## **The Kingdom Of Afghanistan And The United States 18281973:**

**The Kingdom of Afghanistan and the United States** Leon B. Poullada, Leila Poullada, 1995      **The Middle East and the United States** David W. Lesch, 2018-09-03 This volume addresses the changes in the Middle East and in the United States as well that has significantly affected the US Middle Eastern dynamic It provides an objective cross cultural assessment of U S foreign policy in the Middle East      *A Companion to U.S. Foreign Relations* Christopher R. W. Dietrich, 2020-03-04 Covers the entire range of the history of U S foreign relations from the colonial period to the beginning of the 21st century A Companion to U S Foreign Relations is an authoritative guide to past and present scholarship on the history of American diplomacy and foreign relations from its seventeenth century origins to the modern day This two volume reference work presents a collection of historiographical essays by prominent scholars The essays explore three centuries of America s global interactions and the ways U S foreign policies have been analyzed and interpreted over time Scholars offer fresh perspectives on the history of U S foreign relations analyze the causes influences and consequences of major foreign policy decisions and address contemporary debates surrounding the practice of American power The Companion covers a wide variety of methodologies integrating political military economic social and cultural history to explore the ideas and events that shaped U S diplomacy and foreign relations and continue to influence national identity The essays discuss topics such as the links between U S foreign relations and the study of ideology race gender and religion Native American history expansion and imperialism industrialization and modernization domestic and international politics and the United States role in decolonization globalization and the Cold War A comprehensive approach to understanding the history influences and drivers of U S foreign relation this indispensable resource Examines significant foreign policy events and their subsequent interpretations Places key figures and policies in their historical national and international contexts Provides background on recent and current debates in U S foreign policy Explores the historiography and primary sources for each topic Covers the development of diverse themes and methodologies in histories of U S foreign policy Offering scholars teachers and students unmatched chronological breadth and analytical depth A Companion to U S Foreign Relations Colonial Era to the Present is an important contribution to scholarship on the history of America s interactions with the world      *A Military History of Afghanistan* Ali Ahmad Jalali, 2017-03-17 The history of Afghanistan is largely military history From the Persians and Greeks of antiquity to the British Soviet and American powers in modern times outsiders have led military conquests into the mountains and plains of Afghanistan leaving their indelible marks on this ancient land at the juncture of Europe Asia and the Middle East In this book Ali Ahmad Jalali a former interior minister of Afghanistan taps a deep understanding of his country s distant and recent past to explore Afghanistan s military history during the last two hundred years With an introductory chapter highlighting the major military developments from early times to the foundation of the modern Afghan state Jalali s account focuses primarily on the era of British conquest and Anglo Afghan wars the Soviet invasion the civil war and the rise

of the Taliban and the subsequent U S invasion Looking beyond persistent stereotypes and generalizations e g the graveyard of empires designation emerging from the Anglo Afghan wars of the 19th century and the Soviet experience of the 1980s Jalali offers a nuanced and comprehensive portrayal of the way of war pursued by both state and non state actors in Afghanistan against different domestic and foreign enemies under changing social political and technological conditions He reveals how the structure of states tribes and social communities in Afghanistan along with the scope of their controlled space has shaped their modes of fighting throughout history In particular his account shows how dynastic wars and foreign conquests differ in principle strategy and method from wars initiated by non state actors including tribal and community militias against foreign invasions or repressive government Written by a professional soldier politician and noted scholar with a keen analytical grasp of his country s military and political history this magisterial work offers unique insight into the military history of Afghanistan and thus into Afghanistan itself

**Historical Dictionary of Afghanistan** Thomas H. Johnson, Ludwig W. Adamec, 2021-05-15 Afghanistan is an extremely complex and nuanced country that has been one of the centers of imperial conflict at least for 150 years From the Czarist Russia s march south in the 19th Century threatening British India three Anglo Afghan Wars the Soviet Invasion and occupation of Afghanistan starting in December 1979 and the resulting anti Soviet Jihad by the Afghan Mujahideen to Kabul s and their allies U S and NATO conflict with the Taliban Afghanistan has been one of the centers of important international and regional conflicts and events Historical Dictionary of Afghanistan Fifth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 000 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Afghanistan

