

THE LAST STAND OF MR AMERICA

"Jason Flores-Williams is a literary force of nature, a train wreck of genius."
San Francisco Chronicle.

"Jason Flores-Williams is an all-American outlaw and edgewalker in the tradition of Jack Kerouac, Charles Bukowski, and Biggie Smalls. The Last Stand of Mr. America cuts into our heart of darkness with no bullshit bedside manner and no anesthesia."

men with none caught up in the fury of terrible events Cowards and heroes good men and bad all bound together in the wild
thunder of their times John Ray Author had been a man of action and adventure A horrific accident confronted him with great
challenges and the need to make a new life for himself He became the world s foremost expert on what he called the
precataclysmic age Other researchers were beginning to follow his lead With prestigious degrees in archeology ancient
history and the physical sciences he was a modern Renaissance man John was a passionate champion of the Constitution of
the United States and its guarantee of personal freedom and liberty It was late in his middle years when the dreams began
Dreams of physical prowess no longer his Dreams of incredible adventure so real he remembered the wind blowing on his
face pine scented forest and song from a world only dreamed of The visions continued waxing more vivid with each passing
night The large heavy crate arrived from England without return address or documentation The contents a large beautiful
ornamented rectangular box constructed of rare woods fine carvings dominated by a white ivory cross Day by day the
