The Kitchener Enigma:

The Kitchener Enigma Trevor Royle, 2016-05-02 In this critically acclaimed biography now fully updated Royle revises Kitchener's latter day image as a stern taskmaster the ultimate war lord to reveal a caring man capable of displaying great loyalty and love to those close to him New light is thrown on his Irish childhood his years in the Middle East as a biblical archaeologist his attachment to the Arab cause and on the infamous struggle with Lord Curzon over control of the army in India In particular Royle reassesses Kitchener's role in the Great War presenting his phenomenally successful recruitment campaign Your Country Needs You as a major contribution to the Allied victory and rehabilitating him as a brilliant strategist who understood the importance of fighting the war on multiple fronts *Kitchener's Army* Peter Simkins, 1988 This interesting book looks at the British army of 1914 an army of conscripts and volunteers The effect of this mobilization on the social and political climate of Britain and the kind of army that was created are thoroughly explored Annotation copyrighted by Book News Inc Portland OR

Kitchener's War: British Strategy from 1914-1916 George H. Cassar, 2005-10-31 A new study of one of Britain's most famous soldiers *Prolonging the Agony* Jim Macgregor, Gerry Docherty, 2018-01-12 The fact that governments lie is generally accepted today but World War I was the first global conflict in which millions of young men were sacrificed for hidden causes They did not die to save civilization they were killed for profit and in the hopes of establishing a one world government By 1917 America had been thrust into the war by a President who promised to stay out of the conflict But the real power behind the war consisted of the bankers the financiers and the politicians referred to in this book as The Secret Elite Scouring government papers on both sides of the Atlantic memoirs that avoided the censor's pen speeches made in Congress and Parliament major newspapers of the time and other sources *Prolonging the Agony* maintains that the war was deliberately and unnecessarily prolonged and that the gross lies ingrained in modern histories still circulate because governments refuse citizens the truth Featured in this book are shocking accounts of the alleged Belgian outrages the sinking of the Lusitania the manipulation of votes for Herbert Hoover Lord Kitchener's death and American and British Zionists in cahoots with Rothschild's manipulated Balfour Declaration The proof is here in a fully documented exposé a real history of the world at war

Victoria's Generals Steven J. Corvi, Ian F. W. Beckett, 2020-01-31 The senior British generals of the Victorian era men like Wolseley Roberts Gordon and Kitchener were heroes of their time As soldiers administrators and battlefield commanders they represented the empire at the height of its power But they were a disparate sometimes fractious group of men They exhibited many of the failings as well as the strengths of the British army of the late nineteenth century And now when the Victorian period is being looked at more critically than before the moment is right to reassess them as individuals and as soldiers This balanced and perceptive study of these eminent military men gives a fascinating insight into their careers into the British army of their day and into a now remote period when Britain was a world power

Jericho Robert Ruby, 2025-06-25 It is a place both mythic and all too real a place thought to be the site of one of our oldest human settlements and known to be a center of ancient cultures and annihilating conflicts It sits at the bottom of a malarial valley the lowest place on the surface of the earth the overheated earthen basement of the world as Robert Ruby describes it And yet long before the world's modern religions began scrapping over its bones Jericho was home to waves of colonization and floods of destruction Fought over by the succeeding epochs of ancestors the place we call Jericho is as old as

the first remnants dated at 9 000 B C and as current as the daily headlines In this unorthodox biography of the first eleven thousand years in the life of a legend Robert Ruby takes us back through time to those early settlements then forward to the often crude but ultimately successful latter day attempts to locate Jericho to unearth and map and catalog its history Beginning with the geography of place he weaves together his own intimate knowledge of modern day Jericho with stories of the lives and work of those explorers and archaeologists of the past whose courage often bordered on madness and whose dedication sometimes seemed the purest kind of human folly Soldiers scholars engineers adventurers dilettantes and professionals alike they were all dreamers drawn to this parched and dusty spot where so much of human history took place Matching biblical accounts to archaeological evidence sifting myth from science phantoms from reality Robert Ruby teases out the complex strata of the past helping us to make sense of what exists today With the flair of a novelist and the enthusiasm of an amateur archaeologist he offers a tale that is part detection part epic adventure Above all he gives us a work of great literary panache witty fact filled and utterly subversively compelling
