presided over the golden age of theater Ellen Terry was an ethereal beauty the child bride of a Pre Raphaelite painter who

made her the face of the age George Bernard Shaw was so besotted by her gifts that he could not bear to meet her lest the spell she cast from the stage be broken Henry Irving was an ambitious harsh voiced merchant's clerk but once he painted his

face and spoke the lines of Shakespeare his stammer fell away to reveal a magnetic presence He would become one of the greatest actor managers in the history of the theater Together Terry and Irving created a powerhouse of the arts in London's

Lyceum Theatre with Bram Stoker who would go on to write Dracula as manager Celebrities whose scandalous private lives commanded global attention they took America by storm wildly popular national tours Their all consuming professional

lives left little room for their brilliant but troubled children Henry's boys followed their father into the theater but could not escape the shadow of his fame Ellen's feminist daughter Edy founded an avant garde theater and a largely lesbian

community at her mother's country home But it was Edy's son the revolutionary theatrical designer Edward Gordon Craig who possessed the most remarkable gifts and the most perplexing inability to realize them A now forgotten modernist

visionary he collaborated with the Russian director Stanislavski on a production of Hamlet that forever changed the way theater was staged Maddeningly self absorbed he inherited his mother s potent charm and fathered thirteen children by eight women including a daughter with the dancer Isadora Duncan An epic story spanning a century of cultural change A Strange Eventful History finds space for the intimate moments of daily existence as well as the bewitching fantasies played out by its subjects Bursting with charismatic life it is an incisive portrait of two families who defied the strictures of their time It will be swiftly recognized as a classic Please note This ebook edition does not contain photos and illustrations that appeared in the print edition *A catalogue of Hookham's circulating library* Hookham's library,1829 **Unknown to History.