*The Origins of Conflict in Afghanistan* Jeffery Roberts, 2003-12-30 Focusing on Afghanistan s relations with the West during the latter half of the 20th century this study offers new insights on the long term origins of the nation s recent tragedies Roberts finds that since the 1930s in particular Afghanistan pursued policies far more complex and considerably more pro Western than previous studies have surmised By the end of the Second World War Britain and Afghanistan seemed headed toward an extensive partnership in military and economic affairs Opportunities to cement Afghanistan to the West existed but ultimately ran afoul of regional politics shortsighted policy and indifference The rise of the Indian nationalist movement and the eventual partition of India would have strategic ramifications for Afghanistan Pakistan and India weakened and poised against each other saw no reason to aid the Kabul regime leaving only the United States as a potential benefactor Successive American administrations however denied most Afghan requests When the Eisenhower administration extended support to Pakistan it alienated Afghan leaders who then chose to broker a deal with the Soviet Union Roberts analyzes recent American policy toward Afghanistan and its neighbors clarifying the current situation and offering guidelines for future relations

**The Great Power Competition Volume 1** Adib Farhadi, Anthony J.

Masys,2021-06-22 Over the past decade the international political system has come to be characterized as a Great Power Competition in which multiple would be hegemon compete for power and influence Instead of a global climate of unchallenged United States dominance revisionist powers notably China and Russia alongside other regional powers are vying for dominance through political military and economic means A critical battleground in the Great Power Competition is the Middle East the Horn of Africa and the Central Asia South Asia CASA also known as the Central Region With the planned withdrawal of U S military forces from Afghanistan the U S has stated its intention of shifting attention away from the CASA Region in favor of a more isolationist foreign policy approach This book provides an in depth understanding of the implications for this shift related to regional diplomacy politics economic opportunities rivalries security considerations interests and the information environment Amplifying the vital importance of success in the Central Region to U S prosperity and security this volume advances dialogue in identifying key issues for stakeholders within and beyond the Central Region to gain a holistic perspective that better informs decision making at various levels This collection of work comes from scholars strategic thinkers and subject matter experts who participated in the Great Power Competition Conference hosted by the University of South Florida in partnership with the National Defense University Near East South Asia Center for Strategic Strategies in January 2020      **The Middle East and the United States, Student Economy Edition** David Lesch,2018-10-03 This volume addresses the changes in the Middle East and in the United States as well that has significantly affected the US Middle Eastern dynamic It provides an objective cross cultural assessment of U S foreign policy in the Middle East      *Afghanistan* Bahar Jalali,2005      **Historical Dictionary of Afghanistan** Ludwig W. Adamec,2012 This new fourth edition has been substantially expanded because so much has taken place in such a short period of time The most important changes however have been made to the dictionary section with hundreds of added or substantially revised entries on important people places events institutions practices ethnic and religious groups political parties and Islamist movements as well as significant aspects of Afghanistan s politics economy society and culture      **Central Asia, Security, and Strategic Imperatives** Tabassum Firdous,2002 The present study offers an assessment of security concerns in Central Asia after the collapse of Soviet Union in 1991 It deals with the transition period for the five Central Asian States from the communist system to a democratic and pluralistic one Essentially the focus of the writer is on bilateral multilateral and international commitments of these States to ensure peace and security in the region The withdrawal of nuclear warheads from Kazakhstan collective security formula bilateral agreements and the role of the big powers all make an interesting study The author has discussed these concerns in the context of the stance of neighbouring States vis a vis Central Asia Economic interests also figure wherever necessary This work is highly useful to those who would like to concentrate on any aspect of history in Central Asia and adjoining regions in the post Soviet period      New Trends in Indo-Russian Relations V.D. Chopra,2003 This book is a compilation of articles by over two dozen Indian specialists on India s relations with Russia and

