The Kings England Cheshire

Dorothy J. Clayton

The Kings England Cheshire:

King's England: Cheshire Arthur Mee, 2003-12 In this guide first published in 1938 Arthur Mee describes Cheshire as The romantic gateway of the north The King's England Arthur Mee, 1938 Cheshire (the King's England) Arthur Mee, 2014-11-27 There have been many books on Cheshire but never one like this The perfect historic guide to Cheshire churches castles and other historic places We may think of this romantic county as one of the finest gateways to the North as a county of green pastures and of wide industrial fields as an inspirer of poets and an incentive to thinkers Arthur Mee Arthur Mee's guide to 150 places in Cheshire from Acton to Wybunbury provides both a snapshot of the county before the Second World War and a comprehensive guidebook to the county's heritage which remains invaluable for travellers and historians alike to this day This facsimile edition is aided by 117 unique photographs which accompanied the original 1938 text THE KING'S ENGLAND An engrossing survey of the country a fascinating record of English heritage Daily Mail A panorama of England of outstanding importance and usefulness Sunday Times Arthur Mee 1875 1943 already famous for the Children's Encyclopedia created the King's England series of county guides in the 1930s In his own words There has been nothing like it before it is the first census of the ancient and beautiful and curious historic possessions of England since the motor car came to make it possible Mee and his team of researchers drove the length and breadth of Britain to gather information about the nation's heritage in what he regarded as A New Domesday of 10 000 towns and villages certainly the most comprehensive guide of its time and arguably unbeaten by anything until Wikipedia Although this series of 40 books is now almost 80 years old it remains a fantastic guide to England's cities towns and villages sometimes poignantly revealing what they were like before the terrors of the Second World War and always celebrating our history with humour and a lightness of touch The Independent Schools Guide 2012-2013 Gabbittas, 2012-12-03 Every parent wants their child to flourish throughout their education but few decisions are more difficult than choosing the right school The Independent Schools Guide from Gabbittas Education has been informing parents in their independent school choices since 1924 Included in this most authoritative and extensive guide to UK independent schools Choosing a school day boarding prep and senior School fees planning Coming from overseas Independent school inspections ISI and Ofsted Extensive directory of UK independent schools Detailed school profiles Sixth form choices including tutorial colleges and beyond To see schools online visit the guide's website at www.independentschoolsguide.com **Prophecy, Politics and the People in Early Modern England** Tim Thornton, 2006 Thornton also sheds light on areas where popular culture and politics were uneasily interlinked the powerful political influence of those outside elite groups the variations in political culture across the country and the considerable continuing power of mystical supernatural and non rational ideas in British social and political life into the nineteenth century Jacket *The Financial Administration of the Lordship and County of Chester, 1272-1377* Paul Howson William Booth, 1981 **The Independent Schools Guide 2011-2012** Gabbittas, 2011-11-03 All parents want their child to be happy and

successful at school but few decisions are harder than identifying the right school for your child The Independent Schools Guide now in its 17th edition provides all the guidance and advice needed to make the most informed decisions The book includes an extensive reference section for over 2 000 schools details on fee planning scholarships and bursaries guidance for overseas parents including language support and guardianship and detailed profiles of over 200 schools and colleges For any parent guardian or carer who is considering the independent sector the Guide is the definitive reference source *The King's Cardinal* Peter J Gwyn,2011-04-30 Proud greedy corrupt and driven by overwhelming personal ambition Such is the traditional image of Thomas Wolsey Lord Chancellor Archbishop of York Bishop of Winchester Abbot of St Albans Bishop of Tournai and Papal Legate It is an image which Peter Gwyn examines challenges and decisively overturns in this remarkable book From exceedingly humble beginnings Wolsey rose to a pinnacle of power unsurpassed by any other British commoner Peter Gwyn explores every aspect of the Cardinal's career not least his relationship with Henry VIII and sets it firmly in a vividly recreated Tudor world The Wolsey who emerges is a man of prodigious energy and ability a tireless dispenser of justice an enlightened reformer wholly dedicated to his king and country a man who has been consistently misrepresented and maligned for four and a half centuries **The King's England** Arthur Mee,1968 [annual bibliography of english language and literature volume XXIX 1949](#) , *The Life and Times of "England's Patriot King", William the Fourth* John Watkins,1832 **Walking the King Charles III England Coast Path: North West** Ange Harker,2025-07-15 A guidebook to walking the northwest section of the King Charles III England Coast Path between Gretna and Chester Covering 590km 367 miles this straightforward trail along the Cumbria Lancashire and Merseyside coast takes around 1 month to hike The route is described from north to south in 28 stages between 13 and 29km 8 18 miles in length Contains step by step description of the route alongside 1 50 000 OS maps Refreshment information given for each route stage Public transport by stage is listed for those wanting to break the trail into shorter sections Handy trek planner route summary tables and accommodation listings help you plan your itinerary Accompanying map booklets containing OS 1 25 000 mapping and route line are also available **The Works Of William Shakespeare** William Shakespeare,1859 **The King's England. [With Plates and Maps.]** Arthur Mee,Edward Tudor LONG, [Preparatory Schools 2012](#) ,2012-02 John Catt's Preparatory Schools 2012 provides parents and children with information about all the 1500 independent prep and junior schools in the UK and includes more detailed information from selected schools **Proceedings of the Society of Antiquaries of London** Society of Antiquaries of London,1918 [The Administration of the County Palatine of Chester, 1442-1485](#) Dorothy J. Clayton,1990 The main aim of this book is to consider how and by whom the County Palatine of Chester was governed and administered during the later Middle Ages It aims to assess how effectively and efficiently the wheels of government operated in this area The study is based upon a detailed examination of the Palatine records for the years 1442 1485 during the reigns of Henry VI to Richard III [Castles of the Marches](#) John Kinross,2015-09-15 A fascinating insight

into the historic castles of Herefordshire Shropshire and the Welsh Marches **The Middle Ages at Work** K. Robertson, M. Uebel, 2016-04-30 This timely volume examines the commitments of historicism in the wake of New Historicism It contributes to the construction of a materialist historicism while at the same time proposing that discussions of work need not be limited to the clash between labour and capital To this end the essays offer more than a strictly historical view of the complex terms social and literary within which labour was treated in the medieval period Several of the essays strive to reformulate the very critical language we use to think about the categories of labour and work through a continually doubled engagement with modern theories of labour and medieval theories and practices of labour **Arthur Mee** Keith Crawford, 2016-07-28 Arthur Mee 1875 1943 best remembered as the creator of The Children's Encyclopaedia was more than a popular editor journalist and travel writer for a generation of young readers and their parents the name Arthur Mee truly meant something For many in his audience the narratives and discourses embedded within his writing tied together and legitimised a trinity of beliefs that lay at the heart of his nonconformist faith and character God England and Empire Despite the enormous appeal of his many published works which during the first half of the twentieth century saw him become a household name and a major publishing brand Mee has remained an ethereal figure In Arthur Mee the first full length account of Mee's life since 1946 Crawford draws upon a range of Mee's correspondence to offer for the first time a realistic picture of the man at work and at home as an antidote to the overly romanticised image attached to his name The book places Mee's work within the wider cultural political and social context of an England undergoing unparalleled societal change and technological advancement Scholars of the history of education children's literature and beyond will find much of interest in these pages and childhood devotees to Mee's publications may well find themselves transported back to a time of wonder imagination and hope
