**Kicking Bombs in the Land of Sand** Barry Stevens,2013-10-01 After 22 years in the Army there was nothing Craig Jackson CJ didn t know about the deadly craft of bomb detection and disposal He was the go to guy for clearing an area of explosives So when he left the military there was really no choice his expertise was rare sought after and potentially very lucrative He d long ago learnt to put the danger to one side now he loved the adrenaline rush the exhilaration of the job staying cool in the face of death outsmarting the murderous and wily bomb makers Craig establishes his own landmine clearance company and is soon catapulted into the thick of the war in Iraq tasked with disposing of Saddam Hussein s massive array of bombs ammunition and weapons This is Craig s dream job getting to play with hundreds of thousands of tons of explosive ordnance while also doing a bit of good on the side Everything is going smoothly until a typical convoy sortie in the Iraqi desert turns Craig s world into a nightmare Ambushed by a large well armed and organised enemy force Craig and his colleagues are taken prisoner by Saddam s henchmen Thrust into a nether world of pain and brutality all of his thoughts and efforts become focussed on one thing staying alive Disarming a bomb would soon come to seem like child s play as Craig has to draw on every shred of his mental and physical strength to endure the horrific daily torture at the hands of his captors He constantly dreams of escape but will they break him first

**When and How the Arabs and Muslims Immigrated to the Land of Israel—Period of British Rule, 1918-1948** Rivka Shpak Lissak,2021-07-30 The Palestinian National Movement and its Palestine Authority aim to rewrite the history of the Land of Israel They have developed several agendas about the history of the country One agenda claims that they are the ancient population of the country they call Falstin Palestine The other claims said they settled in the country in 640 they have a history of 1 381 years The Jews they say have no historical claim on that country but another agenda claims that Jews did populate the country but the Romans conquers never exiled the Jews two thousand years ago The Jews converted to Islam during the Arab Muslim occupation of the country 640 1099 and that the Palestinians are the descendants of these Jews and therefore the rightful heirs of the country But the historical facts tell a different story This book is the second volume of When and How the Arabs

and Muslims Immigrated to the Land of Israel The first volume deals with 640 1914 and brings evidence that most Palestinians are descendants of immigrants who came to the country from Arab and Muslim countries in small numbers during a slow process over hundreds of years and between the end of the nineteenth century and First World War their number grew by immigrant workers This volume brings evidence that under the British Mandate rule 1918 1948 waves of Arab Muslim immigrant workers entered the country illegally because of the British policy to ignore illegal immigration The British mandate government actually ordered the Transjordan army responsible for controlling the borders to ignore illegal immigration Also the British Army brought Arab workers from Egypt Syria and Lebanon to build and work in their camps The economic and employment opportunities created by the Zionist Movement Jewish investors and immigrants Christian organizations and the British Mandate in the Land of Israel drew an increasing number of Arab immigrant workers These opportunities were much better than those they had in their home countries
