden Thought of Queen Beryl, and Other Stories* Marie Cameron, 1880 *Billy Budd & Other Stories* Herman Melville, 1998 Stung by the critical reception and lack of commercial success of his previous two works *Moby Dick* and *Pierre* Herman Melville became obsessed with the difficulties of communicating his vision to readers His sense of isolation lies at the heart of these later works *Billy Budd* Sailor a classic confrontation between good and evil is the story of an innocent young man unable to defend himself against a wrongful accusation The other selections here *Bartleby* *The Encantadas* *Benito Cereno* and *The Piazza* also illuminate in varying guises the way fictions are created and shared with a wider society In his introduction Frederick Busch discusses Melville's preoccupation with his correspondence with the world his quarrel with silence and why fiction was for Melville a matter of life and death Book jacket **Reading Mansfield and Metaphors of Form** William Herbert New, 1999 He elucidates a number of formal strategies such as sequence reversal negation repetition deferral and reconstruction and then applies them to a wide range of Mansfield's stories including such favorites as *Prelude* *The Voyage* *The Little Governess* and *Je ne parle pas français* Plots: Literary Form and Conspiracy Culture Ben Carver, Dana Craciun, Todor Hristov, 2021-11-29 This edited collection contributes to the study of conspiracy culture by analysing the relationship of literary forms to the formation reception and transformation of conspiracy theories Conspiracy theories are narratives and their narrative form provides the structure within which their readers situate themselves when interpreting the world and its history At the same time conspiracist interpretations of the world may then be transmediated into works of literature and import popular discourse into narrative structures The suppression and disappearance of books themselves may generate conspiracy theories and become co-opted into political dissent Additionally literary criticism itself is shown to adopt conspiracist modes of interpretation By examining conspiracy plots as literary plots with narrative rhetorical and symbolic characteristics this volume is the first systematic study of how conspiracy culture in American and European history is the consequence of its interactions with literature This book will be of great interest to researchers of conspiracy theories literature and literary criticism *Critical Forms* Ross Wilson, 2023 *Critical Forms* is an account of the generic forms in which literary criticism has been undertaken It examines literary criticism from around 1750 to the present and examines prefaces selections and anthologies reviews lectures dialogues letters and life writing **About Love and Other Stories** Anton Chekhov, 2008-07-10 the greatest short story writer who has ever lived Raymond Carver's unequivocal verdict on Chekhov's

genius has been echoed many times by writers as diverse as Katherine Mansfield Somerset Maugham John Cheever and Tobias Wolff While his popularity as a playwright has sometimes overshadowed his achievements in prose the importance of Chekhov's stories is now recognized by readers as well as by fellow authors Their themes alienation the absurdity and tragedy of human existence have as much relevance today as when they were written and these superb new translations capture their modernist spirit Elusive and subtle spare and unadorned the stories in this selection are among Chekhov's most poignant and lyrical They include well known pieces such as The Lady with the Little Dog as well as less familiar work like Gusev inspired by Chekhov's travels in the Far East and Rothschild's Violin a haunting and darkly humorous tale about death and loss ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

**Reno (by the) in the Lake and Other Stories** Jim Hartman, 2010-03-31 I guess in truth Reno by the in the Lake is my Autobiography Light The material is indeed autobiographical in that little has been gleaned from any outside source and it is definitely light both in serious content and the serious nature often portrayed by an autobiography So read on just for fun Reno Beach was a magical place in the 1920s 30s 40s and 50s a resort town that never really quite reached its prime It had however attained great stature in

the hearts and minds of all it entertained especially in the imagination of a young boy who could see adventure even in the smallest buttonhole or banal blemish In his mind a vegetable garden became a wilderness plantation An overturned rowboat became a fortress a pirate s treasure cave or a magician s maudlin mansion A willow tree only recently uprooted by the wind and waves of an angry possessive lake trying desperately to reclaim its own this became the perfect home for Tarzan Jimmie of the Apes The fact that I m even writing this book belies the fact that the place and that little boy still live if only in my imagination The stories you re about to read are about that small waterfront community just east of Toledo Ohio on the western end of Lake Erie and how it s life death and frequent revitalizations affected the life of one small boy namely me The stories are absolutely true except as altered by an aging memory wishful thinking and delusions of grandeur not necessarily in that order and they represent some of the very best days of my life I ve been told that it s good to share your very best I hope you enjoy reading my stories nearly as much as I enjoyed living them The writing s been fun too Some names and places may have been altered to protect the innocent and or the guilty but not many Some may also be changed just because I ve forgotten or don t really know what I m talking about Please forgive me Many may recognize themselves a friend or family member in some of these stories and each one probably deserves whatever treatment or attention they received either good or bad This book is intended to be a Bathroom Book This is not a negative For those unable to grasp this creative terminology I provide the following explanation in the form of a prescription Take in small doses Continuous exposure could be hazardous to your health and could lead to an abrasive situation requiring an immediate application of Preparation H This does not imply that either you the reader or the writer is full of Anything Should you disapprove of any of the material in this book please feel free to remove the offending pages and put them to better use right there in the Reading Room solving the problems of the moment I m sure you understand Enjoy Life is short Don t waste it on seriousness      *Gene Wolfe* Joan Gordon,1986-01-01 An annotated bibliography and criticism of Gene Wolfe s science fiction and non fiction writing      **The Red Badge of Courage and Other Stories** Stephen Crane,1998-09-10 The Red Badge of Courage 1895 is a vivid psychological account of a young man s experience of fighting in the American Civil War based on Crane s reading of popular descriptions of battle The intensity of its narrative and its naturalistic power earned Crane instant success and led to his spending most of his brief remaining life war reporting The other stories collected in this volume draw on this experience The Open Boat 1898 was inspired by his fifty hour struggle with waves after his ship was sunk during an expedition to Cuba The Monster 1899 is a bitterly ironic commentary on the ostracization of a doctor for harbouring the servant who was disfigured and lost his sanity rescuing his son As a rare example of Crane working in a vein of American Gothic it is particularly striking for its treatment of race and social injustice The Blue Hotel traces the events that lead to a murder at a bar in a small Nebraska town This edition is the most generously annotated edition of Crane s work exploring it from a fresh critical perspective and focusing on his place as an experimental writer his modernist legacy and his social as well as literary

**A history of the Book of Common Prayer and other books of authority; with ... an account of the state of religion and of religious parties in England, from 1640 to 1660** Rev. Thomas LATHBURY,1859      *The Fleet Registers* John Southerden Burn,1833      Lady with the Little Dog and Other Stories, 1896-1904 Anton Chekhov,2002-11-26 An enchanting collection of tales which showcase Anton Chekhov at the height of his power as a writer In the final years of his life Chekhov produced some of the stories that rank among his masterpieces and some of the most highly regarded works in Russian literature The poignant *The Lady with the Little Dog* and *About Love* examine the nature of love outside of marriage its romantic idealism and the fear of disillusionment And in stories such as *Peasants* *The House with the Mezzanine* and *My Life* Chekhov paints a vivid picture of the conditions of the poor and of their powerlessness in the face of exploitation and hardship With the works collected here Chekhov moved away from the realism of his earlier tales developing a broader range of characters and subject matter while forging the spare minimalist style that would inspire such modern short story writers as Ernest Hemingway and William Faulkner In this edition Ronald Wilks's translation is accompanied by an introduction in which Paul Debrecezeny discusses the themes that Chekhov adopted in his mature work This edition also includes a publishing history and notes for each story a chronology and further reading For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators
