The Kingdoms Of God:

The Kingdom of God Martyn Lloyd-Jones, 2010 In a world that has completely misunderstood Christianity Martyn Lloyd Jones calls Christians back to what the kingdom of God is truly about a blessed Savior and wondrous forgiveness The Kingdom of God John Bright, 2010-09-01 This book traces the history of the biblical idea of the Kingdom of God and suggests its contemporary relevance To grasp what is meant by the Kingdom of God is to come very close to the heart of the Bible s gospel of salvation from the Preface **THE LAWS OF GOD'S KINGDOM** GODSWORD GODSWILL ONU, 2015-03-22 When we talk of the Laws of God s Kingdom we are speaking of Rules which people who are in the Kingdom of God must obey or follow The Rules instruct and command us on how things must be done or the things that are allowed in it The Laws of God s Kingdom also refer to how things happen in the Kingdom of God In other words the Laws of God s Kingdom describe the outcomes or resultant effects of doing this and that or not doing this and that Some things may happen in your life which you did not expect or which you may not explain but it may just be that an existing Law in the Kingdom of God has worked God has magnified and exalted His Word above all His Name Therefore be careful not to go against the Laws of the Kingdom of God **The Kingdom of God** Christopher W. Morgan, Robert A. Peterson, 2012-11-30 The kingdom of God is a very large biblical category indeed Accordingly a comprehensive understanding of the kingdom would illuminate many aspects of theology With this in mind Bruce Waltke Robert Yarbrough Gerald Bray Clinton Arnold Gregg Allison Stephen Nichols and Anthony Bradley have collaborated to articulate a full view of the kingdom of God across multiple disciplines One of the most important books on the kingdom since G E Ladd this volume offers a robust theology and is corroborated by the very series in which it stands Fourth in the noted Theology in Community series The Kingdom of God establishes the significance of the kingdom from the perspectives of biblical theology systematic theology history pastoral application missiology and cultural analysis Part of the Theology in Community series **The Kingdom of God in History** Benedict T. Viviano, 1988 **The Power of the Kingdom** Bill Fries, 2012-09 The Power of the Kingdom is a true story about a King His kingdom and how power is released to His citizens It reveals the incredible blessings bestowed by the King upon every one of His citizens and teaches them how to receive them God designed you to rule and reign in life in your health in your finances in your relationships If this has not been your experience it can be Jesus told us how in Matthew 6 33 Seek first the kingdom of God Teaching and preaching the message of the kingdom dominated the earthly ministry of Jesus When people heard this message and believed it miracles occurred The blind could see the deaf could hear and the dead were raised Author Bill Fries explains the difference between living in God s kingdom and living in a democracy He teaches you the operating protocol for living victoriously in the kingdom of God on earth and shows you how to receive God s promises The Kingdom of God Austin R. Dayal, 2018-11-20 After proclaiming that God s Kingdom had come near Jesus died on the cross This is hard to reconcile with what Jesus announced at the start of his ministry It can only be understood when we realize the relationship

between the Kingdom of God and his death Jesus said flesh and blood can't inherit the Kingdom of God but only those who are born of the Spirit and for this reason Jesus had to die on the cross Jesus explained this to Nicodemus that only those who are born of the Holy Spirit can enter into the Kingdom of God He came into the world to make it happen because without the cross of Jesus there is no fulfillment of the Kingdom The proclamation of Jesus his works and his life have strong bearing on his mission Jesus proclaimed that the Kingdom of God had come near He healed the sick fed the hungry and gave hope to the poor He lived a very basic life with his disciples and had no earthly possessions This was the Kingdom that Jesus proclaimed It gave the power back to the people it gave them dignity and a life of joy and contentment It was about the wellbeing of the whole community and where the leaders served others Jesus explained the mysteries of his Kingdom through many parables which turned the whole concept of the kingdom on its head and only a few were able to understand it then as it is now It was a new and unique concept for the disciples to grasp but after his resurrection when he was with them for forty days Jesus explained everything to them as recorded in the book of Acts He instructed them to remain in Jerusalem till they were baptized by the Holy Spirit Their empowerment which is usually understood in terms of Peter's bold preaching of the gospel was in fact more than that It was to give them the courage to leave their earthly possessions and relationships and accept the other believers as their new family where God lived with them and looked after their daily needs spiritual as well as material This was a very bold step for them to take It was more daring than standing up to preach before a large crowd on the day of the Pentecost The first church in Jerusalem became a place where God's Kingdom had come They rejoiced together as they shared everything and God did mighty works among them This would not have been possible if they hadn't left their own families and possessions to join the new community of God's people The church lost the initial impetus that the early Christians had in the way they lived and preached the good news of the Kingdom especially during the post-Constantine period when the church leaders were seduced by the wealth that came from the state treasury The way Jesus the apostles and the early Christians had lived was completely forgotten or overlooked The sixteenth century reformation tried to recover some of the important aspects of Christianity but it did not go far enough At present the church has become its own worst enemy Some churches are trying to destroy the very foundation of our salvation by denying the existence of historical Jesus In others the faith in Jesus has failed to translate into a living reality It judges the world harshly and does not reflect the values of God's Kingdom in its daily life We need to reaffirm the apostolic faith and the community life of the early church And become a community of God's redeemed people who follow the principles of his Kingdom This is the true life and witness of the church

