discover that some of the first born of the universe the powerful Paladins bring with them an unprecedented threat The threat is greater than ever and could bring death to our heroes and our worlds But in the darkness ahead a star of hope is emerging The Earth of Light chooses a new Guardian offering a chance for peace Will our brave heroes triumph in their noble quest to ensure the continuity of life or will the forces of darkness finally take over Prepare to travel to new worlds meet new characters and travel through the void of space and time Be part of this series of stories and discover the deep messages within the pages of this book As you journey through the lines of the next part of this fantasy trilogy you will witness the birth of new alliances the formation of unbreakable bonds and the unswerving search for truth The stakes are higher than ever with worlds and lives at stake Are you ready to plunge into the depths of this story and discover what lies in the visions that answer these questions If so join me as I take you to the end ready to face the outcome that will determine the fate of everything and everyone

The Beothuk Saga Bernard Assiniwi,2002-01-16 This astounding novel fully deserves to be called a saga It begins a thousand years ago in the time of the Vikings in Newfoundland It is crammed with incidents of war and peace with fights to the death and long nights of lovemaking and with accounts of the rise of local clan chiefs and the silent fall of great distant empires Out of the mists of the past it sweeps forward eight hundred years to the lonely death of the last of the Beothuk The Beothuk of course were the original native people of Newfoundland and thus the first North American natives encountered by European sailors Noticing the red ochre they used as protection against mosquitoes the sailors called them Red skins a name that was to affect an entire continent As a people they were never understood Until now By adding his novelist's imagination to his knowledge as an anthropologist and a historian Bernard Assiniwi has written a convincing account of the Beothuk people through the ages To do so he has given us a mirror image of the history rendered by Europeans For example we know from the Norse Sagas that four slaves escaped from the Viking settlement at L Anse aux Meadows What happened to them Bernard Assiniwi supplies a plausible answer just as he perhaps solves the mystery of the Portuguese ships that sailed west in 1501 to catch more Beothuk and disappeared from the paper records forever The story of the Beothuk people is told in three parts The Initiate tells of Anin who made a voyage by canoe around the entire island a thousand years ago encountering the strange Vikings with their cutting sticks and their hair the colour of dried grass His encounters with whales bears raiding Inuit and other dangers and his survival skills on this epic journey make for fascinating reading as does his eventual return to his home where with the help of his strong and active wives he becomes a legendary chief the father of his people
