The Kings Castle:

King's Castle Ann Ruffell, 2002 *The Kings' Castle* Ann Ruffell, 1995 *King's Castle* Karl McIntosh, 2016-11-03 This is a lovely book about how we can if we work on it help each other and benefit from all we have King Williams set out to find a better place for his people to live so they don't have to live in leaky and flooded shacks Along the way they find a mountain they can cut into to make a place for the people to live high and dry Finding a large cave in the side of the mountain would give them a place to start So by moving in they could get out of the mud They planted gardens in the valley only to find some of the crops were missing On their journey they come across thieves and Indians Can this be good The king must find a way for all to live in peace With the help of his kingdoms people they can all come together *The Kings of Remgeldon* Florence Joanne Reid, 2015-08-17 Its war Zandrax wants to rule the world from King Halvard's throne within the Holy City of Thanos Seventy thousand men are marching toward Thanos with a supply train five miles long They can only march as fast as the train can travel However King Halvard only has less than twenty thousand in his army How can they win But what is the prince of thieves and Lady Felayna doing Is that love or war And how about Prince Kalan and Princess Altina Neither Lord Darak nor King Halvard seem able to put the pairs together no matter how hard they try Then the three mages from Wylche manage to dump the broken and battered body of Prince Qarvon into the hall at the Holy Castle at Thanos reminding everyone that there really is a war going on But it will take a miracle to heal the Prince's body and hope he will live to walk again All the while Zandrax's army is marching up the Kings Highway to Thanos as snipers from Thanos ride down to snipe at the edges of that army hoping to reduce it to a manageable number that more closely matches the number of the High Kings army Its war With surprising goings on around the city of Thanos What is King Halvard thinking of Destroying his own city For what purpose *Allen Brown's English Castles* Reginald Allen Brown, 2004 A reissue of the classic guide to the origins purpose and identity of the great castles of England and Wales built after the arrival of the Normans Castle studies have been shaped and defined over the past half century by the work of R Allen Brown His classic *English Castles* renamed here to acknowledge its definitive approach to the subject has never been superseded by other more recent studies and is still the foundation study of the English and Welsh castles built between the Norman Conquest and the mid 1500s As the subject evolved so too did this book and for the most recent edition a considerable amount of French comparative material was added though it remains essentially a study of English castles For Allen Brown castles were fortified residences or residential fortresses and developed from European precursors to support political and social realities as the Norman and Angevin kings secured their realm Once these political ends had been largely met the castle and castle building entered a period of decline and domestic and military interests went in opposite directions This book with numerous photographs and plans remains the outstanding guide to the origins purpose and identity of the great castles of England and Wales R ALLEN BROWN was also the author of *The Normans* *The Norman Conquest of England* and *The Normans and the Norman Conquest* and founder of
