The Killing Of Leon Beron:

The Killing of Leon Beron William Beadle,1995 *Murder of the Black Museum - The Dark Secrets Behind A Hundred Years of the Most Notorious Crimes in England* Gordon Honeycombe,2011-02-07 New Scotland Yard the headquarters of London s Metropolitan Police houses the notorious Black Museum a unique collection of exhibits photographs and other items connected with some of the most famous crimes of the last century Fifty of those crimes were murders and they are explored in detail in this compelling book Recently renamed The Crime Museum the author Gordon Honeycombe was given privileged access to its darkest secrets His book spans a hundred years of murder manslaughter and attempted assassinations and reveals the true facts behind some of the country s most notorious murder cases including Jack the Ripper Dr Crippen and the Krays This is the ultimate guide to the most incredible crimes ever committed featuring contemporary photographs never seen outside Scotland Yard Closely researched and objective this book is a fascinating guide to murder and a grim insight into the minds of those who practice it Honeycombe takes an unflinching look at why people murder and asks important questions about this most appalling of crimes execution and the law itself **Dynamite, Treason and Plot** Simon Webb,2011-11-30 In the years since the 7 7 attacks on the London transport system many people in Britain seem to have become convinced that we live in uniquely dangerous times and that the threat from terrorism has never been greater In fact terrorist attacks have been a feature of life in London for many years The worst terrorist bombing in the capital before 7 7 took place in 1867 when twelve people were killed in an explosion in Clerkenwell The first person to be killed by a bombing on the Tube died in 1897 From the deadly Fenian campaign against high profile targets in the capital to the Anarchist bombing of the Royal Observatory at Greenwich late nineteenth and early twentieth century London saw a constant succession of terrorist threats This book details the emergence of modern terrorism a phenomenon which has its roots in Victorian London *Scenes Of Murder* Winston Ramsey,2012-02-28 In this book After the Battle have explored entirely new ground to investigate 150 years of murder and present it through our then and now theme of comparison photographs Scene of crime plans and photographs from police files focus on a wide variety of murders committed between 1812 when a Prime Minister was shot in the House of Commons to killings on the streets of London in the 1960s Far too often it is the perpetrator who is remembered while their victims many lying in unmarked graves remain lost to history So this book sets out to redress the balance by tracking down the last resting places even going as far as to mark two wartime graves of taxi drivers killed by American servicemen Homicide is not a subject for the faint hearted and many of the photographs are distressing which is why the book is made available with that warning Famous Crimes and Criminals C. L. McCluer Stevens,1924 **Trial of Steinie Morrison** Stinie Morrison,1922 Trial for the murder of Leon Beron The Houndsditch Murders and the Siege of Sidney Street Donald Rumbelow,2016-09-23 In December 1910 an armed gang of Latvian revolutionaries attempted to rob a jeweller s shop in Houndsditch in the City of London In their escape they killed

three policemen and crippled another two After a manhunt of nearly three weeks police were tipped off by an informant that two of the gang were hiding in a house in Sidney Street in London s East End So began the siege and a gun battle involving both the police and the army and more controversially Home Secretary Winston Churchill which ended with a burning house and two dead gunmen The final twist was to come with the release of the man who killed three English policemen and lived to become a mass murderer under Lenin and Stalin as head of the all powerful Soviet Cheka Donald Rumbelow has drawn upon rare documentary and eyewitness material including files unavailable to previous historians to present a lucid and exciting account of these extraordinary events and of the trial that followed The result is all the more remarkable when one realises that the author rescued all the contemporary police documents and photographs about this case from destruction

