s begin to believe answers won't come from anyone they interview they'll be found in mysterious photos dating back to Mo Mo's disco days They merely have to decipher what the people and backdrops in those photos are telling them a tricky task indeed Will they figure it out before more murders occur perhaps theirs      *The Children of God* Ruth Wangerin, 1993-11-19 Wangerin examines one small symbolic revolution against American capitalist culture It was carried out by youth who were painfully and personally aware of the problems of what they called the System though they did not necessarily understand the underlying causes of their problems They called themselves the Children of God Wangerin studied the Children of God from 1973-1978 in the United States Mexico and Italy and has kept in touch with some of them ever since This is one of the most thorough studies of the controversial cult founded in 1968 by David Berg and the only ethnography that treats it as a mystical utopian socialist movement      *The Kids' Book of Disco* Nancy P. Bruning, 1979      *The Night They Vanished* Vanessa Savage, 2022-05-03 A family with a secret A past about to catch up with them Hanna has barely spoken to her family since the tragedy that rocked their lives fourteen years ago The tragedy for which they held Hanna responsible Then she sees her family home listed as the scene of a horrific crime Number of victims three Date of crime today Frantic Hanna tries to contact her family only to find they have disappeared To find them Hanna will have to confront what happened all those years ago And the person determined to make her pay for it      **Failure Is an Option** H. Jon Benjamin, 2019-05-07 Writing this funny requires immense talent AV Club H. Jon Benjamin the lead voice behind Archer and Bob's Burgers helps us all feel a little better about our own failures by sharing his own in a hilarious memoir-ish chronicle of failure Most people would consider H. Jon Benjamin a comedy show business success But he'd like to remind everyone that as great as success can be failure is also an option And maybe the best option In this book he tells stories from his own life from his early days wherein I'm unable to deliver a sizzling fajita to his romantic life how I failed to quantify a threesome to family wherein a trip to P.F. Chang's fractures a family to career how I failed at launching a kid's show As Jon himself says breaking down one's natural ability to succeed is not an easy task but also not an insurmountable one Society as we know it is sadly failure averse But more acceptance of failure as Jon sees it will go a long way to making this world a different place a kinder gentler place where gardens are overgrown and most people stay home with their pets A vision of failure but also a vision of freedom With stories examples of artistic and literary failure and a powerful can't do attitude Failure Is an Option is the book the world doesn't need right now but will get regardless      **New York Magazine**, 1991-11-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award-winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      **Ward's Automobile Topics**, 1916      **Motor Age**, 1916      *The Lighter Side of Finland (6th Edition)* Russell Snyder, The Lighter Side of Finland is celebrating its 22nd
