The Last Puritan Adlai Stevenson In American Politics National University:

The Last Puritan? Rodney M. Sievers,1983 Organized Labor and American Politics, 1894-1994 Kevin Boyle,1998-10-15 Organized Labor and American Politics 1894 1994 traces the rise and fall of labor s power over the course of the twentieth century It does so through provocative and engaging essays written by distinguished scholars of the modern labor movement The essays focus on different times and places from turn of the century steel mills to the streets of 1930s Detroit to the halls of Congress in the 1990s Drawing on a broad range of primary sources the authors adopt a variety of approaches from broad syntheses to careful case studies Altogether the essays tell a single story of workers struggling to find a voice for themselves and their unions within the nation they helped to build It is a story of victories won and of defeats endured **Lincoln's Lost Legacy** Simon Topping,2008 Examines how the Republican Party lost black voters what they did to try to retain them and win them back and why they failed This book looks at the making of politics and policy and also at the relationships between African Americans and political parties revealing how political decisions can carry repercussions for society **Spellbound** Molly Worthen,2025-05-27 What happens when Americans lose faith in their religious institutions and politicians fill the void From the Puritans to Donald Trump this sweeping history will change your understanding of the forces that create leaders and hold their followers captive Elegant and insightful Spellbound is an important contribution to the urgent project of understanding America in our time Jon Meacham Everyone feels it Cultural and political life in America has become unrecognizable and strange Firebrands and would be sages have taken the place of reasonable and responsible leaders Nuanced debates have given way to the smug confidence of yard signs How did we get here In Spellbound historian Molly Worthen argues that we will understand our present moment if we learn the story of charisma in America From the Puritans and Andrew Jackson to Black nationalists and Donald Trump the saga of American charisma Worthen argues stars figures who possess a dangerous and alluring power to move crowds They invite followers into a cosmic drama where hopes are fulfilled and grievances are put right and these charismatic leaders insist that they alone plot the way The story of charisma in America reveals that when traditional religious institutions fail to deliver on their promise of a meaningful life people will get their spiritual needs met in a warped cultural and political landscape dominated by those who appear to have the power to bring order and meaning out of chaos Charismatic leaders address spiritual needs offering an alternate reality where people have knowledge power and heroic status whether as divinely chosen instruments of God or those who will restore national glory Through Worthen s centuries spanning historical research Spellbound places a crucial religious lens on the cultural economic and political upheavals facing Americans today **Books for College Libraries: History** Association of College and Research Libraries,1988 This third edition lists 50 000 titles that form the foundation of an undergraduate library s collection *A London Bibliography of the Social Sciences* ,1931 Vols 1 4 include material to June 1 1929 *Recording for the Blind & Dyslexic, ... Catalog of Books* ,1996 **Books in Series** ,1985 Vols for 1980 issued in three

parts Series Authors and Titles **Choice** ,1984 Congressional Record United States. Congress,1966 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Academic American Encyclopedia** ,1998 A twenty one volume set of encyclopedias providing an alphabetical listing of information on a variety of topics **The Cumulative Book Index** ,1984 A world list of books in the English language **The University of Chicago Magazine** ,1961 *The Scribner Encyclopedia of American Lives* Kenneth T. Jackson,Karen Markoe,Arnie Markoe,1998 Includes persons who made significant contributions while living in the United States whether or not they were U S citizens and who died in the five year period covered by each volume Includes an index by occupation *Comprehensive Dissertation Index, 1861-1972: Philosophy and religion* Xerox University Microfilms,1973 **Brooklyn Daily Eagle Almanac** ,1893 **Bowker's Law Books and Serials in Print** ,1986 20th Century Alan John Percivale Taylor,John Morris Roberts,1979 Presents twentieth century world history including political economic military and social events **Xerox Contemporary High School Library Program** ,1970 **Life** Henry R. Luce,1961