The Kingdom of God John Fuellenbach, 2006-04-01 The fruit of many decades of study and teaching The Kingdom of God provides an impressive systematic treatment of the doctrine of the Kingdom of God It is a comprehensive review of this crucial symbol as well as a careful analysis of its meaning and a creative interpretation of the Kingdom motif for the church and Christians in our age The Kingdom of God begins by analyzing the background of this idea in Hebrew

scripture and tradition and in the preaching of Jesus Fuellenbach explores how this elusive phrase presents a specific comprehensive view of reality and a goal for transforming the world In Fuellenbach s reading the Kingdom forms the core of Christian faith and the reference point of all theology spirituality and apostolic activity Fuellenbach pays special attention to the relationships among Kingdom Church and World arguing that with the Kingdom Jesus proclaimed a vision that embraces God humankind and the whole of creation in the single most comprehensive vision of reality imaginable The Kingdom of God is balanced and nuanced in its scholarship but also vigorous and courageous in taking positions sure to provoke debate For example Fuellenbach argues that the word Kingdom is to be preferred over the word Reign despite critiques that find the word problematic in its patriarchal connotations Designed for and tested in classrooms worldwide The Kingdom of God will be particularly useful in both scripture and theology courses It holds much food for thought for religious educators pastoral workers clergy and others who wish for a clear systematic understanding of Jesus vision of the Kingdom now and to come

The Secret of the Kingdom of God John H. Hatton,2017-10-11 The Secret of the Kingdom of God is a systematic and comprehensive view of the Kingdom of God which introduces a coherent and unifying model organized around the aspects of the Kingdom found in Scripture It provides a working definition of the Kingdom and offers abundant cross referencing of Bible verses throughout This is not just another book on the Kingdom of God How is it different Most Christian books on the Kingdom focus on a particular aspect such as the Millennium or on a certain portion of the Kingdom as seen in the Gospel of Matthew for example Authors who do cover more ground usually fail to present a systematic and more comprehensive view The reader generally comes away with a handful of confusing loose ends and without a working knowledge of how it all comes together The Secret of the Kingdom of God answers questions about the nature of the Kingdom how to enter the Kingdom why studying this subject is so important and much more Finally a book about the Kingdom of God that brings all the different aspects together in one volume A book that helps the reader fit the pieces together stand back and see the big picture It s time every believer become well acquainted with this subject since the Kingdom of God is the central theme of the Bible and has everything to do with who we are where we came from and where we are going The Kingdom of God

Jeff Lowe,2008 This prophetic book offers details about what is now happening in the Kingdom of God where it will be in the near future and in the millennium period Practical Life The Greatness of the Kingdom Alva J. McClain,1968 *The Kingdom of God in You* Bill Winston,2010-05-04 Nationally known pastor Bill Winston brings this powerful message of God s provision healing and more that is already resident in the believer and available to those who will seek God s direction If the Kingdom of God is in us why aren t we living lives of greatness in our world Bill Winston recognizes that there are two

The Kingdom of God Nicholas Perrin,2019-02-26 What does the Bible say about God s Kingdom and what Kingdom living looks like In the last hundred and fifty years the concept of the kingdom of God has emerged as one of the most important topics in theology New Testament studies and the life of the church In The Kingdom of God Nicholas Perrin explores this

