The Kilfenora Teaboy A Study Of Paul Durcan:

The Kilfenora Teaboy Colm Tóibín, 1996 Over the past twenty years Paul Durcan has become an essential presence in Irish life His poems have ranged from risk taking explorations along the tragi comic fault lines in contemporary Ireland to brave and painful studies of the private self Taking its title from one of his most famous poems *The Kilfenora Teaboy* is the first full length study of Paul Durcan s work It includes an analysis of his relationship with the political world he inhabits a study of the connection between his own background and poetic vision and critical evaluation of the essential themes which underpin his extraordinary body of work *Contemporary Irish Poetry and the Canon* Kenneth Keating, 2017-03-27 This book makes an important intervention into debates about influence and contemporary Irish poetry Supported throughout by incisive reflections upon allusion word choice and formal structure Keating brings to the discussion a range of new and lesser known voices which decisively complicate and illuminate its pronounced concerns with inheritance history and the Irish poetic canon Steven Matthews Professor of English Literature University of Reading UK and author of *Irish Poetry Politics History Negotiation and Yeats As Precursor* This book is about the way that contemporary Irish poetry is dominated and shaped by criticism It argues that critical practices tend to construct reductive singular and static understandings of poetic texts identities careers and maps of the development of modern Irish poetry This study challenges the attempt present within such criticism to arrest stabilize and diffuse the threat multiple alternative histories and understandings of texts would pose to the formation of any singular pyramidal canon Offered here are detailed close readings of the recent work of some of the most established and high profile Irish poets such as Paul Muldoon and Medbh McGuckian along with emerging poets to foreground an alternative critical methodology which undermines the traditional canonical pursuit of singular meaning and definition through embracing the troubling indeterminacy and multiplicity to be found within contemporary Irish poetry

The Art of the Caveman John Mc Donagh, 2016-09-23 The first monograph on the poetry of Paul Durcan this book deals thematically with the dominant concerns evident from his first solo collection *O Westport in the Light of Asia Minor* published in 1975 up to and including *The Days of Surprise* published in 2015 His work is marked by an unnerving emotional honesty and a recurring desire to undermine the pomposity of an Ireland struggling under the weight of inherited inconsistencies One of the central arguments here is that Durcan has captured more than any other poet of his generation the complexities and contradictions inherent in Ireland s emergence from the early difficult decades of independence The complex relationship between the public and private in his poetry is also explored as well as the poet s unflinching examination of his deepest personal relationships **A Companion to Contemporary British and Irish Poetry, 1960 - 2015** Wolfgang Gortschacher, David Malcolm, 2020-12-21 A comprehensive and scholarly review of contemporary British and Irish Poetry With contributions from noted scholars in the field *A Companion to Contemporary British and Irish Poetry 1960 2015* offers a collection of writings from a diverse group of experts They explore the richness of individual poets genres forms techniques

Auge, 2013-12-03 A Chastened Communion traces a new path through the well traversed field of modern Irish poetry by revealing how critical engagement with Catholicism shapes the trajectory of the poetic careers of Austin Clarke Patrick Kavanagh John Montague Seamus Heaney Eil an N Chuillean in Paul Durcan and Paula Meehan Underlying their divergent poetic styles and thematic concerns Auge discerns a common pattern He shows how a demythologizing critique of some elemental features of Irish Catholicism the sacraments of confession and the Eucharist the pilgrimages to holy wells and Lough Derg the veneration of the Blessed Virgin the imperative to self sacrifice the narrowly patriarchal nature of the institution elicit for each of these poets a radical reshaping of these traditional religious phenomena Auge provides compelling new readings of major Irish poets and establishes a basis for distinguishing modern Irish poetry from its Anglophone counterparts **Poetry, Politics, and the Law in Modern Ireland** Adam Hanna, 2022-09-06 Poetry Politics and the Law in Modern Ireland is a richly detailed exploration of how modern Irish poetry has been shaped by and responded to the laws judgments and constitutions of both of the island s jurisdictions Focusing on poets responses in their writing to such contentious legal issues as partition censorship paramilitarism and the curtailment of women s reproductive and other rights this monograph is the first in the growing field of law and literature to focus exclusively on modern Ireland Hanna unpacks the legal engagements of both major and non canonical poets from every decade between the 1920s and the present day including Rhoda Coghill Austin Clarke Paul Durcan Elaine Feeney Miriam Gamble Seamus Heaney Thomas Kinsella Paula Meehan Julie Morrissy Doireann N Ghr ofa and W B Yeats Poetry from the time of independence onward has been shaped by two opposing forces On the one hand the Irish public has traditionally had strong expectations that poets offer a dissenting counter discourse to official sources of law On the other hand poets have more recently expressed skepticism about the ethics of speaking for others and about the adequacy of art in performing a public role Hanna s fascinating study illuminates the poetry that arises from these antithetical modern conditions Writing Forward Susan Bassnett, Piotr Blumczynski, 2025-06-18 This collection of essays by a team of internationally respected researchers at the cutting edge of translation studies was inspired by the idea of writing forward as a strategy for theatre

translation proposed by David Johnston the award winning translator and scholar Opening this volume is a conversation between David Johnston and Lawrence Venuti in which they explore a broad range of topics that bear on the translation of theatrical texts for performance The chapters that follow are grouped into three main parts Part I Extending translation contains essays whose respective theoretical emphases test push and stretch traditional conceptual boundaries Part II Translating for theatre zooms in on various aspects of theatre translation Part III Translation and creativity shifts the focus beyond the stage to other forms of artistic expression poetry painting film and television Finally in the short play Noli me tangere written especially for this volume Juan Mayorga reflects on theatre as the art of distance and on the mysteriousness of translation as the art of negotiating that distance Thinking about and practicing translation as writing forward underscores its perpetual provisionality and hermeneutic openness its ability to surprise and stimulate but also remind and reassure By enriching our understanding of translation performance and creativity this volume will no doubt inspire further explorations into their fascinating complexities Useful and important reading for advanced students and researchers of literature theatre culture and translation Books from Ireland ,1996
