other workers who make the place run the owner manager bartenders deejays doormen bouncers housewives and cocktail waitresses Price Glynn spent fourteen months at The Lion s Den working as a cocktail waitress Her uncommonly deep access reveals a conflict ridden workplace fuelled by competing interests and agendas and stereotypical ideas about women men sexuality race labour and economic value Full of rich insights into the world of a single club Price Glynn argues that the club environment reproduces gender inequalities through the everyday interactions of customers and workers as well as the broader organizational structure and culture of the modern day workplace Taking a novel approach to this controversial and often misunderstood industry Price Glynn draws a fascinating portrait of life and work inside the strip club
