## **The Kings And The Christ:**

**Exalting Jesus in 1 & 2 Kings** Tony Merida,2015-11-01 Edited by David Platt Daniel L Akin and Tony Merida this new commentary series projected to be 48 volumes takes a Christ centered approach to expositing each book of the Bible Rather than a verse by verse approach the authors have crafted chapters that explain and apply key passages in their assigned Bible books Readers will learn to see Christ in all aspects of Scripture and they will be encouraged by the devotional nature of each exposition *Jesus Christ, the King of Kings and the Lord of Lords, the Judge of His Creation* Marianne Strenger,2012-10-26 Do you know what the image of the antichrist is Do you know what the symbolism of the number 666 of the antichrist means When Jesus writes the letters to the churches in Revelation He is writing to us now Do you understand what He is expecting in us Do you know what is His view of an overcomer in Him Come learn the great adventure of knowing what the symbolism is in this great book of the Bible Understand Gods ways for us in Jesus Christ so that when the counterfeit spirit shows up you wont be deceived and fall prey to Satans dark ways Learn from the Holy Spirit to see through the darkness with His discernment When the Kings Come Marching In Richard J. Mouw,2002-05-08 Widely respected for his perspectives on faith in the modern world Richard J Mouw has long stood at the forefront of the Christ and culture debate In *When the Kings Come Marching In* here revised and updated Mouw explores the religious transformation of culture as it is powerfully pictured in Isaiah 60 In Isaiah 60 the prophet envisions the future transformation of the city of Jerusalem a portrayal of the Holy City that bears important similarities to John s vision of the future in Revelation 21 and 22 Mouw examines these and other key passages of the Bible showing how they provide a proper pattern for cultural involvement in the present Mouw identifies and discusses four main features of the Holy City 1 the wealth of the nations is gathered into the city 2 the kings of the earth march into the city 3 people from many nations are drawn to the city and 4 light pervades the city In drawing out the implications of these striking features Mouw treats a number of relevant cultural issues including Christian attitudes toward the processes and products of commerce technology and art the nature of political authority race relations and the scope of the redemptive ministry of Jesus Christ The volume culminates in an invaluable discussion of how Christians should live in the modern world Mouw argues that believers must go beyond a narrow understanding of the individual pilgrim s progress to a view of the Christian pilgrimage wherein believers work together toward solving the difficult political social and economic problems of our day *The Kings and the Christ* J. Wesley Adcock,2001 *Revelation Of The Antichrist: Who He Is And What He Does* Don Preece,2010-11-11 Do you understand the bible spiritually the way God intended Do you know who the Antichrist is This book provides revelation as to how the bible is to be understood as well as the identity and characteristics of the Antichrist according to biblical revelation and spiritual understanding Begin to understand the bible as God intended receive revelation from God The Kings Are Coming John Polis,2004-03 **Christ's Famous Titles, and a Believer's Golden Chain** William Dyer,1790 **Christ's Famous Titles; and a Believer's Golden Chain. At this pint I have to explain that we are living in a time never seen before The nations of Europe and America are the messengers of the gospel in our time resulting in an outpour of blessings Now they own most of the resources abundance and wealth of the world Many nations in Africa and Asia are suffering in hunger misery poverty and epidemics Although he thought gospel has reached all the nations of the world the love of God and the good news of Jesus have yet to reach the majority of the world population Preaching the gospel together with charity according to the apostles in initial times is of the utmost importance today Feeding the starving healing the sick saving the lepers taking care of the orphans and widows supporting the poor healing the invalids and victims can be done by the Christians of the rich nations It is an opportunity never existing before in world history The barriers of hatred between the rich and the poor have to come down with endeavor and adventures of Christian love To challenge the deprived once saved to join the movement of Christian love in their country would intensify and accelerate the worldwide salvation It required people being entirely selfless and dedicated There are young people ready for action in many countries They need examples to be followed and it is a challenge for all the churches The truth received from God in the Bible has transformed the ethics and the religions of mankind created Christian laws and generated understanding and cooperation between the nations although most people are unaware of these facts It is possible to become enlightened and to experience the truth Therefore this interpretation may contribute to the elucidation of the revelation of John      **A Concordance of the Proper Names in the Holy Scriptures** Thomas David Williams,1923      **The Proof Texts of the Catechism with a Practical Commentary** Augustus Lawrence Gräbner,Louis Wessel,1920      Twelve sermons James Battersby,1882      **Miraculous Mountain Mover** Chuck Klingman,2017-12-15

By definition a disciple follows As contemporary Christians today most of us are sincere about proclaiming that we are disciples of Jesus Christ Yet in truth and by definition few of us really are Many of us are genuine about conforming to the Lords character at least in part and thats a worthy pursuit However for various reasons as explained in this book very few of us today are personally carrying on with the Lords own miraculous works and ways as directed In truth our own prayers personal ministries and methods seldom resemble the timeless prayers ministry and methods of Jesus nor do our results

resemble His miraculous results This powerful book is passionately committed to helping and encouraging every believer to follow Jesus in the miraculous ways of a mountain mover while explaining just how to do it So much more than another great book on prayer and discipleship the Miraculous Mountain Mover is an invitation into the powerful life of active faith that is intended for every believer and follower of Jesus As Christians we are the Body of Christ His hands and feet His mouthpiece and were called to do His work on the earth in our day Pastor Chuck has a first hand experience of this and it is his contagious passion to help others to do the same Be forewarned this book is not for the faint of heart As you read this book you will be very encouraged However you will also be challenged to step out of the shadows of fear and doubt and into the adventurous life of faith that awaits Enjoy Brett Masters Senior Pastor Dream Center Lake Elsinore
