The Land Called Holy Palestine In Christian History Thought:

The Land Called Holy Robert Louis Wilken, 1992-01-01 Drawing on both primary texts and archaeology Wilken traces the Christian conception of a Holy Land from its origins in the Hebrew Bible to the Muslim conquest of Jerusalem in the seventh century **The Rowman & Littlefield Handbook of Christianity in the Middle East** Mitri Raheb, Mark A.

Lamport, 2020-12-15 This work represents the current and most relevant content on the studies of how Christianity has fared in the ancient home of its founder and birth Much has been written about Christianity and how it has survived since its migration out of its homeland but this comprehensive reference work reassesses the geographic and demographic impact of the dramatic changes in this perennially combustible world region The Rowman Littlefield Handbook of Christianity in the Middle East also spans the historical socio political and contemporary settings of the region and importantly describes the interactions that Christianity has had with other major minor religions in the region **Identity and Territory** Eyal

Ben-Eliyahu, 2019-04-30 Throughout history the relationship between Jews and their land has been a vibrant much debated topic within the Jewish world and in international political discourse Identity and Territory explores how ancient conceptions of Israel of both the land itself and its shifting frontiers and borders have played a decisive role in forming national and religious identities across the millennia Through the works of Second Temple period Jews and rabbinic literature Eyal Ben Eliyahu examines the role of territorial status boundaries mental maps and holy sites drawing comparisons to popular Jewish and Christian perceptions of space Showing how space defines nationhood and how Jewish identity influences perceptions of space Ben Eliyahu uncovers varied understandings of the land that resonate with contemporary views of the relationship between territory and ideology *From the Passion to the Church of the Holy Sepulchre* Jordan J. Ryan, 2021-01-14 Since

the early 4th century Christian pilgrims and visitors to Judea and Galilee have worshipped at and been inspired by monumental churches erected at sites traditionally connected with the life and ministry of Jesus of Nazareth This book examines the history and archaeology of early Christian holy sites and traditions connected with specific places in order to understand them as interpretations of Jesus and to explore them as instantiations of memories of him Ryan's overarching aim is to construe these places as instantiations of what historian Pierre Nora has called lieux de mémoire sites where memory crystallizes and where possible to track the course and development of the traditions underlying them from their genesis in the Gospel narratives to their eventual solidification in the form of pilgrimage sites So doing will bring rarely considered evidence to the study of early Christian memory which in turn helps to illuminate the person of Jesus himself in both history and reception **The Oxford Handbook of Medieval Christianity** John H. Arnold, 2014-08-21 The Oxford Handbook of

Medieval Christianity takes as its subject the beliefs practices and institutions of the Christian Church between 400 and 1500AD It addresses topics ranging from early medieval monasticism to late medieval mysticism from the material wealth of the Church to the spiritual exercises through which certain believers might attempt to improve their souls Each chapter tells

a story but seeks also to ask how and why Christianity took particular forms at particular moments in history paying attention to both the spiritual and otherworldly aspects of religion and the material and political contexts in which they were often embedded This Handbook is a landmark academic collection that presents cutting edge interpretive perspectives on medieval religion for a wide academic audience drawing together thirty key scholars in the field from the United States the UK and Europe Notably the Handbook is arranged thematically and focusses on an analytical rather than narrative approach seeking to demonstrate the variety change and complexity of religion throughout this long period and the numerous different ways in which modern scholarship can approach it While providing a very wide ranging view of the subject it also offers an important agenda for further study in the field

Jerusalem Tamar Mayer, Suleiman A. Mourad, 2008-05-09 With contributions from many noted scholars in a wide range of fields this is a multidisciplinary study of one of the world's great cities that is of enormous historical religious and political significance

Conversion in Late Antiquity: Christianity, Islam, and Beyond Arietta Papaconstantinou, Daniel L. Schwartz, 2016-03-03 The papers in this volume were presented at a Mellon Sawyer Seminar held at the University of Oxford in 2009-2010 which sought to investigate side by side the two important movements of conversion that frame late antiquity to Christianity at its start and to Islam at the other end Challenging the opposition between the two stereotypes of Islamic conversion as an intrinsically violent process and Christian conversion as a fundamentally spiritual one the papers seek to isolate the behaviours and circumstances that made conversion both such a common and such a contested phenomenon The spread of Buddhism in Asia in broadly the same period serves as an external comparator that was not caught in the net of the Abrahamic religions The volume is organised around several themes reflecting the concerns of the initial project with the articulation between norm and practice the role of authorities and institutions and the social and individual fluidity on the ground Debates discussions and the expression of norms and principles about conversion conversion are not rare in societies experiencing religious change and the first section of the book examines some of the main issues brought up by surviving sources This is followed by three sections examining different aspects of how those principles were or were not put into practice how conversion was handled by the state how it was continuously redefined by individual ambivalence and cultural fluidity and how it was enshrined through different forms of institutionalization Finally a topographical coda examines the effects of religious change on the iconic holy city of Jerusalem

