Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church

With the Understanding Also Burton E. Turner, 2016-04-25 In the end its all between you and God What do you really believe Herein we see the truth about many things in the Bible that most dont even pretend to know We look at the unseen but very real part of the iceberg of truth Weve been told that a life of Christianity is hard yet how is it that Jesus told us that His yoke is easy and His burden is light In this study one can readily see that living a life the way others wish you to is truly difficult At the same time following the examples and teachings of Jesus is both simple and pleasurable You may have your faith strengthened You may finally develop a faith of your own You may tweak your relationship with God You may completely alter your previous beliefs In some way you will be changed by your study in this work