Lestrade and the Leviathan M. J. Murders Neil R Storey,2012-02-29 Neil R Storey has drawn on a vast array of original sources among them witness statements coroners reports and court records to produce a revealing insight into the East End s darkest moments As well as the murders of Jack the Ripper perhaps the most infamous in history he looks at nine other cases in detail the still mysterious Ratcliffe Highway Murders of 1811 Henry Wainwright who dismembered his mistress and rolled up her remains in a carpet in 1874 Israel Lipski whose name became a term of derision and abuse against Jews in East London for years following his conviction for the murder of a young woman in 1887 the unsolved murder of Frances Coles in 1891 the Whitechapel High Street Newspaper Shop Murder in 1904 the Houndsditch Murders and the Siege of Sidney Street in 1910 in which a robbery potted by Russian anarchists went badly wrong the throat cutting William Cronin in 1925 the Bow Road Cinema Murder in 1934 and finally the shooting of George Cornell by Ronnie Kray at the Blind Begger pub in 1966 East End Murders is a unique re examination of the darker side of the capital s past *The Reader's Index* Croydon Public Libraries,1922

Reader's Index and Guide ,1923 [Scotland Yard's History of Crime in 100 Objects](#) Alan Moss,Keith Skinner,2015-10-05 Explore Britain s dark criminal history through the fascinating objects that have been hidden away in the Crime Museum at

Scotland Yard a collection that although world famous is so sensitive it is not open to public view Each object tells its own story the briefcase with a concealed syringe owned by the notorious Kray twins the gun Ruth Ellis used to murder her lover David Blakely a burnt out computer from the Glasgow airport car bomb a picture from the property of Dennis Nilsen of the grisly drain that was blocked with human body parts and the gun that Edward Oxford fired at Queen Victoria that failed to assassinate her Updated to feature new objects that have entered the collection since 2015 Scotland Yard s History of Crime in 100 Objects is an absorbing sometimes shocking and often disturbing journey through criminal history Peer within to experience a unique insight into the crimes and criminals dealt with by Scotland Yard *Murderers' Row* Robin Odell,Wilfred Gregg,2011-10-30 Criminologist Robin Odell has compiled this gruesome gallery of cases from all over the world revealing the growth in serial slayings contract killings and middle class murders and investigating what motivates people to commit the ultimate crime As well as gangsters and ordinary felons the book includes doctors millionaires housewives children lawyers accountants officers and gentlemen who have succumbed to the killing instinct Behind the sensational names concocted by the tabloid press Boston Strangler Dracula Killer Night Stalker Granny Killer lurk real murderers committing acts of violence in circumstances often more bizarre than fiction Arranged in an easy to use A Z format the book contains over 500 cases from serial killers such as Dennis Nilsen and Ted Bundy to those such as Jeremy Bamber and Steven Benson who dispatched their parents for money from murderous New Zealand teenagers whose story made a successful film to the many doctors and nurses who took life instead of saving it from unsolved murders such as the murder of Little Gregory in France to the paid assignments of John Waynes Hearn a Vietnam veteran who killed to order The result is a classic of true crime a definitive work on murder as a worldwide phenomenon Miscarriages of Justice John J. Eddleston,2009-11-19 To face a trial for murder must be a terrifying prospect all the more so when you know that you are innocent of the charge How much more horrific must it be then when you know that should you be found guilty the sentence must be that you will lose your life at the end of a rope All of the cases reviewed in this book involved one or more individuals who were put on trial for taking the life of a fellow human being The stories involve the eventual execution by hanging of nine men and one woman To date two of those men have been reprieved too late for them and their families of course but nevertheless the state had admitted that it was wrong What of the others What of Louisa Masset the first person to be hanged in the twentieth century Did she really murder the son she apparently loved so much What of Frederick Seddon who went to the gallows still protesting that he was innocent of the murder of his lodger And what of Harry Armstrong hanged for murdering his fiance on New Year s Day 1939 The cases in this book all took place in London Read the stories for yourself and remember that the law states that if there is a reasonable doubt then it is the jury s duty to acquit Was there not a reasonable doubt in some of the cases detailed here Put yourself onto those juries and decide whether you would have still been prepared to stand in court and announce that dreaded word Guilty *An East End Legacy* Colin Holmes,Anne J
