The Last Of Your Springs:

A Place in the Sun Donald Kennedy, 2018-01-09 An autobiography from an American scientist President Carter's Food and Drug Administration Commissioner and the eighth president of Stanford University More than personal memoir Donald Kennedy's story is not only a chronicle of watershed years in the history of Stanford University but also a reflection on academia's perennial concerns The story builds from his childhood and family in New England through mentors at Harvard to reflections on his early years at Stanford What is the scope of a teacher's responsibilities What is the proper balance between research and teaching How far can a professor of literature stretch activism and free speech before losing tenure How can the University look so rich and feel so poor While biology department head Kennedy founded Human Biology Stanford's first interdisciplinary program As president issues of ethnic diversity student activism multicultural curricula patent rights divestment in South Africa a student hostage crisis and a major earthquake colored his pivotal years at Stanford At the heart of Kennedy's journey has been the belief that one must give back to society as mentor inspiring his students as commissioner of the FDA wrestling with issues of freedom and regulation as editor of Science confronting the clash of science and politics Throughout the book sidebar recollections from students friends and colleagues reflect on his caring encouragement and core humanity his love of teaching and a life profoundly committed to science and public service

Leaders in the Labyrinth Stephen J. Nelson, 2010-04-16 Leaders in the Labyrinth sheds light on the ways presidents conduct the influence and power of their office especially in the use of their pulpits how they navigate issues of political correctness and how they hold the center of the university together in contentious times and against competing ideological forces Nelson has formulated a comprehensive image of the tenor talents and temperaments essential for today's presidency for those who aspire to assume leadership in the future and for those administrative and alumni leaders trustees and senior faculty who fix on and select the leaders of our colleges and universities In addition to academicians scholars administrators and trustees this book will interest any alumni or graduates who follow the leadership and fortunes of their alma maters and of other colleges and universities and their presidents The book argues for the central role of presidents and calls for their influence not to be restricted to the margin that is to fundraising and development Rather these leaders are and will continue to be instrumental in fashioning the university of the future in ways that are distinctive and pronounced among the various and competing forces presumed central to those future prospects and directions Leaders in the Labyrinth sheds light on how presidents conduct the influence and power of their office especially in the use of their pulpits how they navigate issues of political correctness and how they hold the center of the university together in contentious times and against competing ideological forces Nelson has formulated a comprehensive image of the tenor talents and temperaments essential for today's presidency for those who aspire to assume leadership in the future and for those who select the leaders of our colleges and universities Because this book depicts the stories and scenes issues and concerns ever embedded in the lives of colleges and

universities Leaders in the Labyrinth will enrich readers interested in leadership in the fortunes of college presidents and in preserving the academy as a distinctive and irreplaceable enterprise
