The Kingdom of Heart Patty L. Luckenbach, 2021-10      **Kingdom of the Heart** Patty L. Luckenbach, 2005-08-15 Every loss we experience holds its own special meaning for us and losing a beloved pet can be as difficult as any other transition. But unlike other deaths the passing of an animal friend does not bring together family and friends. It is hurt that we generally manage all alone. The Kingdom of Heart provides both ways to express and to release our grief. A cathartic tool and a memorial, this workbook is designed for anyone who carries tender memories of his or her special animal companion. It honors the place where we always reside with our pet in the Kingdom of Heart.      *The Kingdom of Heart* Patty Luckenbach, 2022-05 Every loss we experience holds its own special meaning for us and losing a beloved pet can be as difficult as any other transition. However Champ suffered physically and mentally from neglect and trauma from his first years of life. Despite numerous treatments Champ was never able to overcome that trauma to become a normal dog and his family made the painful decision to give him peace through behavior euthanasia. This work serves not only as an account of Champ's life and his family's attempts to help him but also as a resource on behavior euthanasia which is a compassionate choice for unmanageable aggression reactivity bites or severe anxiety. Investigating the potential causes of these issues chapters examine scientific research on dog behavior and emotions.      Why We Love Them So Paul A. Keenan, 2009-08 When a beloved pet dies the grief that often follows can be overwhelming. Why We Love Them So Surviving the Loss of an Animal Friend offers profound guidance on how to understand deep sorrow and eventually use its power to transform our lives. Father Paul Keenan faced his own grief journey when Teddy his twenty five year old cat passed away. Knowing the love he felt for Teddy was irreplaceable Father Paul turned within and listened to his soul sharing the valuable lessons he learned as a result. Along with providing a series of short reflections on various aspects of grieving Father Paul moves those mourning the loss of an animal companion through the seven stages of grief that comprise such profound emotions as Feeling alone after death Dealing with Why me Learning to receive and offer compassion Realizing an overall purpose Sorting through past life experiences Returning to daily life Committing to a new level of aliveness and reality. Father Paul's gentle advice and guidance will inspire uplift and connect readers with their capacity to live purposeful meaningful lives after the loss of their much adored animal companions.