The Saint's Saints Susan Weingarten, 2018-12-10 The Saint's Saints presents Jerome's world picture as seen through his saints Lives It analyses both his rhetoric and his descriptions of realia and the way he combines classical Christian and Jewish sources to re-write the biblical Holy Land as a new and Christian world for his readers Susan Weingarten looks at how Jerome dovetails his literary sources with his experience of the material world of the fourth century to write the Lives of the saints Paul Hilarion Malchus and Paula effectively using them to write the Life of Saint Jerome This is the first full length study of Jerome's saints Lives It widens the on going debate about mutual influences in Jewish and

Christian literature in the fourth century and revises our picture of the historical geography of Palestine This Holy Place Steven Fine, 2016-10-17 Steven Fine's *This Holy Place* is a comprehensive treatment of the synagogue as a place of sanctity in Late Antiquity. This book is essential for an understanding of how the synagogue became the central Jewish communal institution and how it served as a substitute for the destroyed Jerusalem Temple during the long period of Jewish exile from the Land of Israel. Fine's mastery of both archaeological evidence and a wide variety of literary sources makes this a major contribution to the field. Lawrence H. Schiffman, New York University. Fine has mastered an unusually wide range of disciplines: rabbinical sources, archaeology, art, and epigraphy. His book is thoroughly researched, well written, and engagingly presented. It should be required reading for anyone interested in how this most central institution of Jewish life was perceived and presented. Lee I. Levine, Hebrew University of Jerusalem. I read *This Holy Place* with the greatest profit and enjoyment. It is an important contribution to the entire nature of late antique civilization and not only to Jewish studies. Peter Brown, Princeton University. Steven Fine is the Dean Pinkhos Churgin Professor of Jewish History at Yeshiva University. *From Martyr to Mystic* Ra'anan S. Boustani, 2005 This study provides a critical analysis of Nurcholish Madjid's attempt to interpret Islam within the framework of modern Indonesia. Special attention is paid to his ideas and activities during the years leading to the 1998 downfall of President Soeharto and the development towards democracy that followed. Although many of these ideas have been embraced by significant sectors of official Indonesia, they have also received harsh criticism from the representatives of more conservative interpretations of Islam and more recently from secular Muslims as well. BOOK JACKET

The Global Edwards Rhys S. Bezzant, 2017-10-20 In a globalized world, networks are key, whether they are networks of people, ideas, or interests. In this volume of essays on the texts and teachings of Jonathan Edwards, contributors from each continent ask questions about how the world of Edwards explains or illuminates the world of today, whether in the area of systematics, missions, historiography, politics, church planting, or biblical studies. Such diverse discourses enrich the networks of scholarship that the contributors represent and provide a global snapshot of contemporary research in Edwards studies. These papers were presented in August 2015 at the Jonathan Edwards Congress held at Ridley College in Melbourne, Australia, where personal engagement with the topics at hand made the worldwide network of Edwards aficionados and scholars not merely a virtual aspiration but an experience in time and space. This book will not only inform its readers but surprise them as well as they track the power of eighteenth-century theological ideas in the late modern world. *In the Shadow of the Temple* Oskar Skarsaune, 2008-10-28 Oskar Skarsaune gives us a new look into the development of the early church and its practice by showing us the evidence of interaction between the early Christians and rabbinic Judaism. He offers numerous fascinating episodes and glimpses into this untold story. Late Antique Jewish and Christian Travelogues Reuven Kiperwasser, Aryeh Kofsky, Serge Ruzer, 2024-12-16 Focusing on travel narratives as a setting for spelling out both cultural exchanges and identity building, the present volume maps a variety of strategies employed in travelogues by

Christians and Jews in the late antique Roman East The first part sheds light on the shared cultural background folkloric or mythic reflected in late antique Jewish and Christian sea travel stories and the various attempts to adapt it to a specific religious agenda While the comparative analysis of the sources from two textual communities emphasizes their different religious agendas it also allows for restoring patterns of the broader background with which they converse The second part highlights Christian perceptions of the Land of Israel in missionary enterprises and in the eschatological visions The travelogues offer a window on the interplay between shared inheritance and new agendas within the dialectical development of religious traditions in Late Antiquity

Wandering Monks, Virgins, and Pilgrims Maribel Dietz, 2010-11-01 Dietz finds that this period of Christianity witnessed an explosion of travel as men and women took to the roads seeking spiritual meaning in a life of itinerancy This book is essential reading for those who study the history of monasticism for it was a monastic context that religious travel first claimed an essential place within Christianity