Russia Today after the disintegration of the Soviet Union It is a unique exercise This study is first of its kind which makes an objective estimate of both India s relations with Russia and changes in Russia during 90 s in the last century Dynamics of Political Development in Afghanistan H. Emadi,2010-10-18 This book examines how dependent development and struggles for power within and outside the state apparatus led to formation of alliances with imperial powers and how the latter used these alliances to manipulate political development in Afghanistan to their own advantage **The Great Power Competition Volume 2** Adib Farhadi,Anthony Masys,2022-02-01 Even before the outbreak of the COVID 19 pandemic the Central Region faced numerous obstacles to building a stable and prosperous future The region which encompasses the Middle East the Horn of Africa Central Asia and South Asia has been plagued by economic and political uncertainty amidst dramatic shifts in the global power structure With the pandemic now exacerbating the volatility in this already fragile region the U S s strategic objectives are rife for re examination A complicated stew of factors such as weakening of established governance systems the emboldening of extremist individuals and groups through advances in digital technology the humanitarian crises in Afghanistan and Syria and the intensification of the great power competition with China and Russia are creating a fertile environment for the growth of violent extremist organizations VEOs Such organizations take advantage of vulnerable aggrieved and traumatized populations to fuel radicalization recruitment and unrest which further undermine stability and the potential for peace and prosperity While it is still early to fully understand how the ongoing response to the COVID 19 pandemic will impact U S policy this book provides a timely analysis of relevant dynamics such as popular radicalization digital information ecosystems networks of influence and new capabilities to recognize and prepare for other such black swan events in the region U.S. Foreign Policy Toward the Third World Jürgen Rüländ,2006 The contributors to this volume examine the evolution of U S foreign policy toward the Third World and the new policy challenges facing developing nations in the post Cold War era The book incorporates the key assessment standards of U S foreign policies directed toward critical regions including Latin America Africa the Middle East Central Asia and Southeast Asia It outlines U S policy successes and failures as Washington seeks to deal with the Third World in a new era of terrorism trade and democratic enlargement *America's Afghanistan War* Jagmohan Meher,2004 The study attempts to look at the United States response to the various developments and challenges of Afghanistan with a view to understand the dynamics of survival and relative failure of this land locked country Focuses on the American reaction to the Soviet invasion of Afghanistan in December 1979 and elaborates on the process of American decision making It will best serve purposes to the International Affairs studies and scholars **A Rope and a Prayer** David Rohde,Kristen Mulvihill,2011-11-01 The compelling and insightful account of a New York Times reporter s abduction by the Taliban and his wife s struggle to free him In November 2008 David Rohde a Pulitzer Prize winning correspondent for The New York Times was kidnapped by the Taliban and held captive for seven months in the tribal areas of Pakistan In the process Rohde became the first American to

witness how Pakistan's powerful military turns a blind eye toward a Taliban minstate thriving inside its borders In New York David's wife Kristen Mulvihill together with his family kept the kidnapping secret for David's safety and struggled to navigate a labyrinth of conflicting agendas misinformation and lies Part memoir part work of journalism *A Rope and a Prayer* is a story of duplicity faith resilience and love      **Operation Anaconda** Lester W. Grau, Dodge Billingsley, 2011-11-25 Long before it became Obama's War the long running conflict in Afghanistan was launched by President George W Bush in retaliation for the 9 11 attacks on the United States Only a few months later Operation Anaconda sent American led coalition forces into their most intensely brutal confrontation with Al Qaeda and their Taliban hosts in the Shar-i-Kot Valley near the Pakistan border The result was an unexpected set piece of conventional fighting in what has become an era of guerrilla warfare Drawing upon previously unavailable or neglected sources Lester Grau and Dodge Billingsley give us the most complete and accurate account of this thirteen day firefight waged in mountainous terrain nearly two miles above sea level They describe how allied troops fought a fierce and well entrenched enemy to a standstill close to an old Soviet battlefield and then drove them completely out of Afghanistan Grau and Billingsley's account also highlights problems encountered in Anaconda and the lessons we should learn from their in depth study The Army and Air Force operated under conflicting views regarding the appropriate application of Close Air Support and airpower both crippled and aided the overall effort In addition severe shortages of transport attack helicopters and artillery hampered the effort while the acquisition and timely sharing of intelligence barely occurred at all and coalition relations frayed under the intense pressures of combat As an added bonus the authors also include with the book a documentary on DVD that features interviews with soldiers who fought in Anaconda provides additional information concerning major phases of the battle and presents insightful commentary by Grau and by Billingsley who was on the ground with U S forces for the operation Providing the richest description and critique of all the forces involved including those that fought on the enemy side the combined book and DVD surpasses all previous accounts of this landmark engagement and is an essential volume in the literature on our war in Afghanistan      **Afghanistan C.** Heather Bleaney, María Ángeles Gallego, 2006 Presents a thematically indexed bibliography devoted to Afghanistan Following the pattern established by one of its major data sources viz the acclaimed Index Islamicus both journal articles and book publications are included and indexed      **Afghanistan, Dynamics of Survival** Jagmohan Meher, 2008 This Study Is An Attempt To Look At The Various Developments In And Challenges Of Afghanistan With A View To Understand The Dynamics Of Survival Of This Landlocked Country This Is The Most Comprehensive And Analytical Study Of Its Kind On The Recent Geo Political Developments In Afghanistan The Authors Have Been Very And Ongoing Trends Very Cohesively To Understand The Role Of Both Governmental And Non Governmental Actors In This War Torn Country