dominant biblical metaphor one that is paradoxically the meta center and the mystery in Jesus proclamation After survey interpretations by figures from Ritschl to N T Wright Perrin examines questions such as What exactly is the kingdom of God What do different Christian traditions mean when they talk about the Kingdom How should we interpret Jesus teachings about the Kingdom What does it mean for the people of God and what does it mean for how they live in the world Perrin contends that the kingdom is inaugurated in Jesus earthly ministry but its final development awaits later events in history In between the times however the people of God are called to participate in the reign of God by living out the distinctly kingdom ethic through hope forgiveness love and prayer _____ Part of the Biblical Theology for Life series this practical and robust book will help you ground your understanding of the Kingdom of God on the solid foundation of biblical exegesis and reflection *The Kingdom of God* , **The Paradigm of the Kingdom of God** Dan Westerfield,2023-04-11 The Paradigm of the Kingdom of God This book traces redemptive history from the Garden of Eden to the New Heaven and Earth through the paradigm of the kingdom of God Jesus Christ s saving work is the supreme event in all history but it takes place within the context of the kingdom When we follow God s plan of salvation through the kingdom s progress the events unfold like an immense novel because we see God s divine providence revealed through both biblical and secular accounts God initiates the kingdom paradigm when he tells Adam and Eve to be fruitful and multiply and rule Gen 1 28 This is a mandate to establish God s righteous kingdom on the earth and it is repeated to Noah and then Israel But the story of the Old Testament is that Adam and Eve Noah and his family and Israel all sin and rebel and cannot establish God s kingdom The New Testament tells us about Jesus Christ the Son of God coming to earth to become one of us He begins His ministry by proclaiming The time is fulfilled and the kingdom of God is at hand repent and believe in the gospel Mark 1 15 Jesus begins to fulfill the kingdom mandate He is fruitful and multiplies through spiritual children And Jesus begins to rule He teaches casts out demons calms storms heals the sick raises the dead and feeds the hungry He establishes a kingdom of His faithful followers But Jesus must also die for their sins and rise again so that they can be declared righteous fit for God s kingdom After Jesus ascends to heaven and establishes the Church the kingdom advances through the Church s ministry Understanding redemptive history through the kingdom paradigm differs from the long standing interpretations of Dispensationalism and Covenantalism These views are considered in this book but the focus is on how the kingdom is central to God s design for history Following its progress helps us see our location and roles in the fulfillment of God s divine plan This can inform our faith and increase Church unity as we glorify God through His amazing plan of redemption **The Kingdom of God and the Glory of the Cross** Patrick Schreiner,2018-03-15 The kingdom of heaven is like a grain of mustard seed that a man took and sowed in his field It is the smallest of all seeds but when it has grown it is larger than all the garden plants and becomes a tree so that the birds of the air come and make nests in its branches Matthew 13 31 32 When Jesus began his ministry he announced that the kingdom of God was at hand But many modern day Christians don t really understand what the kingdom of God is or how it

relates to the message of the gospel Defining kingdom as the King s power over the King s people in the King s place Patrick Schreiner investigates the key events prophecies and passages of Scripture that highlight the important theme of kingdom across the storyline of the Bible helping readers see how the mission of Jesus and the coming of the kingdom fit together Part of the Short Studies in Biblical Theology series The Kingdom of God and the Glory of the Cross Patrick Schreiner,2018

The Kingdom of Heaven and the Kingdom of God Earl B. Schrock,2014-01-06 God has prepared a kingdom John 14 1 3 through Jesus Christ our Lord The kingdom is free and available to all willing to be a child of God Romans 8 14 Inheriting the kingdom of God does not take place by desire Nor can it be entered into by force Its not a place that you can see or touch or feel or search for on a map It is not a place it is a relationship It is the relationship mankind has with their Creator God when they surrender their all to Him allowing Him to be the King of every aspect of their lives Thus they become the children of God Dear children do not let anyone lead you astray The one who does what is right is righteous just as he is righteous The one who does what is sinful is of the devil because the devil has been sinning from the beginning The reason the Son of God appeared was to destroy the devils work No one who is born of God will continue to sin because Gods seed remains in them they cannot go on sinning because they have been born of God This is how we know who the children of God are and who the children of the devil are Anyone who does not do what is right is not Gods child nor is anyone who does not love their brother and sister 1 John 3 7 10 The kingdom or inheritance of God is entered into by the righteous Its entered into by those who recognize they are lost sinners who have been redeemed by the blood of the Lamb Revelation 5 9 12 11 Its inherited by those who surrender their will to God allowing Him to mold them into what He wants them to be as the potter molds Isaiah 64 8 the clay in making a useful vessel **The Kingdom of God in the 21st Century** Ty Allen Ed. D,2017-07-24 The kingdom of God is the called out people of God Col 1 13 14 from the world of darkness as the spiritual family of Christ The kingdom of God is bound up in the age of grace and truth and is the fulfillment of Gods promise to Abraham to bless all nations of people The kingdom of God in prophecy started during the Roman rule Dan 2 44 with the Jews at Pentecost in Jerusalem ca 33 AD and then to the Gentile world to include our present age Jesus reigns as Lord and Christ over His church the kingdom of God in the twenty first century and continues to call people of every nation to walk with Him by faith repentance and baptism in His name until the consummation of all things and His second return The Christian Age is the eschatology Last Day events of Jesus reign under the leadership of the Holy Spirit through the preached Word The salvation of the Gentile nations is the final work of God to restore what was lost in heaven through Satan and his angels Rev 12 7 10 When Jesus appears his reign ends and the spiritual family and the church of Christ kingdom of God will go home **The Kingdom of God is a Party** Tony Campolo,Anthony Campolo,1990 If the Bible uses words like these then our lives should exude that same biblical vitality After all Jesus partied with sinners not in a boisterous unruly manner but in the spirit of the Old Testament Jubilee in which people acquired a new lease on life What was important then and remains so now is the celebratory attitude that should set

Christians apart from the rest of the world