The Specter of the Jews Ari Finkelstein, 2018-10-23 In the generation after Constantine the Great elevated Christianity to a dominant position in the Roman Empire his nephew the Emperor Julian sought to reinstate the old gods to their former place of prominence in the face of intense opposition from the newly powerful Christian church In early 363 c e while living in Syrian Antioch Julian redoubled his efforts to hellenize the Roman Empire by turning to an unlikely source the Jews With a war against Persia on the horizon Julian thought it crucial that all Romans propitiate the true gods and gain their favor through proper practice To convince his people he drew on Jews whom he characterized as Judeans using their scriptures institutions practices and heroes sometimes as sources for his program and often as models to emulate In *The Specter of the Jews* Ari Finkelstein examines Julian's writings and views on Jews as Judeans a venerable group whose religious practices and values would help delegitimize Christianity and surprisingly shape a new imperial Hellenic pagan identity

Authority and Dissent in Jewish Life Leonard J. Greenspoon, 2020-10-15 Throughout the long history of Judaism many individuals and groups have sought to wield authority on the basis of unique religious social familial military or political claims Moving historically from the biblical period to the modern day State of Israel *Authority and Dissent in Jewish Life* discusses a range of those claims to authority from within the Jewish community itself There is no single paradigm that characterizes these instances Yet again and again the same causes of disagreement arise interpretation and application of authoritative texts appropriate ways to remember and memorialize figures from the past the extent to which traditional leadership roles should or should not change in keeping with new cultural or political contexts the degree to which long held beliefs and long practiced rituals are or are not susceptible to modification or abandonment and the tension members of a Jewish community may feel when their leaders make pronouncements at odds with the political policies of the secular state in which they live Written accessibly the essays in this collection examine these phenomena from a wide variety of approaches genres and media They pay close attention to the historical and religious settings of the controversies they analyze yet also allow for ample reflection on the larger issues

of authority and dissent that each occurrence raises Damqatum - Number 17 (2021) Jorge Cano Moreno,2021-12-31

Damqatum is a journal dedicated to the history and archaeology of the Near East oriented to the general public *Holy War in Judaism* Reuven Firestone,2012-07-02 Holy War in Judaism is the first book to consider how the concept of holy war disappeared from Jewish thought for almost 2000 years only to reemerge with renewed vigor in modern times **History and Memory in the Carolingian World** Rosamond McKitterick,2004-07-29 The writing and reading of history in the early Middle Ages form the key themes of this 2004 book The primary focus is on the remarkable manifestations of historical writing in relation to historical memory in the Frankish kingdoms of the eighth and ninth centuries It considers the audiences for history in the Frankish kingdoms the recording of memory in new genres including narrative histories cartularies and Libri memoriales and thus particular perceptions of the Frankish and Christian past It analyses both original manuscript material and key historical texts from the Carolingian period a remarkably creative period in the history of European culture Presentations of the past developed in this period were crucial in forming an historical understanding of the Greco Roman and Judaeo Christian past and in subsequent centuries of early medieval Europe They also played an extraordinarily influential role in the formation of political ideologies and senses of identity within Europe *The Struggle for Jerusalem's Holy Places* Wendy Pullan,Maximilian Sternberg,Lefkos Kyriacou,Craig Larkin,Michael Dumper,2013-11-20 The Struggle for Jerusalem s Holy Places investigates the role of architecture and urban identity in relation to the political economy of the city and its wider state context seen through the lens of the holy places Reflecting the broad disciplinary backgrounds of the authors this book provides perspectives from architecture urbanism and politics and provides in depth investigations of historical ethnographic and policy related case studies The research is substantiated by fieldwork carried out in Jerusalem over the past ten years as part of the ESRC Large Grants project Conflict in Cities By analysing new dynamics of radicalisation through land seizure the politicisation of parklands and tourism the strategic manipulation of archaeological and historical narratives and material culture and through examination of general appropriation of Jerusalem s varied rituals memories and symbolism for factional uses the book reveals how possibilities of co existence are seriously threatened in Jerusalem Shedding new light on the key role played by everyday urban life and its spatial settings for any future political agreements about the city and its religious sites this book is a useful reference work for students and scholars of Middle East Studies Architecture Religion and Urban Studies

The Land Called Holy Palestine In Christian History Thought Book Review: Unveiling the Power of Words

The Land Called Holy Palestine In Christian History Thought Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Land Called Holy Palestine In Christian History Thought free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Land Called Holy Palestine In Christian History Thought free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While

downloading The Land Called Holy Palestine In Christian History Thought free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Land Called Holy Palestine In Christian History Thought. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Land Called Holy Palestine In Christian History Thought any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Land Called Holy Palestine In Christian History Thought Books

1. Where can I buy The Land Called Holy Palestine In Christian History Thought books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
